South Korean Popular Culture in the Global Context Sojin Lim, 2022-08-17 This book explores the recent landscape of Korean popular culture, including celebrity diplomacy, political activism, and inter-Korean relations in the era of 'ontact', with a special focus on K-pop and K-drama. Utilising the interdisciplinary approach, along with theoretical accounts, it redefines popular culture and its true power – beyond soft power – including discussions of how the pandemic and the use of online platforms have coincidentally or effectively influenced recent phenomena surrounding Korean popular culture. It reveals both the possibilities and pitfalls of Hallyu diplomacy and the UN's celebrity diplomacy more broadly, and highlights how, through the mobilisation of a large internet fanbase, the modern K-pop 'standom' can influence political discourse. The book also features an examination of the political significance of the K-drama through which it highlights the potential of popular media to impact inter-Korean relations and inform current international understanding and perception of the Korean conflict. Dealing with the wider scope of Korean popular culture this book will be a valuable resource to students and scholars of South Korea, international relations, public diplomacy, political activism, and cultural and media studies.

Flowers of Fire Hawon Jung, 2023-03-07 Listed in the best books of 2023 by *The Economist* Invigorating debut . . . [a] full-throated rallying cry. —Publishers Weekly One of Ms. Magazine's most-anticipated feminist books of 2023 An eye-opening firsthand account of the ongoing and trailblazing feminist movement in South Korea—one that the world should be watching. Since the beginning of the #MeToo movement, tens of thousands of people in South Korea have taken to the street, and many more brave individuals took a stand, to end a decades-long abortion ban and bring down powerful men accused of sexual misconduct—including a popular presidential contender. South Korean feminists know that the revolution has been a long time coming, between battles against its own patriarchal society as well as challenging stereotypes of docile Asian women in the Western imagination. Now, author Hawon Jung will show the rest of the world that these women are no delicate flowers—they are trailblazing flames. *Flowers of Fire* takes the reader into the trenches of this fight for equality, following along as South Korean activists march on the streets, navigate public and private spaces where spycam porn crimes are rampant, and share tips and tricks with each other as they learn how to protect themselves from harassment and how to push authorities to act. Jung, the former Seoul correspondent for the AFP, draws on her on-the-ground reporting and interviews with many women who became activists and leaders, from the elite prosecutor who ignited the country's #MeToo movement to the young women who led the war against non-consensual photography. Their stories, though long overlooked in the West, mirror realities that women across the world are all too familiar with: threats of defamation lawsuits to silence victims of assault, tech-based sexual abuse, and criminal justice systems where victims' voices are often met with suspicion and abusers' downfalls are met with sympathy. These are the issues at the heart of their #MeToo movement, and South Korean women have fought against them vigorously—and with extraordinary success. In *Flowers of Fire*, Jung illuminates the strength and tenacity of these women, too often sidelined in global conversations about feminism and gender equality.

The Korean Wave Y. Kuwahara, 2014-02-20 The rise in popularity of South Korean entertainment and culture began and is promoted as an official policy of the Korean government to revive the country's economy. This study examines cultural production and consumption, glocalization, the West versus Asia, global race consciousness, and changing views of masculinity and femininity.

International Business in the New Asia-Pacific Terry Wu, Nailin Bu, 2022-01-01 The Asia-Pacific region, sustaining more than four decades of rapid growth, has emerged as an economic force comparable in significance to Europe and North America. This book examines the economic, geopolitical, technological, demographic, and cultural forces that shape the international business strategies in the Asia-Pacific region. Specifically, it examines the seismic shifts in global business environment since the new century, and addresses emerging opportunities and threats in the Asia-Pacific region. This book offers new insights for international business in areas such as trade policy, supply chains, international investment, technological innovation, international marketing, digital economy, and human resources. The enclosed comprehensive and diverse analyses of the international business landscape in the New Asia are invaluable to scholars, managers, politicians, and policy makers alike. This book is engaging and informative. It presents a collection of diverse and cutting-edge topics that offer new insights into International Business activities in the Asia-Pacific region, raising questions for debate and opening pathways for future research. A must-read book for International Business scholars.— Hussain G. Rammal, University of Technology Sydney, Australia This book offers a comprehensive introduction to the general business environment in Asia. It highlights the complexities and dynamics of doing business in Asia and provides insightful understandings of emerging issues in the region. The chapter-by-chapter analyses of the region depict the rich thematic contexts in which key issues and challenges facing corporate executives as well scholars in international business. I believe that this book is valuable for students of international business, global business environment and regional studies.—Hongxin Zhao, Saint Louis University, USA

