Minerva's Message Martin S. Staum, 1996 An overview of the intellectual life in post-revolutionary France portraying the Class of Moral and Political Sciences (CMPS) of the French National Institute, its key figures, and contributions to the social sciences. Staum (history, U. of Calgary) argues that the Institute transformed ideas of the Enlightenment to maintain civil rights and uphold social stability, effectively becoming a tool to end revolutionary turmoil and establish social order while at the same time reflecting the unraveling of Enlightenment culture. Métaphysique de la lettre autour d'Ibn Arabi Gérard

Chauvin, 2020-01-29T00:00:00Z Dans deux ouvrages publiés en 2013 et 2014, nous avons envisagé le haut thème spirituel du « Nom de Dieu » sous le rapport de la mémoire et des pratiques invocatoires. La mémoire de Ce qui est dans l'Éternité, nous constitue comme être, et le Nom est un puissant support de méditation et de réalisation... Il est de fait le bien commun des saintes confréries de l'islam (soufisme). Ce présent titre reprend le sujet dans sa plénitude métalogique ou métaphysique ; soit la science des principes « originés » dans l'Incréé. Le Coran même – Parole de Dieu – est incréé et créé, et il porte, dans l'océanique profondeur de sa Lettre, le secret intime du Nom suprême. Logé à la « fine pointe » du cœur, où se reçoit la grâce de l'Esprit, et où se réverbère dans l'âme la prescience de la Vérité. Cette Parole qui nous est destinée et à laquelle, par la vertu de notre constitution intérieure, nous avons accès, nous devons encore la réaliser – hic et nunc. L'exposé prend appui sur une lecture théosophique du mythe de la « Montagne de (la lettre) Qâf », avec ses versants de l'Un (Aḥad) et de l'Unique (Al-Wāḥid) : Essence et Être. Chaque signe du Livre révélé (al-Qur'ân : litt. la Récitation) est ceci et cela. La science de l'équivalence et de la balance des lettres et des nombres (guématrie) est le principal outil de ce travail d'extraction des degrés du sens. L'andalou Ibn 'Arabî (1165-1240), incontesté « grand-maître » dans les sciences spirituelles du Coran, est ici notre fil conducteur.

Métagénéalogie Alexandro Jodorowsky, Marianne Costa, 2011-10-05 Qu'est-ce que la métagénéalogie ? Pourquoi ne pas parler plutôt de psychogénéalogie, puisque ce mot est à la mode ? Le vocable psychogénéalogie a été inventé par Alexandro Jodorowsky au début des années 1980. Depuis lors, l'usage s'en est vulgarisé au point de recouvrir des pratiques extraordinairement variées. Les unes relèvent de la psychologie « pure et dure » ; les autres de la médiumnité la plus invérifiable. A l'écart de ces deux extrêmes, la métagénéalogie se propose de réconcilier les apparents contraires, en se situant précisément à

leur point de jonction : là où l'irrationnel collabore avec le rationnel, où la science danse avec l'art, où « clairvoyance » signifie aussi bien « intuition » que « lucidité ». Cet ouvrage se propose de résumer et présenter de manière accessible les trente-cinq années de recherches et de découvertes menées par Alexandro Jodorowsky sur l'arbre généalogique. Solidement ancrée dans les théories psychologiques et scientifiques de son temps, la métagénéalogie reflète le parcours artistique d'une vie entière, et la quête insatiable de sens qui l'anime. Plutôt qu'un manuel, nous nous sommes proposé d'écrire le roman d'une double initiation : celle, déjà accomplie, de l'inventeur de la métagénéalogie, et celle, en devenir, de qui voudra bien se prêter au jeu et entamer avec nous ce chemin de la reconquête de son identité véritable. Marianne Costa

Russian Émigrés in the Intellectual and Literary Life of Interwar France

Leonid Livak,2010-07-01 In a pioneering exploration of the intellectual and literary exchange between Russian émigrés and French intelligentsia in the 1920s and 1930s, Leonid Livak provides an impressively comprehensive bibliographic overview of a veritable who's who of Russian intellectuals and literati, listing all the material published by Russian émigrés or on topics pertaining to them during the period under study. Focusing attention on a largely ignored chapter of European cultural history, this volume challenges historical assumptions by demonstrating processes of cultural cross-fertilization and illuminates the precedents Russians set for political exiles in the twentieth century. A remarkable achievement in scholarship, Russian Émigrés in the Intellectual and Literary Life of Inter-War France is a valuable resource for admirers and researchers of French and Russian culture and European intellectual history.

L' economiste Franc,ais Journal Hebdomadaire July-Dec, 1965 ,1907

Correspondance générale - Tome 10 Fondation Napoléon,2014-11-19 Dans les 3006 lettres qui couvrent l'année 1810, la première des affaires importantes est sans nul doute le mariage autrichien. Napoléon avait tout d'abord hésité à entrer dans la famille des Habsbourg mais une fois décidé, il ne sait cacher son impatience et attend fébrilement l'arrivée de sa jeune épouse. Les premiers contacts se révèlent très positifs. Napoléon est enchanté de sa Louise et s'empresse de le communiquer à François 1er, son plus ancien ennemi, devenu en l'occasion son très cher frère et beau-père. Ce mariage lui promet de surcroît une descendance qui devient réalité un an plus tard, le 20 mars 1811. Pourtant, ce mariage est gâché par l'absence de 13 cardinaux sur les 27 invités. En effet Pie VI, détenu à Savone, a non seulement excommunié Napoléon et a refusé de reconnaître la nullité de son premier mariage, mais il persiste à refuser l'investiture des prêtres et évêques nommés par l'Empereur. Enfin, cette union modifie le système des alliances : la Turquie et la Russie n'y sont pas favorables, alors que l'Autriche est le nouvel allié. Napoléon renforce donc l'intensification du blocus continental en fermant le continent européen aux Anglais, et multiplie les annexions dont celle de la Hollande.

L'Amérique, la violence, le crime : les réalités et les mythes Alain Bauer, Émile Perez, 2000-01-01T00:00:00+01:00 Cet ouvrage est une réédition numérique d'un livre paru au XXe siècle, désormais indisponible dans son format d'origine.
