KTLA's News At 10: Sixty Years with Stan Chambers Stan Chambers,2008-02-15

Over sixty years at KTLA News and twenty-two thousand stories, Stan Chambers, the godfather of Los Angeles newsies, has the unique distinction of being the first to break many nation-rocking stories. Stan steps out from behind the microphone to tell his side of the story and chronicles the evolution of the televised news world.

Perfect Day California Christopher P. Baker,2021-10-01 California is called the “Golden State” with good reason, and not simply because it was birthed by the '49 Gold Rush. From sun-kissed, seaside San Diego and the desert oasis of Palm Springs in the south, to misty redwood forests and snow-capped volcanoes in the north, the state is blessed with shining superlatives. The cities are chockfull of world-class museums, fabulous architectural and historic sites, plus cosmopolitan restaurants and chic rooftop bars. You could spend a lifetime exploring and not discover it all. But what if you only have 24 hours in any one place? California is blessed with so many amazing things to see and do, it's hard to know what to start. Perfect Day California is your handy guide to honing in on the quintessential experiences. Watch polar bears frolic in the water behind a giant glass screen at San Diego Zoo. Experience the thrill of a VIP behind-the-scenes tour at Paramount Studios. Hear and see firsthand the enthralling inside scoop on space exploration at the NASA Jet Propulsion Laboratory. Whether your activity of choice is marveling at

contemporary art in the Getty Museum or wandering beneath the soaring Coast redwoods, steeping in a hot mud bath spa or panning for gold in the Sierra foothills, California has a perfect day for every taste and desire. Local author Christopher P. Baker knows California like the back of his hand. Here he shares with you his knowledge and insights to make the most of your visits to destinations throughout the state. He provides invaluable and inspirational insider tips that condense 24 hours in each place into the most rewarding experience possible.

A Lie Too Big to Fail Lisa Pease, 2018-12-18 In A Lie Too Big to Fail, longtime Kennedy researcher (of both JFK and RFK) Lisa Pease lays out, in meticulous detail, how witnesses with evidence of conspiracy were silenced by the Los Angeles Police Department; how evidence was deliberately altered and, in some instances, destroyed; and how the justice system and the media failed to present the truth of the case to the public. Pease reveals how the trial was essentially a sham, and how the prosecution did not dare to follow where the evidence led. A Lie Too Big to Fail asserts the idea that a government can never investigate itself in a crime of this magnitude. Was the convicted Sirhan Sirhan a willing participant? Or was he a mind-controlled assassin? It has fallen to independent researchers like Pease to lay out the evidence in a clear and concise manner, allowing readers to form their theories about this event. Pease places the history of this event in the context of the era and provides shocking overlaps between other high-profile murders and attempted

murders of the time. Lisa Pease goes further than anyone else in proving who likely planned the assassination, who the assassination team members were, and why Kennedy was deemed such a threat that he had to be taken out before he became President of the United States.

My Four Hollywood Husbands Joyce Bulifant, 2017-10-03 Joyce Bulifant has lived the Hollywood life for nearly seven decades, and through it, experienced what few outside the entertainment world can imagine. While following the path of her own successful career, Ms. Bulifant managed to navigate the choppy waters of husbands' alcoholism, codependency and an extended family of four marriages. James MacArthur played Danno on Hawaii Five-0. Edward Mallory was Dr. Bill Horton on Days of Our Lives. William Asher was the famous director-writer-producer of I Love Lucy, Bewitched and the Beach Party movies. Roger Perry starred in Star Trek and over 300 TV shows and films. He has also composed music for Barbra Streisand and Bing Crosby. Along the way Bulifant managed to command the spotlight for her own accomplishments. As Gavin MacLeod's wife Marie on The Mary Tyler More Show, a concerned mother in the movie Airplane, dancing with Fred Astaire, and her reoccurring role on The Match Game. *My Four Hollywood Husbands* is a rare peek into what happens off the screen. It's a story of love, a lasting love that is woven through the fabric of the world of entertainment. It's also a story about perseverance and overcoming obstacles--and that happy endings are indeed possible.

