Answers to Prayer George Müller,2022-11-13 In this compilation, the editor has endeavored to select those incidents and practical remarks from Mr. Müller's Narratives, that show in an unmistakeable way, both to believers and unbelievers the secret of believing in prayer, the manifest hand of a living God and His unfailing response, in His own time and way, to every petition which is according to His will. The careful perusal of these extracts will thus further the great object which Mr. Müller had in view, without the necessity of reading through the various details of his Narratives, details which Mr. Müller felt bound to give when writing periodically the account of God's dealings with him.
