Facing the Future Without Fear Lloyd John Ogilvie,2002-01-01

Unprecedented terror attacks and the threat of future unimaginable horrors have struck fear in all of our hearts. Lloyd John Ogilvie has put his finger on our deepest need at this troubled time--the need to respond to our fears with courage. To help us muster our courage Ogilvie analyzes the global, inner and personal causes of fear. He illustrates his message with many well-crafted anecdotes and true stories. And he prescribes biblical and practical antidotes for all of our fears, leading us to God who alone can resolve them at their roots.

Excellence in Mathematics and Science United States.

Congress,1990

The Annenbergs John E. Cooney,1982 This is the colorful and dramatic biography of two of America's most controversial entrepreneurs: Moses Louis Annenberg, 'the racing wire king, ' who built his fortune in racketeering, invested it in publishing, and lost much of it in the biggest tax evasion case in United States history; and his son, Walter, launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain.--Jacket.
