

La Times

Betsy Balsley

Los Angeles Stories Ry Cooder, 2011-10 Available Now: World-famous musician Ry Cooder publishes his first collection of stories.

Beeswing Richard Thompson, 2022-03-29 Music legend Richard Thompson, who established the genre of British folk rock, re-creates the spirit of the 1960s as he reflects on his early years performing with the greats in an era of change and creativity.

Los Angeles Times Sunday Crossword Omnibus, Volume 1 Sylvia Bursztyn, Barry Tunick, 1996-07-02 An extra-value collection featuring two hundred witty, punny, Sunday crosswords from Tinseltown's Bursztyn & Tunick.

Dear Los Angeles David Kipen, 2018-12-04 A rich mosaic of diary entries and letters from Marilyn Monroe, Cesar Chavez, Susan Sontag, Albert Einstein, and many more, this is the story of Los Angeles as told by locals, transplants, and some just passing through. "Los Angeles is refracted in all its irreducible, unexplainable glory."—Los Angeles Times The City of Angels has played a distinct role in the hearts, minds, and imaginations of millions of people, who see it as the ultimate symbol of the American Dream. David Kipen, a cultural historian and avid scholar of Los Angeles, has scoured libraries, archives, and private estates to assemble a kaleidoscopic view of a truly unique city. From the Spanish missionary expeditions in the early 1500s to the Golden Age of Hollywood to the strange new world of social media, this collection is a slice of life in L.A. through the years. The pieces are arranged by date—January 1st to December 31st—featuring selections from different decades and centuries. What emerges is a vivid tapestry of insights, personal discoveries, and wry observations that together distill the essence of the city. As sprawling and magical as the city itself, *Dear Los Angeles* is a fascinating, must-have collection for everyone in, from, or touched by Southern California. With excerpts from the writing of Ray Bradbury • Edgar Rice Burroughs • Octavia E. Butler • Italo Calvino • Winston Churchill • Noël Coward • Simone De Beauvoir •

James Dean • T. S. Eliot • William Faulkner • Lawrence Ferlinghetti • Richard Feynman • F. Scott Fitzgerald • Allen Ginsberg • Dashiell Hammett • Charlton Heston • Zora Neale Hurston • Christopher Isherwood • John Lennon • H. L. Mencken • Anaïs Nin • Sylvia Plath • Ronald Reagan • Joan Rivers • James Thurber • Dalton Trumbo • Evelyn Waugh • Tennessee Williams • P. G. Wodehouse • and many more Advance praise for Dear Los Angeles “This book’s a brilliant constellation, spread out over a few centuries and five thousand square miles. Each tiny entry pins the reality of the great unreal city of Angels to a moment in human time—moments enthralled, appalled, jubilant, suffering, gossiping or bragging—and it turns out, there’s no better way to paint a picture of the place.”—Jonathan Lethem “[A] scintillating collection of letters and diary entries . . . an engrossing trove of colorful, witty insights.”—Publishers Weekly (starred review)

L.A. Times Stuart Woods, 1994-02-04 Vinnie Callabrese moves from the world of the Mafia in New York to the intrigues of tinseltown and carves a niche in the film industry until his old friends find him.

Deadly Times Lew Irwin, 2013-05-07 Between 1907 and 1911, the United States was hit by the longest period of sustained terrorism in its history. Of more than 200 bombings that were carried out during this period, the most shocking was the dynamiting of the Los Angeles Times building on the morning of October 1, 1910, which killed twenty-one people. Deadly Times tells the fascinating story of the bombing, the search to apprehend the bombers, the issues that polarized the nation, and the dramatic trials that ensued. The magnificent cast of characters includes: General Harrison Gray Otis, owner of the Los Angeles Times, whose proposal to de-unionize San Francisco and Los Angeles led to its being singled out as a bombing target. William J. Burns, who tracked down the bombers and would eventually become the first director of the FBI. Earl Rogers, the brilliant criminal attorney, drinking companion of Jack London, who

became the model for Perry Mason. The legendary Clarence Darrow, who defended the bombers And the bombers themselves, the brothers J.J. and J.B. McNamara, who on their arrest became symbols of capitalist treachery to the working class.

