Fashioned to Reign Kris Vallotton, 2013-08-15 It's Time for a Revolution In the Garden, woman was taken out of man to stand by his side and co-reign with him. But Satan's schemes have robbed women of their rightful identity, disempowering and defacing them. The world aches for God's original partnership to be brought into balance once more--and it can be. Join Kris Vallotton for an extraordinary journey of eye-opening insight, including • God's true plan and purpose for women • Jesus' radical teachings and care for women • men's important role in restoring women • the true meaning of difficult Bible passages about women • examples of women in leadership as God intended God fashioned women to reign alongside men. Jesus set women free to be beautiful and powerful. It's time for us, as daughters and sons of the King, to rule together in glory again. Will you join the revolution? We have failed to realize that Jesus founded the women's liberation movement more than two thousand years ago. Isn't it high time His Church led the revolution?--Kris Vallotton Off the charts. Worthy to be read and studied by all. You won't be able to put it down.--Patricia King, founder, XP Ministries Read, weigh and embrace the spirit, truth and heartbeat of this book. This

biblical approach rightly addresses unright arguments of strained interpretations. Such balance and beauty make sense and offer wisdom. I say, 'Amen!'--Pastor Jack Hayford, chancellor, The King's University, Dallas/Los Angeles This profound work is a must-read for men and women alike; it has the potential to instill courage in the hearts of men and give women permission to dream again.--Bill Johnson, senior leader, Bethel Church, Redding, California; author, The Essential Guide to Healing and When Heaven Invades Earth Finally, a biblical perspective that encourages women to remain themselves and still take their God-given places of leadership.--Stacey Campbell, author, Praying the Bible; co-founding pastor, New Life Church, Kelowna, British Columbia This compelling work will elevate your awareness, challenge some presuppositions and invite you to grow in the grace of the Lord Jesus.--Dr. Mark J. Chironna, Church On The Living Edge, Mark Chironna Ministries, Orlando, Florida This must-read will empower you to regain your identity that Satan stole and live the life God created you to live.--Cynthia Brazelton, pastor, Victory Christian Ministries International I deeply enjoyed diving into the Bible with Kris as my guide to find out what God really says about men and women. It has enhanced my understanding of who I am as a woman and inspires me to

instill that in the young women around me. This book is about truth and therefore would be great written by anyone. However, I realized that the fact that it was written by a man, and it is a man calling me into my divine design, brought a deeper level of healing than I'd anticipated and sent me on a journey digging deeper into God's heart. I recommend it for all! --Revival Magazine

Fashioned to Reign considers the everlasting deception Christians face regarding women's role and purpose: a deception fostered by evil and which is not of God's plan. The disempowerment of women was the devil's idea - and God's true plan for women is very different. Woman was, in fact, designed to stand by man's side and reign with him, not under him - and Fashioned to Reign covers God's ultimate intention for women. Packed with scripture and information throughout, Fashioned to Reign is a powerful analysis perfect for any Christian collection. --Midwest Book Review

Spiritual Intelligence Kris Vallotton, 2020-10-20 Two quotients analyze our minds and emotions: I.Q. and E.Q. But Kris Vallotton believes we are ignoring a deeper dimension--spiritual intelligence. Because believers have the mind of Christ through the Holy Spirit, we have the capacity for brilliance. God invites us to embark on a journey of discovery as he reveals mysteries and helps us bring

our perspective in line with his--transforming our understanding and endowing us with spiritual intelligence. In this eye-opening new release, pastor and bestselling author Kris Vallotton says that God invites us to think like him. He answers questions such as · What are the five dimensions of spiritual intelligence? · How can I build new neural pathways to supernatural thinking? · How do I recognize my sphere of influence and the borders of my divine assignment? · And much more! As you listen to the Holy Spirit and realize what it means to have the mind of Christ, you have the capacity for life-transforming spiritual intelligence unavailable in any other way.