A K-pop Live Suk-Young Kim, 2018-08-07 "A glittering glimpse into a pure realization of late capitalism, and . . . our collective future . . . uncovers why K-pop is the global cultural phenomenon." —Carol Vernallis, author of *Unruly Media: YouTube, Music Video, and the New Digital Cinema 1990s* South Korea saw the transition from a military dictatorship to a civilian government, from a manufacturing economy to a postindustrial hub, and from a cloistered society to a more dynamic transnational juncture. In *K-pop Live*, Suk-Young Kim investigates the ascent of Korean popular music in relation to the rise of personal technology and social media. Based on in-depth interviews with K-pop industry personnel, media experts, critics, and fans, as well as archival research, *K-pop Live* explores how the industry has managed the tough sell of live music in a marketplace in which virtually everything is available online. Teasing out digital media's courtship of liveness in the production and consumption of K-pop, Kim investigates the nuances of the affective mode in which human subjects interact with one another in the digital age. Observing performances online, in concert, and even through the use of holographic performers, Kim offers readers a step-by-step guide through the K-pop industry's variegated efforts to diversify media platforms as a way of reaching a wider global network of music consumers. In an era when digital technology inserts itself into nearly all social relationships, Kim reveals how what is live becomes a question of how we exist as increasingly mediated subjects. "Lively insights into the complexities of the artistry and the commerce, the manufactured and the impromptu, the virtual and the somatic, and the local and the global that propel the production [and] consumption of Korean popular music today." —Hyung-Gu Lynn, University of British Columbia

Sociolinguistics of the Korean Wave Nora Samosir, Lionel Wee, 2023-12-22 Samosir and Wee examine how the immensely popular Korean Wave (K-wave) also known as Hallyu is wielded as soft power through the use of communication for persuasion and attraction on the global stage. The Korean Wave refers to the global spread and popularity of South Korean culture, particularly its pop music (K-pop), serialised dramas (K-dramas) and films (K-films). Given the South Korean government's involvement in providing funding and publicity, the Korean Wave raises interesting sociolinguistic questions about the relationship between artistry and citizenship, the use of social media in facilitating the consumption of cultural products, and, ultimately, the nature of soft power itself. Studies of soft power have tended to come from the field of international relations. This book shows that sociolinguistics actually has a number of tools in its conceptual arsenal – such as indexicality, stance taking, affect, and styling – that can shed light on the Korean Wave as a form of soft power. As the first book-length sociolinguistic analysis of the Korean Wave and soft power, this book demonstrates how K-pop, K-dramas, and K-films have been able to encourage in consumers an anthropological stance towards all things Korean. This volume will be of particular interest to students and scholars in sociolinguistics, political science, cultural studies, and Korean studies.

The Cambridge Companion to K-Pop Suk-Young Kim, 2023-02-28 How did Korea with a relatively small-scale music industry come to create a vibrant pop culture scene that would enthrall not only young Asian fans but also global audiences from diverse racial and generational backgrounds? From idol training to fan engagement, from studio recording to mastering choreographic sequences, what are the steps that go into the actual production and promotion of K-pop? And how can we account for K-pop's global presence within the rapidly changing media environment and

consumerist culture in the new millennium? As an informed guide for finding answers to these questions, *The Cambridge Companion to K-Pop* probes the complexities of K-pop as both a music industry and a transnational cultural scene. It investigates the meteoric ascent of K-pop against the backdrop of increasing global connectivity wherein a distinctive model of production and consumption is closely associated with creativity and futurity.