Peruvian Power Foods Manuel Villacorta, Jamie Shaw, 2013-10 While superfoods have entered the health food conversation in recent years, most people are unaware that many of the most powerful foods on the planet hail from the Andes region—and now, for the first time ever, they are now widely available in the United States. Not only are these foods teeming with healing effects, they are also packed with flavor, transforming ordinary, everyday healthy meals into something extraordinary. *Peruvian Power Foods* introduces the top superfoods and their myriad health benefits, with more than 75 recipes from the Andes to the Amazon, a growing gastronomical hotspot for chefs and gourmards the world over. With recipes for breakfasts and smoothies, on the fly snacks, plus sublime suppers and decadent desserts, anyone from the fitness-minded to foodies can easily incorporate these nutrient- and antioxidant-rich foods into their daily lives. Tempt your taste buds without ruining your waistline with: Weekend waffles with maca, an anti-inflammatory, antioxidant that can be likened to natural Viagra as it helps potency in men. Breakfast granola with lucuma, a tangy tropical fruit that helps balance high blood pressure. Savory white bean hummus made with sacha inchi, a powerful omega-3s for heart health and brain power. Muffins made with pichuberry, a glucose controller, sugar regulator, and accelerant for flushing fat around the middle. Sinful yet slimmed-down brownies with cacao, an amazing antioxidant and chocolate substitute in everything from smoothies to cakes. From Peru to your plate, this Amazon-inspired health makeover will allow you

to enjoy optimal health and optimal flavor one meal at a time.

Kathy Fiscus William Deverell, 2021-03 In *Kathy Fiscus: A Tragedy that Transfixed the Nation* historian William Deverell tells the heartbreaking story of a young girl trapped in a well--a story that transfixed the nation in what would become the first live, breaking-news TV spectacle in history. Kathy Fiscus tells the story of the first live, breaking-news TV spectacle in American history. At dusk on a spring evening in 1949, a three-year old girl fell down an abandoned well shaft in the backyard of her family's home in Southern California. Across more than two full days of a fevered rescue attempt, the fate of Kathy Fiscus remained unknown. Thousands of concerned Southern Californians rushed to the scene. Jockeys hurried over from the nearby racetracks, offering to be sent down the well after Kathy. 20th Century Fox sent over the studio's klieg lights to illuminate the scene. Rescue workers--ditch diggers, miners, cesspool laborers, World War II veterans--dug and bored holes deep into the aquifer below, hoping to tunnel across to the old well shaft that the little girl had somehow tumbled down. The region, the nation, and the world watched and listened to every moment of the rescue attempt by way of radio, newsreel footage, and wire service reporting. They also watched live television. Because of the well's proximity to the radio towers on nearby Mount Wilson, the rescue attempt became the first breaking-news event to be broadcast live on television. The Kathy Fiscus event invented reality television and proved that real-time television

news broadcasting could work and could transfix the public. William Deverell is professor of history and director of the Huntington-USC Institute on California and the West at the University of Southern California. He is the author of numerous studies of the nineteenth- and twentieth-century American West, including *Whitewashed Adobe: The Rise of Los Angeles and the Remaking of Its Mexican Past*.

13 Things Strong Kids Do Amy Morin, 2021-04-06 The internationally bestselling author of *13 Things Mentally Strong People Don't Do*, Amy Morin, empowers tweens, teaching them how to think, feel, and act stronger than ever! Perfect for fans of *The Confidence Code for Girls*, this book tackles mental strength in a relatable way. Filled with fun graphics and illustrations throughout. "This book is a powerful gift to kids—it shows them how to help themselves!" —Claire Shipman, New York Times bestselling coauthor of *The Confidence Code for Girls* Do you worry that you don't fit in? Do you feel insecure sometimes? Do you wish your life looked as perfect as everyone else on social media? Do you have anxiety about things you can't control? Being a tween can be really hard, especially in today's world. You balance it all—homework, extracurricular activities, chores, friendship drama, and family, all while trying to give the impression that you know exactly what you're doing. Sometimes when we try to look perfect on the outside, we can feel rotten in the inside. Do you want to become a stronger person, inside and out? By picking up this book, you're already taking the first step toward

becoming a better person where it counts—by training your brain. Prominent psychotherapist and social worker Amy Morin offers relatable scenarios, then shows tweens the ways they can develop healthy habits, build mental strength, and take action toward becoming their best selves. *13 Things Strong Kids Do* gives tweens the tools needed to overcome life's toughest challenges. This nonfiction middle grade book is an excellent choice for tween readers in grades 5 to 8, including those living through the stresses of homeschooling, returning to the classroom, and navigating a changed and stressful world.

