The 99th Koala Kailas Wild,2020-11-01 After bushfires devastated Kangaroo Island's koala population, Kailas Wild went to help. This is the inspiring and sometimes confronting story of what happened next. An arborist by trade and conservationist at heart, when Kai heard that some of the injured koalas could only be reached by a tree climber, he drove 1500 kilometres to volunteer. Seven weeks later, he had participated in the rescue of over 100 koalas, become an international social media sensation and formed a special bond with a baby koala – Joey Kai. In words and pictures, The 99th Koala shares Kai's experience and introduces us to some of the koalas of Kangaroo Island. Sometimes tragic, sometimes hopeful, above all Kai's story commemorates our unique wildlife, and demonstrates the power of one person trying to make a difference. 'At a time when many people have felt helpless to act against the immensity of the fires or the threat of climate change, Kai's daily descriptions and videos of saving helpless animals have been a welcome dose of personal courage and deep humanity.' ABC 'In words and photos that are impossible to look away from, Kai introduces some of the koalas on Kangaroo Island, painting a powerful picture of Australia's unique wildlife ... a gripping reminder of a summer that feels like it's in our country's distant memory.' Mamamia 'Harrowing, touching and uplifting.' The Courier Mail 'The 99th Koala is a plea for wildlife, it's a tribute to the volunteers who strive to save animals and rehabilitate them. It's an emotional rollercoaster that shows the devastation and damage ... but it's a tale of love and dedication.' Good Reading

Wired for Love Stan Tatkin,2012-01-02 What the heck is my partner thinking? is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a warring brain mentality and toward a more cooperative loving brain understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

Tiny Love Stories Daniel Jones,Miya Lee,2020-12-08 "Charming. . . . A moving testament to the diversity and depths of love." –Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

This Modern Love Will Darbyshire,2016-08-16 In the tradition of *Post Secret* and *Other People's Love Letters*, a crowdsourced compilation of letters, stories, and art work about the modern state of love and relationships, edited by rising filmmaker and beloved YouTube vlogger Will Darbyshire. "What would you say to your ex, without judgment?" This is the question filmmaker and vlogger Will Darbyshire posed to hundreds of thousands of his closest friends on YouTube. Seeking closure after a tough break-up, Will was driven to strike up an intimate conversation with his online audience, and to get at the heart of one of life's unknowable yet universal mysteries: love. Over a period of six months, Will posed a series of questions to his audience and asked them to reveal their innermost feelings about their own romantic experiences in the form of hand-written letters, poems, photographs, and emails. The result is a curated collection of responses that are, at turns, funny, dark, confessional, awkward, comforting, and uplifting. This *Modern Love* is a compelling portrait of individual desires, fantasies, resentments, and fears that reminds us that, whether we're in or out of love, we're not alone.

Rules for Being a Girl Candace Bushnell,Katie Cotugno,2020-04-16 From Katie Cotugno and author of *Sex and the City* Candace Bushnell comes this fierce and feisty exploration of feminism: standing up, speaking out and rewriting the rules. Don't be easy. Don't give it up. Don't be a prude. Don't be cold. Don't put him in the friendzone. Don't act desperate. Don't let things go too far. Don't give him the wrong idea. Don't blame him for trying. Don't walk alone at night. But calm down! Don't worry so much. Smile! Marin is a smart, driven, popular girl – she's headed for Brown when she graduates and has a brilliant career as a journalist ahead of her. Especially in the eyes of English teacher Mr Beckett. He spends a lot of time around Marin, and she thinks it's harmless . . . until he kisses her. No one believes Marin when she tells them what happened, so she does the only thing she can: she writes an article called 'Rules for Being a Girl' for the school paper to point out the misogyny and sexism that girls face every day. As things heat up at school and in her personal life, Marin must figure out how to take back the power and rewrite her own rules.

Divorced Girl Smiling Jackie Pilossoph,2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Ugly Love Colleen Hoover,2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Wallis in Love Andrew Morton, 2018-02-13 A NEW YORK TIMES BESTSELLER. Sunday Times bestselling author Andrew Morton reveals new information and sources that totally transform our perception of Wallis Simpson. Wallis in Love brings a fascinating new perspective on the 20th century's most controversial royal scandal. Andrew Morton's impeccable research and unerring skill for riveting storytelling combine to present a strong case for a new and startling reveal: that the woman who rocked the world with her uncompromising passion for the Prince of Wales may have fooled everyone by keeping the object of her true passion hidden away... From her relatively lowly beginnings in America - where young Wallis and her mother were dependent on her domineering and powerful Uncle Sol, to her rise through the social ranks and her determination to one day beat men at their own game - to the ultimate conquest of the Prince of Wales, Morton paints a vivid and multi-faceted picture of a compelling, ambitious and often hard-hearted woman, who may have won the jewel in the British crown but very possibly at the expense of her true happiness. Wallis in Love reveals the men Wallis truly loved, the men who broke her heart - and the hearts she broke in turn. In this vivid, fresh and frankly amazing portrait of the Duchess of Windsor, Morton draws on interviews, secret letters, diaries and never before seen or heard primary sources. From the day she was born in a ramshackle cottage in the hills to revealing what really happened the night her husband died, Morton paints a fresh and enticing portrait of the Duchess of Windsor.