How to Live Safely in a Science Fictional Universe (Enhanced Edition) Charles Yu, 2010-09-07 This enhanced eBook includes video, audio, photographic, and linked content, as well as a bonus short story. Hear TAMMY talk. Learn the origins of Minor Universe 31. See the TM-31. Take a trip in it. Photos and illustrations appear as hyperlinked endnotes. Video and audio are embedded directly in text. *Video and audio may not play on all readers. Check your user manual for details. National Book Foundation 5 Under 35 Award winner Charles Yu delivers his debut novel, a razor-sharp, ridiculously funny, and utterly touching story of a son searching for his father . . . through quantum space-time. Minor Universe 31 is a vast story-space on the outskirts of fiction, where paradox fluctuates like the stock market, lonely sexbots beckon failed protagonists, and time travel is serious business. Every day, people get into time machines and try to do the one thing they should never do: change the past. That's where Charles Yu, time travel technician—part counselor, part gadget repair man—steps in. He helps save people from themselves. Literally. When he's not taking client calls or consoling his boss, Phil, who could really use an upgrade, Yu visits his mother (stuck in a one-hour cycle of time, she makes dinner over and over and over) and searches for his father, who invented time travel and then vanished. Accompanied by TAMMY, an operating system with low self-esteem, and Ed, a nonexistent but ontologically valid dog, Yu sets out, and back, and beyond, in order to find the one day where he and his father can meet in memory. He learns that the key may be found in a book he got from his future self. It's called *How to Live Safely in a Science Fictional Universe*, and he's the author. And somewhere inside it is the information that could help him—in fact it may even save his life. Wildly new and adventurous, Yu's debut is certain to

send shock waves of wonder through literary space-time.

The Los Angeles Times California Cookbook Betsy Balsley, 1983

A Ballad of Love and Glory Reyna Grande, 2023-01-17 A Long Petal of the Sea meets Luis Alberto Urrea's *The House of Broken Angels* in this epic historical romance about a Mexican woman and an Irish-American soldier who fall in love in the thick of the Mexican-American War--

Everything Now Rosecrans Baldwin, 2021-06-15 A LOS ANGELES TIMES BESTSELLER. NAMED A BEST CALIFORNIA BOOKS OF 2021 BY THE NEW YORK TIMES A provocative, exhilaratingly new understanding of the United States' most confounding metropolis—not just a great city, but a full-blown modern city-state America is obsessed with Los Angeles. And America has been thinking about Los Angeles all wrong, for decades, on repeat. Los Angeles is not just the place where the American dream hits the Pacific. (It has its own dreams.) Not just the vanishing point of America's western drive. (It has its own compass.) Functionally, aesthetically, mythologically, even technologically, an independent territory, defined less by distinct borders than by an aura of autonomy and a sense of unfurling destiny—this is the city-state of Los Angeles. Deeply reported and researched, provocatively argued, and eloquently written, Rosecrans Baldwin's *Everything Now* approaches the metropolis from unexpected angles, nimbly interleaving his own voice with a chorus of others, from canonical L.A. literature to everyday citizens. Here, Octavia E. Butler and Joan Didion are in conversation with activists and astronauts, vampires and veterans. Baldwin records the stories of countless Angelenos, discovering people both upended and reborn: by disasters natural and economic, following gospels of wealth or self-help or personal destiny. The result is a story of a kaleidoscopic, vibrant nation unto itself—vastly more than its

many, many parts. Baldwin's concept of the city-state allows us, finally, to grasp a place—Los Angeles—whose idiosyncrasies both magnify those of America, and are so fully its own. Here, space and time don't quite work the same as they do elsewhere, and contradictions are as stark as southern California's natural environment. Perhaps no better place exists to watch the United States's past, and its possible futures, play themselves out. Welcome to Los Angeles, the Great American City-State.