All Is Not LOST Shannon Kenny Carbonell, 2021-03-16 *All Is Not LOST* is the sad, funny, self-effacing yet soul-bearing story of what happened when one woman set aside a lifelong dream in favor of her kids, only to find herself battling her own ego and unfulfilled ambition. This is the memoir of former working actress Shannon Kenny Carbonell, and her own bittersweet account of the journey she undertook to reconcile her growing feelings of failure and the sudden loss of her identity. Shannon—wife of actor Nestor Carbonell of *LOST*, *Bates Motel*, and *The Morning Show* fame—knew she was making the better choice for her, no matter how painful, when she decided on full-time motherhood over her career. But little did she know that shortly after her family moved to Oahu, Hawaii, while Nestor shot *LOST*, Shannon would find herself desperate to feed the part of her that was suddenly starved of creativity and accomplishment. Just like the *LOST* survivors, she had crashed on an island that would test her, heal her, and surround her with the people

who would eventually show her the way home.

Eartha & Kitt Kitt Shapiro, 2021-05-04 A luminous and inspiring portrait of a Black pioneer and artistic force—Eartha Kitt—and one of the most moving mother/daughter stories in Hollywood history. In this unique combination of memoir and cultural history, we come to know one of the greatest stars the world has ever seen—Eartha Kitt—as revealed by the person who knew her best: her daughter. Eartha, who was a mix of Black, Cherokee, and white, is viewed by the world as Black. Kitt, her biological daughter, is blonde and light skinned. This is the story of a young girl being raised by her mother, who happened to be one of the most famous celebrities in the world. For three decades, they traveled the world together as mother and daughter. Even after Kitt got married and started a family of her own, she and Eartha were never far from each other's sides Eartha had a very difficult childhood growing up in extreme poverty in South Carolina. She described herself as being "just a poor cotton picker from the South." She did not have her own familial ties to lean on after being abandoned by her own mother as a toddler and having never known who her father was. She and Kitt were each other's whole world. Eartha's legacy is still felt today. Not only do we still listen to "Santa Baby" every Christmas, but many of today's most influential artists consistently mention Eartha, paying tribute to her groundbreaking stances on social issues such as racial equality and women's and LGBTQ rights. And she is still widely remembered for her definitive portrayal of Catwoman in the

classic Batman television series, voicing the character Yzma in Disney's *The Emperor's New Groove*, and her many other movie and Broadway roles. In these pages, Kitt brings her mother to life so vividly, you will feel as if you'd met her. You'll embrace her love of nature, exercise, simple food, and independence, along with her lessons on the importance of treating people kindly and always being true to yourself. Filled with love, life lessons, and poignant laughter, *Eartha & Kitt* captures the passion and energy of two remarkable women.

The Rise: Kobe Bryant and the Pursuit of Immortality Mike Sielski, 2022-01-11 A compelling origin story of a time that really wasn't so long ago but through the lens of tragedy feels like forever. Kobe-ologists will devour this book, reveling in the anecdotes about his intensity & the engaging game recaps. —Associated Press “Every superhero needs an origin story.” —Jeff Pearlman The inside look at one of the most captivating and consequential figures in our culture—with never-before-heard interviews. Kobe Bryant's death in January 2020 did more than rattle the worlds of sports and celebrity. The tragedy of that helicopter crash, which also took the life of his daughter Gianna, unveiled the full breadth and depth of his influence on our culture, and by tracing and telling the oft-forgotten and lesser-known story of his early life, *The Rise* promises to provide an insight into Kobe that no other analysis has. In *The Rise*, readers will travel from the neighborhood streets of Southwest Philadelphia—where Kobe's father, Joe,

