The Steamer Andy Furillo,2016-05-31 For nearly sixty years, Bud Furillo wrote and talked about sports in Southern California. For fifteen of those years, he authored a popular column for the Los Angeles Herald Examiner called The Steam Room, which gave him the nickname that lasted him for the rest of his life: “the Steamer.” As a reporter, columnist, editor, and pioneer of sports talk radio, the Steamer dished out insight and understanding to Southern California sports fans while Los Angeles grew into a sports empire. On his watch, L.A. acquired the Rams from Cleveland, the Dodgers from Brooklyn, and the Lakers from Minneapolis. He covered them all while they won championships for the city. In The Steamer: Bud Furillo and the Golden Age of L.A. Sports, Furillo’s son, Andy, himself a longtime newspaperman, uses his father’s lens to give focus to the city’s rise as a sports empire. The Steamer is a history of a great sports town at its most dynamic, told from the point of view of a legendary reporter who used his phenomenal access to reveal the inside story of the greatest athletes and teams to ever play in Los Angeles.

Summary of Jeff Pearlman's Showtime Everest Media,2022-03-21T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Jack Kent Cooke was the owner of the Los Angeles Lakers, and he was a snarling bully behind closed doors. However, he was a financial genius when it came to buying struggling radio stations and magazines, and turning them around and selling them for large profits. #2 In 1966, the Los Angeles Lakers played in the Los Angeles Sports Arena, a seven-year-old facility located near the University of Southern California’s downtown campus. The only other professional organization to regularly use the building was the Los Angeles Blades, a minor league hockey team. In 1967, the Kings made their NHL debut, sharing the Forum with the Lakers. #3 By the mid- to late 1970s, Cooke was, arguably, the most powerful man in professional sports. He also, secretly, wanted out. In 1977, the City News Service published a piece that revealed Cooke may have to sell some of his interests to meet a community property challenge by his recently divorced wife. #4 The owner of the Los Angeles Strings, Jerry Buss, was asked to move his team to the Los Angeles Memorial Sports Arena by Claire Rothman. He agreed, and the two began speaking semiregularly. They were an odd couple, with Buss wearing denim jeans and a rumpled western shirt unbuttoned from the chest up.

Coach Wooden and Me Kareem Abdul-Jabbar,2017-05-16 Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In Coach Wooden and Me, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. Coach Wooden and Me is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous Pyramid of Success; to learning to cope with the ugly racism that confronted black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the warmth and erudition of a grateful student who has learned his lessons well, Coach Wooden and Me is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship. Palestra Pandemonium Robert S. Lyons,2002 The most famous basketball tournament in the history of college basketball is the Big Five. And the Big Five was played in the most hallowed halls of college play: the Palestra. Now, for the first time, a complete story of this Philadelphia rivalry is revealed. Conducting interviews with coaches and players—including famed Temple coach Harry Litwack's last interview before his death—Lyons offers the play-by-play on the how the Big Five became an institution, and how it was ultimately undone by college basketball's own success.
