**The Savage Tales of Solomon Kane** Robert E.

Howard, 2004-06-29 With Conan the Cimmerian, Robert E. Howard created more than the greatest action hero of the twentieth century—he also launched a genre that came to be known as sword and sorcery. But Conan wasn't the first archetypal adventurer to spring from Howard's fertile imagination. "He was . . . a strange blending of Puritan and Cavalier, with a touch of the ancient philosopher, and more than a touch of the pagan. . . . A hunger in his soul drove him on and on, an urge to right all wrongs, protect all weaker things. . . . Wayward and restless as the wind, he was consistent in only one respect—he was true to his ideals of justice and right. Such was Solomon Kane." Collected in this volume, lavishly illustrated by award-winning artist Gary Gianni, are all of the stories and poems that make up the thrilling saga of the dour and deadly Puritan, Solomon Kane. Together they constitute a sprawling epic of weird fantasy adventure that stretches from sixteenth-century England to remote African

jungles where no white man has set foot. Here are shudder-inducing tales of vengeful ghosts and bloodthirsty demons, of dark sorceries wielded by evil men and women, all opposed by a grim avenger armed with a fanatic's faith and a warrior's savage heart. This edition also features exclusive story fragments, a biography of Howard by scholar Rusty Burke, and "In Memoriam," H. P. Lovecraft's moving tribute to his friend and fellow literary genius.

Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and

popular culture. Select quotations from the book:  
I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Angelbound (Angelbound Origins #1) Christina Bauer, 2018-08-22 Eighteen year old Myla Lewis is a girl who loves two things: kicking ass and kicking ass. She's not your every day quasi-demon, half-demon and half-human, girl. For the past five years, Myla has lived for the days she gets to fight in Purgatory's arena. When souls want a trial by combat for their right to enter heaven or hell, they go up against her, and she hasn't lost a battle yet. But as she starts her senior year at Purgatory High, the arena fights aren't enough to keep her spirits up anymore. When the demons start to act weird, even for demons, and the King of the Demons, Armageddon, shows up at Myla's school, she knows that things are changing and it's not looking good for the quasi-demons. Myla starts to question everything, and doesn't like the answers she finds. What happened seventeen years ago that turned the quasi-demons into slave labor? Why was her mom always so sad? And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy half-human and half-angel demon hunter.

But what's a quasi-demon girl to do when she falls for a demon hunter? It's a good thing that Myla's not afraid of breaking a few rules. With a love worth fighting for, Myla's going to shake up Purgatory.