became a local basketball standout—to the Bryant family's isolation in Italy, where Kobe spent his formative years, to the leafy suburbs of Lower Merion, where Kobe's legend was born. The story will trace his career and life at Lower Merion—he led the Aces to the 1995-96 Pennsylvania state championship, a dramatic underdog run for a team with just one star player—and the run-up to the 1996 NBA draft, where Kobe's dream of playing pro basketball culminated in his acquisition by the Los Angeles Lakers. In researching and writing *The Rise*, Mike Sielski had a terrific advantage over other writers who have attempted to chronicle Kobe's life: access to a series of never-before-released interviews with him during his senior season and early days in the NBA. For a quarter century, these tapes and transcripts preserved Kobe's thoughts, dreams, and goals from his teenage years, and they contained insights into and told stories about him that have never been revealed before. This is more than a basketball book. This is an exploration of the identity and making of an icon and the effect of his development on those around him—the essence of the man before he truly became a man.

Well, That Escalated Quickly Francesca Ramsey, 2018-05-22 A sharp and timely exploration of race, online activism, and real communication in the age of social media rants, trolls, and call-out wars, from veteran video blogger and star of MTV's *Decoded* Francesca Ramsey. Francesca Ramsey didn't set out to be an activist. Or a comedian. Or a commentator on identity, race, and culture, really. But then her YouTube video *What White Girls Say . . .* to

Black Girls went viral. Twelve million views viral. Faced with an avalanche of media requests, fan letters, and hate mail, she had two choices: Jump in and make her voice heard or step back and let others frame the conversation. After a crash course in social justice and more than a few foot-in-mouth moments, she realized she had a unique talent and passion for breaking down injustice in America in ways that could make people listen and engage. In her first book, Ramsey uses her own experiences as an accidental activist to explore the many ways we communicate with each other--from the highs of bridging gaps and making connections to the many pitfalls that accompany talking about race, power, sexuality, and gender in an unpredictable public space...the internet. Well, that Escalated Quickly includes Ramsey's advice on dealing with internet trolls and low-key racists, confessions about being a former online hater herself, and her personal hits and misses in activist debates with everyone from bigoted Facebook friends and misguided relatives to mainstream celebrities and YouTube influencers. With sharp humor and her trademark candor, Ramsey shows readers we can have tough conversations that move the dialogue forward, rather than backward, if we just approach them in the right way.

100 Things to Do in Orange County Before You Die Robin Rockey, 2019-10-15
Orange County, California, is a dazzling seaside treasure chest overflowing with sparkling beaches, exciting outdoor activities, vibrant cities, a thriving art scene, world-class shopping and dining, and seemingly endless

sunshine. Maximize your time in this Pacific paradise and dodge the overhyped tourist traps with 100 Things to Do in Orange County Before You Die. Whether you're a first-time visitor seeking surf, sun, and sand, or a lifelong local craving a deep dive into the region's rich cultural history, this book will guide you to the best Orange County has to offer. Discover where to capture postcard-worthy photos, fill your shopping bags with dapper duds, and stuff your belly with out-of-this-world eats from incredible restaurants and under-the-radar rooftop bars. Escape to Laguna Beach's secluded coves, discover Disneyland originals that you won't find at any other park, chase waterfalls in Holy Jim Canyon, and learn where to raise a glass to Seal Beach's infamous Prohibition-era rum runners. Local author Robin Rockey brings an insider's eye and a SoCal spirit to this indispensable guide. Expertly crafted itineraries take the guesswork out of planning your day, so you can spend more time exploring or simply lounging by the beach. Your Orange County adventure starts now!

Tonight at 10 Courtney Friel, 2020

The Explorers Guild Kevin Costner, Jon Baird, 2015-10-20 Return to the golden age of adventure with this gorgeously wrought, action-packed, globetrotting tale that combines the bravura storytelling of Kipling with the irresistible, illustrative style of Hergé's Adventures of Tintin. Behind the staid public rooms of an old world gentlemen's club operates a more mysterious organization: The Explorers Guild, a clandestine group of adventurers who