Women We Love Soojin Lee, Kate Korroch, Liew Kai Khiun, 2023-09-19 *Women We Love: Femininities and the Korean Wave* is an edited volume exploring femininities in and around the Korean Wave since 2000. While studies on the Korean Wave are abundant, there is a dearth of thought put toward the female-identifying stars, characters, and fans who shape and lead this crucial cultural movement. This collection of essays is one of the first works to focus on gender and the key female actors of this global phenomenon. Using “women” as an inclusive term extending to all those who self-define as women, this volume examines the role of women in K-pop and K-drama industries and fandom spaces, encompassing crucial intersectional topics such as queering of gender, dissemination of media, and fan culture. In addition to the communities engaged with visual culture of the Korean Wave, the audience for *Women We Love* will reflect the contributors to this text. They are K-pop and K-drama fans, queer, international; they are also academics of Asian histories, sociology, gender and sexuality, art history, and visual culture. The chapters are playful, intersectional, and will be adapted well into syllabi for media studies, gender studies, visual culture studies, sociology, and contemporary global history. “*Women We Love* goes far beyond the dyad of the flower boy Hallyu star and his female fan to offer readers an illuminating discussion of plural femininities in the Korean Wave since the turn of the millennium. The essays will answer many burning yet heretofore unanswered questions about the affective resonances and political significance of Korean popular culture’s gender dynamics, which have fascinated, puzzled, and at times frustrated many fans and observers. Rigorously interdisciplinary, yet grounded in textual detail, historical context, and material reception practices, this is a timely and valuable contribution to the study of gender, fandom, and global media.” —Michelle Cho, University of Toronto “This is a provoking and fascinating book—one of the most awaited books in Hallyu studies. Drawing from a multitude of feminist theories and case studies, this edited volume not only provides captivating and much-needed discussions but also critically expands the current debates in gender studies, feminism studies, and fan studies. This book is vital literature for researchers, students, and practitioners who are willing to advance their understanding of the Korean Wave from a new scope and angle.” —Dal Yong Jin, Simon Fraser University

Multimedia, Computer Graphics and Broadcasting, Part II Tai-hoon Kim, Hojjat Adeli, William I. Grosky, Niki Pissinou, Timothy K. Shih, Edward J. Rothwell, Byeong-Ho Kang, Seung-Jung Shin, 2011-12-02 The two volume set, CCIS 262 and 263, constitutes the refereed proceedings of the International Conference, MulGraB 2011, held as Part of the Future Generation Information Technology Conference, FGIT 2011, in conjunction with GDC 2011, Jeju Island, Korea, in December 2011. The papers presented were carefully reviewed and selected from numerous submissions and focus on the various aspects of multimedia, computer graphics and broadcasting.

Contemporary Consumption, Consumers and Marketing Brendan Canavan, 2020-12-28 *Contemporary Consumption, Consumers and Marketing: Cases from Generations Y and Z* explores current consumer, consumption and marketing cases and issues, posing questions that complement, extend and challenge established marketing theory while keeping in mind megatrends such as climate crisis, economic inequality and digital connectivity. It also considers how such major changes affect consumer societies, cultures and individuals, especially those from Generations Y and Z. Each chapter is built around a theme that encapsulates current theoretical and professional debates around consumption, consumers and marketing. Examples and up-to-date case studies throughout the book explore how brands are adapting to current circumstances across Generations X, Y and Z and investigate the state of marketing at a time of flux. This book is essential reading for undergraduates, postgraduates and practitioners interested in marketing and consumer behaviour.

LO: TECH: POP: CULT Priscilla Guy, Alanna Thain, 2024-04-24 This edited collection assembles international perspectives from artists, academics, and curators in the field to bring the insights of screendance theory and practice back into conversations with critical methods, at the intersections of popular culture, low-tech media practices, dance, and movement studies, and the minoritarian perspectives of feminism, queer theory, critical race studies and more. This book represents new vectors in screendance studies, featuring contributions by both artists and theoreticians, some of the most established voices in the field as well as the next generation of emerging scholars, artists, and curators. It builds on the foundational cartographies of screendance studies that attempted to sketch out what was particular to this practice. Sampling and reworking established forms of inquiry, artistic practice and spectatorial habits, and suspending and reorienting gestures into minoritarian forms, these conversations consider the affordances of screendance for reimagining the relations of bodies, technologies, and media today. This collection will be of great interest to students and scholars in dance studies, performance studies, cinema and media studies, feminist studies, and cultural studies.

Here Comes the Flood Marcy L. Tanter, Moisés Park, 2022-03-15 This book breaks down the stereotypes often expected of Korean popular culture, showing how the lines of gender, sexuality, and stereotype in Hallyu productions are often blurred to be palatable to Korean audiences or clarified to attract global audiences.

