Hindi Teacher For English Speaking People Ratnakar Narale,2009-01-01 Hindi is one of the world's main language, with over 650 million speakers in India, and millions more on every continent. There are man primers that teach children who can already speak Hindi-how to read and write their language. As the title Hindi Teacher for English Speaking People suggests, Dr. Ratnakar Narale has written this book with a different audience in mind: English speakers of all ages who want to learn Hindi from scratch. This audience includes many kinds of people: the inhabitants of non-Hindi-speaking parts of India; Canadians, Americans, and West Indians whose ancestors came from India, but whose first languages is English. This logically arranged book is filled with virtually thousands of examples, and each dialogue is designed with the view of its practical value for the targeted people. Along the way, hundreds of new words and the frequent exercises let he student learn to speak and write Hindi sentences almost without much effort. This practical 'Teach Yourself' manual closes with exercises in correcting faulty sentences, reading dialogues, telling the time, and writing letters. There are also useful lists of proverbs, synonyms and antonyms, and so on. Dr. Narale has been careful to draw most of the examples from words and concepts that are familiar to Westerners. This emphasizes that Hindi is a world language, and not merely an Indian one. Truly practical, compre-hensive and easy to understand reference manual for classroom study to learn Hindi.

Hindi Made Easy - Lower Beginner - Part 1 of 2 - Series 1 of 3
Lingo Wave, 2019-06-01 We broke our new series on learning Hindi down into different learning stages. Start with the “Lower Beginner” books followed by the “Beginner” and “Upper Beginner” books. Next, progress to the “Intermediate” series, then test and reinforce your knowledge with the “Conversations” series. Our experienced educators and speakers possess the linguistic skills to help you understand and speak Hindi clearly. We are very proud to have developed a product that truly helps you learn Hindi quickly and easily, anytime and anywhere. This audiobook is divided into units. While it provides different learning patterns and accommodates various needs, this audiobook focuses on helping you improve your ability to understand, speak, and memorise Hindi. The sample will give you a taste of what you can look forward to. In Unit 1 you will hear Hindi decoded with each syllable spoken very slowly and clearly with repetition. Immediately before each sentence is spoken, you will hear the translation, so you will always understand what is being said. Unit 2 focuses solely on increasing your listening ability, which will improve your abilities to engage in dialogue with a native Hindi speaker. This chapter requires you to listen very carefully to nuances in the language. By Unit 3 you will already notice progress in your abilities to speak and understand Hindi. The spoken translation is followed by two repetitions in Hindi at a completely natural speed. While you are learning to process naturally spoken Hindi, Units 3 and 4 will help

you memorise new vocabulary and full sentences. In Unit 5 you can test yourself on how much you have learned. If you are having difficulties, we suggest you revisit the listening, speaking, or memorisation section of Units 1, 2 3 or 4, according to what you need more help with. We developed our audiobooks to enable you to learn without an eBook. This gives you the opportunity to advance your Hindi language skills anywhere whether you're on the go or waiting around. As the audiobook is neatly arranged into many sub-units, it is also very practical for educators to navigate and use in classrooms or any time sensitive learning environment. Topics covered in this 2 part series: Part 1: - Greetings - Asking personal information - Asking about people or things - Talking about food - Talking about the current time and date Part 2: - Talking about the location of things - Describing things - Likes and dislikes - Talking about abilities - Talking about appearance - Talking about personality - Talking about the weather - Talking about the house (rooms and furniture)

audio is the key to Lingo Jump's language-learning methodology. Through repetition of clearly pronounced words and phrases at a tempo that's easy to follow, you'll not only find it easier to understand and speak Hindi, you'll also improve your memory, boost your listening skills, and pick up the correct accent. Our speakers follow a specific speech pattern throughout the audiobook, making phrases predictable, and helping you understand words and phrases through context. We keep you solely focused on the language, without any distracting background music.

Talk Like a Local We know that not everyone speaks in the same way. Dialects, tempos, and accents can vary among a country's regions, and even among quarters within a city. So when you start, you'll hear our audiobook narrators using different intonations of repeated phrases, slowing them down, speeding them up, and placing emphasis on different parts of the phrases. This helps accelerate your ability to understand and speak the language naturally.

Fast, Effortless, and Fun! Lingo Jump's unique parallel audio language learning system combines repetition, different speeds, and predictable speech patterns. Simply listening to the repeated phrases helps you pick up languages by instinct, preparing your brain for a language's repeated patterns. It's like we're throwing a ball to you in the same way over and over so that soon you can catch it without thinking about it.

Perfect for All Levels Lingo Jump is ideal to get beginners speaking a Hindi almost immediately. The parallel audio system also helps intermediate and advanced speakers achieve fluency in a new language. As you progress, the parallel audio system has you repeat phrases at their natural tempo, removing the slower versions. You can put your newly acquired listening and comprehension skills to the test in the final chapters, where you'll listen to the phrases without any parallel audio. This motivating feature helps you track your improvement, and gets you speaking Hindi with confidence.

Swift Self-improvement We've designed the first two chapters so that they offer easy immersion. Our speakers

break down each word into their distinct syllables and speak slowly. This helps you catch every nuance of the language, making it easier for you to improve your listening and speaking skills all by yourself. Learn Anywhere We've specifically developed our language courses for audio learning, so you can complete other tasks while learning Hindi. You can learn while you are running, working out, walking, driving, or even when you are doing chores. Our parallel audio learning system teaches you wherever you are, without requiring a reference manual.
