Guns Anne C. Cunningham,2017-07-15 Nowhere is the gun control debate more heated than in the United States. Gun control advocates argue for tighter restrictions on purchasing and licensing in the hopes of reducing incidents of shootings. Gun owners fear that their guns will be taken away, eliminating their ability to protect their families. Carrying a concealed handgun is legal in every state, and polls shows that the majority of Americans support conceal and carry. The viewpoints in this volume attempt to answer tough questions, such as "Do concealed handguns deter or increase crime?" and "Do the protections stipulated in the Second Amendment cover today's gun owners?"

*The Genesis of Reno* Jack Harpster,2016-09-13 Over 157 years ago—before there was a Reno, Nevada; before there was a state of Nevada; and even before there was a Nevada Territory—there was a bridge over the Truckee River at a narrow, deeply rutted cattle and wagon trail that would one day become Virginia Street. There was also a small rustic inn and tavern occupying a plot of ground at the southern end of the log-and-timber bridge, catering to thirsty cowboys, drovers, and miners. The inn and the bridge were the first two structures in what would one day be a bustling metropolitan area, and to this day they still form the nucleus of the city. The Genesis of Reno traces their history up to the present day. The 111 year-old concrete bridge that was replaced in 2016 by a magnificent new structure was honored for its longevity and unique character with placement on the National Register of Historic Places in 1980.
