

Kurdistan Guide

Geoff Hann

Kurds Mehrdad Izady, 2015-06-03 First Published in 1993. Since before the dawn of recorded history the mountainous lands of the northern Middle East have been home to a distinct people whose cultural tradition is one of the most authentic and original in the world. Some vestiges of Kurdish life and culture can actually be traced back to burial rituals practiced over 50,000 years ago by people inhabiting the Shanidar Caves near Arbil in central Kurdistan. In this book, the author has tried to identify and delineate the heritage of the Kurds, now thoroughly submerged in the accepted and standard models for subdividing Middle Eastern civilization, none of which is designed to accommodate the stateless Kurds.

Kurdistan Tour Guide Douglas Layton, 2015

Iraq Geoff Hann, Karen Dabrowska, Tina Townsend-Greaves, 2015-08-07 Iraq is a country with a rich culture. Ancient sites such as Babylon and Ur, the stunning architecture of the country's mosques, the natural beauty and wildlife of the Marshes and beautiful Iraqi handicrafts create a myriad of attractions to inspire even the most seasoned traveler. This brand-new edition of Iraq gives up-to-date travel information and also informs the armchair traveler about the history and exciting archaeological prospects of this ancient land. The authors, Geoff Hann and Karen Dabrowska, bring their considerable knowledge and understanding of Iraq to provide all the practical and background information needed to explore this country and to get the most

out of your trip: advice on cultural awareness and religious sensitivity in the context of Iraqi history, along with in-depth coverage of what to see and where to go make this an invaluable guide.

Doing Business and Investing in Kurdistan Guide Volume 1 Strategic, Practical Information and Opportunities IBP, Inc.,2009-03-20 2011 Updated Reprint. Updated Annually. Doing Business and Investing in Kurdistan Guide

Routledge Handbook on the Kurds Michael M. Gunter,2018-08-06 With an estimated population of over 30 million, the Kurds are the largest stateless nation in the world. They are becoming increasingly important within regional and international geopolitics, particularly since the 2003 invasion of Iraq, the Arab Spring and the war in Syria. This multidisciplinary Handbook provides a definitive overview of a range of themes within Kurdish studies. Topics covered include: Kurdish studies in the United States and Europe Early Kurdish history Kurdish culture, literature and cinema Economic dimensions Religion Geography and travel Kurdish women The Kurdish situation in Turkey, Iraq, Syria and Iran The Kurdish diaspora. With a wide range of contributions from many leading academic experts, this Handbook will be a vital resource for students and scholars of Kurdish studies and Middle Eastern studies.

Iraq Then and Now Karen Dabrowska,Geoff Hann,2008 Unlike other publications since the downfall of Saddam's regime, Iraq: Then & Now traces the history of the country from ancient times until the present. Supplementary boxes, many written by Iraqis themselves, reflect on life today as compared with life in

Saddam's Iraq and even earlier, describing their experiences, hopes, fears, ambitions and visions for the future. The book self-consciously avoids making any judgement on the political debate surrounding the 2003 war and subsequent occupation; instead it presents the varying views, and offers a rounded, balanced picture. Published to coincide with the fifth anniversary of the change, this guide to the country and its people, provides information on Iraq's culture and archaeology, the south, Baghdad and the Sunni Triangle. The northern region of Iraqi Kurdistan stands apart as a success story and the travel appendix provides essential information for the increasing numbers of visitors to this region.

Kurdistan Business Law Handbook Volume 1 Strategic Information and Basic Laws IBP, Inc.,2016-10-07 Kurdistan Business Law Handbook - Strategic Information and Basic Laws

The A to Z of the Kurds Michael M. Gunter,2009-06-22 The A to Z of the Kurds covers the largest nation on Earth that does not have its own

independent state. Scholars, government officials who are dealing with the Middle East and the Kurds, the news media, as well as the general reader will find this an accessible historical account about a people who are becoming increasingly important for the future of the geostrategic Middle East. Maps, a chronology of Kurdish history, an introductory essay on the Kurds, a dictionary containing several hundred entries on various aspects of the Kurdish experience, and an extensive bibliography comprise this volume.