bravely journey to those places in which light gives way to shadow and reason is usurped by myth. The secrets they seek are hidden in mountain ranges and lost in deserts, buried in the ocean floor and lodged deep in polar ice. The aim of The Explorers Guild: to discover the mysteries that lie beyond the boundaries of the known world. This beautifully produced combination graphic novel and adventure tale, set against the backdrop of World War I, concerns the Guild's quest to find the golden city of Buddhist myth. The search will take them from the Polar North to the Mongolian deserts, through the underground canals of Asia to deep inside the Himalayas, before the fabled city finally divulges its secrets and the globe-spanning journey plays out to its startling conclusion. "With its colorful cast, exotic locales, and intertwined fates, the book slowly addicts. A rousing throwback whose spinning plates never stop, even at the end," (Kirkus Reviews), The Explorers Guild is perfect for fans of the adventures of J.J. Abrams and C.S. Lewis.

Mostly Plants Tracy Pollan, Dana Pollan, Lori Pollan, Corky Pollan, 2019-04-16 New York Times and USA Today Bestseller Eat food, not too much, mostly plants. With these seven words, Michael Pollan—brother of Lori, Dana, and Tracy Pollan, and son of Corky—started a national conversation about how to eat for optimal health. Over a decade later, the idea of eating mostly plants has become ubiquitous. But what does choosing mostly plants look like in real life? For the Pollans, it means eating more of the things that nourish us, and less of the things that don't. It means cutting down on the amount of

animal protein we consume, rather than eliminating it completely, and focusing on vegetables as the building blocks of our meals. This approach to eating—also known as a flexitarian lifestyle—allows for flavor and pleasure as well as nutrition and sustainability. In *Mostly Plants*, readers will find inventive and unexpected ways to focus on cooking with vegetables—dishes such as Ratatouille Gratin with Chicken or Vegetarian Sausage; Crispy Kale and Potato Hash with Fried Eggs; Linguine with Spinach and Golden Garlic Breadcrumbs; and Roasted Tomato Soup with Gruyere Chickpea Croutons. Like any family, the Pollans each have different needs and priorities: two are vegetarian; several are cooking for a crowd every night. In *Mostly Plants*, readers will find recipes that satisfy all of these dietary needs, and can also be made vegan. And the best part: many of these dishes can be on the table in 35 minutes or less! With skillet-to-oven recipes, sheet pan suppers, one pot meals and more, this is real cooking for real life: meals that are wholesome, flavorful, and mostly plant based.

Best. State. Ever. Dave Barry, 2017-09-05 A New York Times bestseller—a brilliantly funny exploration of the Sunshine State from the man who knows it best: Pulitzer Prize winner Dave Barry. We never know what will happen next in Florida. We know only that, any minute now, something will. Every few months, Dave Barry gets a call from some media person wanting to know, “What the hell is wrong with Florida?” Somehow, the state's acquired an image as a subtropical festival of stupid, and as a loyal Floridian, Dave begs to

differ. Join him as he goes in hunt of the legendary Skunk Ape; hobnobs with the mermaids of Weeki Wachee Springs; and visits Cassadaga, the psychic capital of the world, to have his dog's aura read (apparently, she's very spiritual). Hitch a ride for the non-stop thrills of alligator-wrestling (the gators display the same fighting spirit as a Barcalounger), the hair-raising spectacle of a clothing-optional bar in Key West, and the manly manliness of the Machine Gun Experience in Miami. It's the most hilarious book yet from "the funniest damn writer in the whole country" (Carl Hiaasen, and he should know). By the end, you'll have to admit that whatever else you might think about Florida—you can never say it's boring.

Sissy Jacob Tobia, 2019-03-05 THE NATIONAL BESTSELLER Transformative ... If Tobia aspires to the ranks of comic memoirists like David Sedaris and Mindy Kaling, Sissy succeeds. --The New York Times Book Review A heart-wrenching, eye-opening, and giggle-inducing memoir about what it's like to grow up not sure if you're (a) a boy, (b) a girl, (c) something in between, or (d) all of the above. A beautiful book . . . honest and funny.--Trevor Noah, The Daily Show Sensational.--Tyler Oakley Jacob Tobia is a force. --Good Morning America A trans Nora Ephron . . . both honest and didactic. --OUT Magazine A rallying cry for anyone who's ever felt like they don't belong. --Woman's Day As a young child in North Carolina, Jacob Tobia wasn't the wrong gender, they just had too much of the stuff. Barbies? Yes. Playing with bugs? Absolutely. Getting muddy? Please. Princess dresses? You betcha. Jacob wanted it all, but

