Vida y música de Alejandro Marcovich Alejandro Marcovich, 2018-10-19 Un libro valiente y apasionado, de una sinceridad kamikaze. Marcovich se somete a una operación de cráneo abierto y escribe del mismo modo: sus ideas surgen de sus heridas. Cada página es un solo de guitarra eléctrica Juan Villoro En estas memorias, Alejandro Marcovich nos muestra el largo andar que lo ha llevado desde su niñez en Buenos Aires, el mágico encuentro con la guitarra como forma de expresión ante un mundo frío y muchas veces desolador, su traslado a México, los años de juventud y exploración creativa, su carrera meteórica en la ya legendaria banda Caifanes y más... hasta ser el reconocido artista y productor de música que hoy en día es. En estas páginas la leyenda se desnuda y se muestra sin velos: un individuo que pasó largas horas de estudio y práctica guiado por una coronada, que luchó y franqueó agonías para cumplir el sueño de la creación musical. Edición corregida y revisada por el autor.

Contemporary Latina/o Media Arlene M. Dávila, Yeid M. Rivero, 2014 The cultural politics creating and consuming Latina/o mass media. Just ten years ago, discussions of Latina/o media could be safely reduced to a handful of TV channels, dominated by Univision and Telemundo. Today, dramatic changes in the global political economy have resulted in an unprecedented rise in major new media ventures for Latinos as everyone seems to want a piece of the Latina/o media market. While current scholarship on Latina/o media have mostly revolved around important issues of representation and stereotypes, this approach does not provide the entire story. In Contemporary Latina/o Media, Arlene Dávila and Yeid M. Rivero bring together an impressive range of leading scholars to move beyond analyses of media representations, going behind the scenes to explore issues of production, circulation, consumption, and political economy that affect Latina/o mass media. Working across the disciplines of Latina/o media, cultural studies, and communication, the contributors examine how Latinos are being affected both by the continued Latin Americanization of genres, products, and audiences, as well as by the whitewashing of mainstream Hollywood media where Latinos have been consistently bypassed. While focusing on Spanish-language television and radio, the essays also touch on the state of Latinos in prime-time television and in digital and alternative media. Using a transnational approach, the volume as a whole explores the ownership, importation, and circulation of talent and content from Latin America, placing the dynamics of the global political economy and cultural politics in the foreground of contemporary analysis of Latina/o media.

May It Fill Your Soul Timothy Rice, 1994-07-13 In this vivid musical ethnography, Timothy Rice documents and interprets the history of folk music, song, and dance in Bulgaria over a seventy-year period of dramatic change. From 1920 to 1989, Bulgaria changed from a nearly medieval village society to a Stalinist planned industrial economy to a chaotic mix of capitalist and socialist markets and cultures. In the context of this history, Rice brings Bulgarian folk music to life by focusing on the biography of the Varimezov family, including the musician Kostadin and his wife Todora, a singer. Combining interviews with his own experiences of learning how to play, sing and dance Bulgarian folk music, Rice presents one of the most detailed accounts of traditional, aural learning processes in the ethnomusicological literature. Using a combination of traditionally dichotomous musicological and ethnographic approaches, Rice tells the story of how individual musicians learned their tradition, how they lived it during the pre-Communist era of family farming, how the tradition changed with industrialization brought under Communism, and finally, how it flourished and evolved in the recent, unstable political climate. This work—complete with a compact disc and numerous illustrations and musical examples—contributes not only to ethnomusicological theory and method, but also to our understanding of Slavic folklore, Eastern European anthropology, and cultural processes in Socialist states.

That Winter Pamela Gillilan, 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

And it may surprise you to realize that this is really good news. Why is it good news? Because the reason you are constantly creating difficulties for yourself is that you don't know how you are doing it or why. In *The Easiest Way to Live*, you will find the keys to becoming your true self, being in harmony with life and pure in heart, which is a state of essential clarity. You will find that no problems exist outside of you, and since they are inside of you, you have the ability to take 100% responsibility for them and neutralize them. These truths and techniques are ancient secrets of Ho oponopono. They are as relevant and applicable today as they were centuries ago. Knowing and applying them is, truly, the easiest way to live a joyful, abundant, and eminently fulfilling life.

Kimuak Ainhoa Fernandez de Arroyabe,Nekane E. Zubiaur Gorozika,Nekane Zubiaur,Iñaki Lazkano Arrillaga,Inaki Lazkano,2018-11-30 Kimuak is a public initiative sponsored by the Department of Culture of the Basque Government for the diffusion and promotion of Basque short films. The first buds that started to germinate in 1998 have grown significantly. The term short film refers not to a cinematic genre but merely to the length of a product that may be filled with any kind of content, provided its duration does not exceed one hour. The significance of the short film today lies precisely in the fact that its duration is increasingly becoming an aesthetic parameter to deal with consciously, rather than a constraint imposed by budgetary limitations. In sum, the short film is not a long film cut down, nor is it a crutch for filmmakers in training.

Modeling the Effects of a Mountain Pine Beetle Outbreak and Potential Management Responses in Alberta's Eastern Slopes Richard Roland Schneider,2009 We used a simulation model and two management scenarios to investigate possible effects of a severe mountain pine beetle (*Dendroctonus ponderosae* Hopkins) epidemic in Alberta, Canada. Our simulated outbreak was based on the current epidemic in British Columbia, which may kill close to 80% of the province's pine volume. Our two management scenarios were conventional harvest and a pine-reduction strategy modeled on a component of Alberta's Mountain Pine Beetle Management Strategy. The pine strategy seeks to reduce the number of susceptible pine stands by 75% over the next 20 years through targeted harvesting by the forest industry. Our simulations showed that the pine strategy could not be effectively implemented, even if the beetle outbreak was delayed for 20 years. Even though we increased mill capacity by 20% and directed all harvesting to high volume pine stands during the pine strategy's surge cut, the amount of highly susceptible pine was reduced by only 43%. Additional pine volume remained within mixed stands that were not targeted by the pine strategy. When the outbreak occurred in each scenario, sufficient pine remained on the landscape for the beetle to cause the timber supply to collapse. Alternative management approaches and avenues for future research are discussed.

Spy in the House of Anaïs Nin Kim Krizan,2019-08 Nin's importance as a feminist and visionary is finally revealed. Based on a new examination of long-buried letters, papers, and original manuscripts held at UCLA and found in Nin's Los Angeles home, *Spy in the House of Anais Nin* takes a penetrating look at Nin's incredible life and famous diary. Firmly placing Nin in her historical context as a feminist and visionary, this collection of essays lifts the lid on the origins of Nin's secrets and lies, gives voice to her husband via an unpublished letter, reveals Nin's real politics, and discloses the truth of Gore Vidal's feelings for Nin via an unearthed love letter from Vidal to Nin. With this book, author Kim Krizan serves as the ultimate spy, conducting deep background on Anais Nin -- the notorious, rule-shattering diarist who was the self-proclaimed spy in the house of love.