Power Play Tim Higgins, 2022-08-30 A WALL STREET JOURNAL BUSINESS BESTSELLER • The riveting inside story of Elon Musk and Tesla's bid to build the world's greatest car—from award-winning Wall Street Journal tech and auto reporter Tim Higgins. “A deeply reported and business-savvy chronicle of Tesla's wild ride.” —Walter Isaacson, New York Times Book Review Tesla is the envy of the automotive world. Born at the start of the millennium, it was the first car company to be valued at \$1 trillion. Its CEO, the mercurial, charismatic Elon Musk has become not just a celebrity but the richest man in the world. But Tesla's success was far from guaranteed. Founded in the 2000s, the company was built on an audacious vision. Musk and a small band of Silicon Valley engineers set out to make a car that was quicker, sexier, smoother, and cleaner than any gas-guzzler on the road. Tesla would undergo a hellish fifteen years, beset by rivals—pressured by investors, hobbled by whistleblowers. Musk often found himself in the public's crosshairs, threatening to bring down the company he had helped build. Wall Street Journal tech and auto reporter Tim Higgins had a front-row seat for the drama: the pileups, breakdowns, and the unlikeliest outcome of all, success. A story of impossible wagers and unlikely triumphs, *Power Play* is an exhilarating look at how a team of innovators beat the odds—and changed the future.

L.A. Weather María Amparo Escandón, 2021-09-07 AN INSTANT NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • 2022 INTERNATIONAL LATINO BOOK AWARD WINNER FOR FICTION

FORECAST: Storm clouds are on the horizon in L.A. Weather, a fun, fast-paced novel of a Mexican American family from the author of the #1 Los Angeles Times bestseller Esperanza's Box of Saints. "There's a 100% chance you'll be paging through this book to uncover the secrets and deception that could potentially burn everything down!"—Reese Witherspoon "This is by far one of the most endearing L.A. novels in recent memory." —Publishers Weekly (starred review) A lively and ambitious family novel.—New York Times Book Review Oscar, the weather-obsessed patriarch of the Alvarado family, desperately wants a little rain. L.A. is parched, dry as a bone, and he's harboring a costly secret that distracts him from everything else. His wife, Keila, desperate for a life with a little more intimacy and a little less Weather Channel, feels she has no choice but to end their marriage. Their three daughters—Claudia, a television chef with a hard-hearted attitude; Olivia, a successful architect who suffers from gentrification guilt; and Patricia, a social media wizard who has an uncanny knack for connecting with audiences but not with her lovers—are left questioning everything they know. Each will have to take a critical look at her own relationships and make some tough decisions along the way. With quick wit and humor, María Amparo Escandón follows the Alvarado family as they wrestle with impending evacuations, secrets, deception, and betrayal, and their toughest decision yet: whether to stick together or burn it all down.

Sports Pages of the Los Angeles Times Bill Shirley, 1983

The Book of V. Anna Solomon, 2020-05-05 A GOOD MORNING AMERICA BOOK CLUB PICK A BELLETRIST BOOK CLUB PICK For fans of *The Hours* and *Fates and Furies*, a bold, kaleidoscopic novel intertwining the lives of three women across three centuries as their stories of sex, power, and desire finally converge in the present day. Lily is a mother and a daughter. And a second wife. And a writer, maybe? Or she was going to be, before she had children. Now, in her rented Brooklyn apartment she's grappling with her sexual and intellectual desires, while also trying to

manage her roles as a mother and a wife in 2016. Vivian Barr seems to be the perfect political wife, dedicated to helping her charismatic and ambitious husband find success in Watergate-era Washington D.C. But one night he demands a humiliating favor, and her refusal to obey changes the course of her life—along with the lives of others. Esther is a fiercely independent young woman in ancient Persia, where she and her uncle's tribe live a tenuous existence outside the palace walls. When an innocent mistake results in devastating consequences for her people, she is offered up as a sacrifice to please the King, in the hopes that she will save them all. In Anna Solomon's *The Book of V.*, these three characters' riveting stories overlap and ultimately collide, illuminating how women's lives have and have not changed over thousands of years.

Infinite City Rebecca Solnit, 2010-11-29 What makes a place? Rebecca Solnit reinvents the traditional atlas, searching for layers of meaning & connections of experience across San Francisco.