because they were a boy, they were told they could only have the masculine half. Acting feminine labelled them a sissy and brought social isolation. It took Jacob years to discover that being a sissy isn't something to be ashamed of. It's a source of pride. Following Jacob through bullying and beauty contests, from Duke University to the United Nations to the podiums of the Methodist church--not to mention the parlors of the White House--this unforgettable memoir contains multitudes. A deeply personal story of trauma and healing, a powerful reflection on gender and self-acceptance, and a hilarious guidebook for wearing tacky clip-on earrings in today's world, Sissy guarantees you'll never think about gender--both other people's and your own--the same way again.

The Girl in the Treehouse Jennifer Asbenson, 2018-10-23 Imagine ... growing up in an unfinished geodesic dome home with no heat or running water, wearing the same clothes to school every day, and eating breakfast cereal with warm goat milk. In this whimsical, poetic, and gripping autobiographical account, Jennifer Asbenson describes her abusive, dysfunctional, and chaotic upbringing, her abduction and escape from a serial killer, her years in and out of mental hospitals, her decision to heal herself, and ultimately, her path to wholeness. Jennifer tells how, from her youngest years, she learned to retreat into her imagination to develop the ability to survive. The Girl in the Treehouse is a profoundly compelling story, told with humor, honesty, and without self-pity, of Jennifer's emergence from mental illness and

despair to happiness, through the power of forgiveness and self-love.

Long Way Home Cameron Douglas, 2020-09-29 A “gripping memoir (Rolling Stone) of one man’s descent into the depths of addiction and self-destruction—and his successful renewal of family ties that had become almost irreparably frayed. On the surface, Cameron Douglas had everything: descended from Hollywood royalty (son of Michael Douglas, grandson of Kirk Douglas), he was born into a life of wealth, privilege, and comfort. But by the age of thirty, he had become a drug addict, a thief, and—after a DEA drug bust—a convicted drug dealer sentenced to five years in prison, with another five years added while he was incarcerated. Through supreme willpower, a belief in himself, and a steely desire to alter his life’s path, Douglas began to reverse his trajectory, to understand and deal with the psychological turmoil that tormented him for years, and to prepare for what would be a profoundly challenging but successful reentry into society at large.

Unsuccessful Thug Mike Epps, 2018-03-27 From Naptown to Tinseltown—legendary stand-up comedian and actor Mike Epps finally tells all in this outrageous, hilarious, no-holds-barred memoir. Before starring in Def Comedy Jam and Showtime at the Apollo—before the sold-out comedy shows, Uncle Buck, and becoming his hero Richard Pryor in a biopic—there was Indianapolis. And not the good part. Mike Epps is one of America’s favorite and funniest people, but the path to fame was paved with opportunities to mess it up. And mess it up he did. Growing up in “Naptown”—what people who live there really call

rough-around-the-edges Indianapolis—Epps found himself forced to hustle from an early age. Despite his mother's best efforts, and the love of his well-behaved brother, "Chaney," and his beloved sister, Julie, Epps was drawn to a life of crime, but as he quickly discovered, stealing and dealing didn't really fit his sweet sensibilities. Not to mention he wasn't very good at it—take, for example, the day he had to call the cops on himself when a dog wouldn't let him leave a house he was burgling. After several arrests and more than a few months in jail, Epps finally realized that he was an unsuccessful thug, and instead turned to the next most obvious career path: stand-up comedy. Heading first to New York, then all over the country, and finally to Hollywood, Mike Epps carved out a unique place in American comedy, combining hysterical tales of his family and friends with a mordant take on life in the Naptowns of America. Comedy saved Mike Epps, and here he reveals exactly how he finally grew up and got out, barely. And when describing how he survived when so many of his friends didn't, Epps makes clear what he's thankful for and sorry about. Unsuccessful Thug is about growing up black in America, facing down racism in Hollywood, and ultimately how it feels to fail at thugdom, pull yourself up by the bootstraps, and end up selling out arenas and starring in movies across the country.