Korean Wave in South Asia Ratan Kumar Roy, Biswajit Das, 2022-06-28 This book is a systematic investigation of Korean cultural wave in South Asia, discovering and analysing the dynamics of fandom, mechanism of media industry and growing phenomena of Korean culture in this part of the world. This is one of the very first academic volumes in South Asia that examines cultural politics, language and literatures of Korea in a regional location when there might be some on examining the political and diplomatic relations divorced from socio-cultural interactions. It focuses on three major aspects: identity formation in the age of digital culture, fandom and aspiration in the wake of subculture, and transcultural flow in South Asia. Through these thematic indicators and empirical instances the volume explores the modes of transcultural flow vis a vis the global cultural flow. The patterns and processes of identity construction transformed among the teenagers and youths in the realm of digital media and embodying the Korean cultural elements. The book will contribute in the area of media and cultural studies, global culture and politics, arts and humanities, social sciences and area studies. Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

Digital Mediascapes of Transnational Korean Youth Culture Kyong Yoon, 2019-10-28 Drawing on vivid ethnographic field studies of youth on the transnational move, across Seoul, Toronto, and Vancouver, this book examines transnational flows of Korean youth and their digital media practices. This book explores how digital media are integrated into various forms of transnational life and imagination, focusing on young Koreans and their digital media practices. By combining theoretical discussion and in depth empirical analysis, the book provides engaging narratives of transnational media fans, sojourners, and migrants. Each chapter illustrates a form of mediascape, in which transnational Korean youth culture and digital media are uniquely articulated. This perceptive research offers new insights into the transnationalization of youth cultural practices, from K-pop fandom to smartphone-driven storytelling. A transnational and ethnographic focus makes this book the first of its kind, with an interdisciplinary approach that goes beyond the scope of existing digital media studies, youth culture studies, and Asian studies. It will be essential reading for scholars and students in media studies, migration studies, popular culture studies, and Asian studies.

Korean Wave in World Englishes Brittany Khedun-Burgoine, Jieun Kiaer, 2022-09-16 This book examines the linguistic impact of the Korean Wave on World Englishes, demonstrating that the K-Wave is not only a phenomenon of popular culture, but also language. The Korean Wave is a neologism that was coined during the 1990s that includes K-pop, K-dramas, K-film, K-food, and K-beauty, and in recent years it has peaked in global popularity. This book intends to show how social media phenomena have facilitated the growth of Korea’s cultural influence globally and enabled a number of Korean origin words to settle in varieties of Englishes. This in turn has globalised Korean origin words and revolutionised the English language through an active and collaborative process of lexical migration. Korean origin words such as oppa (older brother) are no longer bound solely to Korean-speaking contexts. The study focuses primarily on media content, particularly social media, corroborated by case studies to examine how linguistic innovation has been engendered by the Korean Wave. Suitable for students and researchers of Korean linguistics, Korean culture, Korean popular culture, and translation studies, this book is the first detailed study of the global linguistic impact of the Korean Wave.

North Korea's Women-led Grassroots Capitalism Bronwen Dalton, Kyungja Jung, 2023-12-01 North Korea is in the throes of economic and social, if

not political, transition. These changes have a pronounced gender dimension: the crisis of the command economy and the gradual emergence of an informal market economy, where, remarkably, the vast majority of North Korea's traders and merchants are women. This book examines the complex relationship between gender roles and economic and social changes in North Korea. The book, based on extensive original research, provides rich details of this development, considers how women's roles in North Korea have developed over time and highlights how women are driving change in other areas of North Korean life too, including family relationships, women's sexuality and reproductive issues and women's cultural identity.

Kpop News 14 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Kpop News 14 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Kpop News 14 has opened up a world of possibilities. Downloading Kpop News 14 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Kpop News 14 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Kpop News 14. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Kpop News 14. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To

ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Kpop News 14, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Kpop News 14 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Kpop News 14 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kpop News 14 is one of the best book in our library for free trial. We provide copy of Kpop News 14 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kpop News 14. Where to download Kpop News 14 online for free? Are you looking for Kpop News 14 PDF? This is definitely going to save you time and cash in something you should think about.

If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Kpop News 14. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Kpop News 14 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