The Good, the God and the Ugly Kathy Vallotton, 2021-04-06 At just twelve years of age, Kathy met Kris, age fifteen, and it was love at first sight. Before her lay the journey of engagement and marriage to a man who would become an influential leader at Bethel Church; raising children while being part of one of the most influential Spirit-filled networks on the globe; and her own involvement in leadership--sparking a movement with her husband that has impacted much of the world. In this unfiltered, messy, and exciting narrative, Bethel Church matriarch Kathy Vallotton traces her life with Kris as she recounts their early married life, his heart-

wrenching nervous breakdown, troubling financial setbacks, the jarring experience of living with a prophet, learning to develop a healthy kingdom culture at home--and how she grew to trust God in the midst of it all.

Spirit Wars Kris Vallotton, 2012-01-01 You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward.--Bill Johnson, author,

Poverty, Riches and Wealth Kris Vallotton, 2018-04-03

Overcoming the Never-Enough Mentality to Experience True Kingdom Abundance Prosperity. It's one of the most dividing words in the church. Some pastors use it to tell their congregations that God will make them all rich, rich, rich! Others spurn the word and insist that true Christlikeness is found in forsaking all worldly riches and possessions. The truth is, both are right--and both are wrong. With refreshing honesty, humor, and keen insight, bestselling author and pastor Kris Vallotton mines the Scriptures in an eye-opening study of what the Bible really says about money, poverty, riches, and wealth. And what he finds is sure to shake up what you thought you knew--including these surprising truths: · Jesus was not poor and homeless · Heaven is described in the language of wealth · Poverty is a mindset that holds us back from true wealth · You determine your wealth based on how much, and how well, you love yourself · God wants all his children to be wealthy, though not everyone should be rich Kingdom prosperity begins from the inside out. When you learn to cultivate a mindset of abundance, no matter your circumstances, you will begin to experience the wealth of

heaven in every area of your life.

Destined to Win Kris Vallotton, 2017-01-03 Pastor and cofounder of the Bethel School of Ministry Kris Vallotton walks Christians through the profound process of discovering their true identity and experiencing the wonder of their kingdom purposes. Christians are often told that they were born with a purpose that reaches beyond their human strivings, but most are not sure how to break past the daily struggles holding them back, much less how to fully step into their callings. As a pastor and the cofounder of the Bethel School of Ministry, Kris Vallotton has been teaching Christians all over the world how to walk in wholeness and purpose for more than seventeen years. In *Destined to Win*, he passes on the lessons that will help readers discover who they really are, overcome destructive behaviors, and become equipped for their kingdom purposes. Confronting the challenges that limit Christians—such as living shackled by past pain, fear, and unforgiveness—Vallotton offers practical solutions to the often-complex problems that undermine their destinies and derail their purposes. With personal stories and biblical teaching, *Destined to Win* combines practical wisdom and profound revelation to unlock the latent potential present in each person.

School of the Prophets Kris Vallotton, 2014-12-30 The

Essential Guide for Prophets Mining from years on the frontlines of prophetic ministry, and overseeing the internationally renowned Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling and controversial topics today: the office of prophet. In this definitive guide, Kris offers often-neglected foundational teaching and provides critical advanced training, including how to · discern your calling and grow in your gift · define your divinely appointed sphere of influence and depth of authority · recognize the six different types of prophets--and how to deal with false ones · navigate potential relational difficulties as you step into your gifting · understand the complex ways God communicates · prepare for the common, but dangerous, spiritual attacks prophets face Vallotton offers a balanced view of not only what modern-day prophets are, but also what they are not. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model

these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint.--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry.--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor.

Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic.--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you.--Heidi Baker, Ph.D.; co-founder and director, Iris Global As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation.--Bob Hazlett, author, *The Roar: God's Sound in a Raging World; Future Perspectives*, New Haven, Connecticut

Moral Revolution Kris Vallotton,Jason Vallotton,2012-12-04
Sex. Purity. Virginity. Love. Moral Revolution seeks to inspire a culture of love, honor and respect with people who walk in purity, passion and power. This intimate and honest book addresses the root causes of purity issues rather than merely communicating to the masses to abstain from having sex. It will call you to a higher standard of living, imparting value for your heart and encouraging you to walk in all God has created you to be. Many who have given in to the power of peer pressure and the lure of distorted cultural values will find hope and courage to start over again. Moral Revolution is written for radical and passionate people who dream of being catalysts to a different kind of sexual revolution--one that

transforms the way the world views sexuality, defines the unborn and embraces the family. Join the Moral Revolution!

Reckless Christianity Holly Pivec, R. Douglas

Geivett, 2023-12-21 Bethel Church in Redding, California, is one of the most popular and polarizing churches in America. Home to the award-winning Bethel Music label, its songs are among the most used in churches. Thousands of people visit the church each year, drawn by reports of miraculous healings, the manifestation of a glittering Glory Cloud, and other miracles. They're convinced that the church is at the forefront of an end-time movement that is restoring miraculous power to the church-at-large and "bringing heaven to earth." Yet others are concerned that Bethel has left the boundaries of Scripture and brought its followers into a dangerously speculative and experience-driven faith. They say that, in the name of training miracle workers, Bethel has introduced hazardous, perhaps even occultic, practices into the church. This has resulted in chaos, confusion, and damaged lives. In this book we examine the controversial teachings of the "Bethel Church Movement," as it is called, which has transformed modern Christian practice, culture, and worship. We show its place in the broader New Apostolic Reformation, a worldwide movement of

“apostles” and “prophets” intent on reconstructing the mission and the message of the Christian church.

This Too Shall Last K.J. Ramsey, 2020-05-12 This book is not a before-and-after story. Our culture treats suffering like a problem to fix, a blight to hide, or the sad start of a transformation story. We silently, secretly wither under the pressure of living as though suffering is a predicament we can avoid or annihilate by working hard enough or having enough faith. When your prayers for healing haven't been answered, the fog of depression isn't lifting, your marriage is ending in divorce, or grief won't go away, it's easy to feel you've failed God and, worse, he's failed you. If God loves us, why does he allow us to hurt? Over a decade ago chronic illness plunged therapist and writer K.J. Ramsey straight into this paradox. Before her illness, faith made sense. But when pain came and never left, K.J. had to find a way across the widening canyon that seemed to separate God's goodness from her excruciating circumstances. She wanted to conquer suffering. Instead, she encountered the God who chose it. She wanted to make pain past-tense. Instead, God invited her into a bigger story. **This Too Shall Last** offers an antidote to our cultural idolatry of effort and ease. Through personal story and insights from neuroscience and

theology, Ramsey invites us to let our tears become lenses of the wonder that before God ever rescues us, he stands in solidarity with us. We are all mid-story in circumstances we did not choose, wondering when our hard things will end and where grace will come if they don't. We don't need to make suffering a before-and-after story. Together we can encounter the grace that enters the middle of our stories, where living with suffering that lingers means receiving God's presence that lasts.

Freedom Soup Tami Charles, 2021-02-23 “A Haitian grandmother and granddaughter share a holiday, a family recipe, and a story of freedom. . . . A stunning and necessary historical picture book.” —Kirkus Reviews (starred review) The shake-shake of maracas vibrates down to my toes. Ti Gran's feet tap-tap to the rhythm. Every year, Haitians all over the world ring in the new year by eating a special soup, a tradition dating back to the Haitian Revolution. This year, Ti Gran is teaching Belle how to make Freedom Soup just like she was taught when she was a little girl. Together, they dance and clap as they prepare the holiday feast, and Ti Gran tells Belle about the history of the soup, the history of Belle's family, and the history of Haiti, where Belle's family is from. In this celebration of cultural traditions passed from one generation

to the next, Jacqueline Alcántara's lush illustrations bring to life both Belle's story and the story of the Haitian Revolution. Tami Charles's lyrical text, as accessible as it is sensory, makes for a tale that readers will enjoy to the last drop.
