Ultimate Questions John Blanchard, 2010-09-30 Health, finance, family, the future - life is full of questions. There are deeper questions, too. Who am I Why am I here? Where am I going? Does life have any purpose? But the ultimate questions are about God. Does he exist? What is he like? Can I know him and experience his power in my life? And if so, how? This booklet tackles these vital questions head-on - and answers them simply, clearly and directly. Read it carefully. It could change your life - for ever.

The Case for Easter Lee Strobel, 2004 Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.

The Three are One Stuart Olyott,1979 To deny that Jesus Christ is God is to deny a fundamental truth of the Bible. Yet it is at this point that many of the cults differ from Scripture. Every true Christian believes that the three Persons of the Godhead-Father, Son and Holy Spirit- are three yet one. How do we understand the Bible's teaching on the Trinity and how can we refute those who reject this truth? Stuart Olyott shows that the fact of the Trinity is clearly taught in Scripture and that it is foundational to the Christian gospel. In straight-forward language the author seeks to lead the reader to a better understanding of what God has revealed about Himself.