Children of the Land Marcelo Hernandez Castillo, 2020-01-28 An NPR Best Book of the Year A 2020 International Latino Book Award Finalist An Entertainment Weekly, The Millions, and LitHub Most Anticipated Book of the Year This unforgettable memoir from a prize-winning poet about growing up undocumented in the United States recounts the sorrows and joys of a family torn apart by draconian policies and chronicles one young man's attempt to build a future in a nation that denies his existence. "You were not a ghost even though an entire country was scared of you. No one in this story was a ghost. This was not a story." When Marcelo Hernandez Castillo was five years old and his family was preparing to cross the border between Mexico and the United States, he suffered temporary, stress-induced blindness. Castillo regained his vision, but quickly understood that he had to move into a threshold of invisibility before settling in California with his parents and siblings. Thus began a new life of hiding in plain sight and of paying extraordinarily careful attention at all times for fear of

being truly seen. Before Castillo was one of the most celebrated poets of a generation, he was a boy who perfected his English in the hopes that he might never seem extraordinary. With beauty, grace, and honesty, Castillo recounts his and his family's encounters with a system that treats them as criminals for seeking safe, ordinary lives. He writes of the Sunday afternoon when he opened the door to an ICE officer who had one hand on his holster, of the hours he spent making a fake social security card so that he could work to support his family, of his father's deportation and the decade that he spent waiting to return to his wife and children only to be denied reentry, and of his mother's heartbreaking decision to leave her children and grandchildren so that she could be reunited with her estranged husband and retire from a life of hard labor. *Children of the Land* distills the trauma of displacement, illuminates the human lives behind the headlines and serves as a stunning meditation on what it means to be a man and a citizen.

Set the Night on Fire Mike Davis, Jon Wiener, 2021-04-13 Los Angeles Times Bestseller This riveting tour through 1960s Los Angeles is a "history from below, in the very best sense" as it celebrates the "grassroots heroes and struggles" of the social movements of the era (Barbara Ehrenreich, author of *Natural Causes*). "Authoritative and impressive." —Los Angeles Times "Monumental." —Guardian Los Angeles in the sixties was a hotbed of political and social upheaval. The city was a launchpad for Black Power—where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation. The city was home to the Chicano Blowouts and Chicano Moratorium, as well as being the birthplace of "Asian American" as a political identity. It was a locus of the antiwar movement, gay liberation movement, and women's movement, and, of course, the capital of California counterculture. Mike Davis and Jon Wiener provide the first comprehensive movement history of L.A. in the sixties, drawing on extensive archival research and dozens of interviews with principal

figures, as well as the authors' storied personal histories as activists. Following on from Davis's award-winning L.A. history, *City of Quartz*, *Set the Night on Fire* is a historical tour de force, delivered in scintillating and fiercely beautiful prose.

Tattoos on the Heart Greg Boyle, 2011-02-08 Father Boyle started Homeboy Industries nearly 20 years ago, which has served members of more than half of the gangs in Los Angeles. This collection presents parables about kinship and the sacredness of life drawn from Boyle's years of working with gangs.

Saint Anything Sarah Dessen, 2016-05-31 A new blockbuster from #1 New York Times bestselling author Sarah Dessen now available in paperback! Sydney's handsome, charismatic older brother, Peyton, has always dominated the family, demanding and receiving the lion's share of their parents' attention. And when Peyton's involvement in a drunk driving episode sends him to jail, Sydney feels increasingly rootless and invisible, worried that her parents are unconcerned about the real victim: the boy Peyton hit and seriously injured. Meanwhile, Sydney becomes friends with the Chathams, a warm, close-knit, eccentric family, and their friendship helps her understand that she is not responsible for Peyton's mistakes. Once again, the hugely popular Sarah Dessen tells an engrossing story of a girl discovering friendship, love, and herself. This summer I'm looking forward to reading *Saint Anything* by Sarah Dessen.--John Green The name Sarah Dessen has become synonymous with Young Adult contemporary fiction.--Entertainment Weekly Sarah Dessen is the winner of the Margaret A. Edwards Award for her contributions to YA literature, as well as the Romantic Times Career Achievement Award. Books by Sarah Dessen: *That Summer Someone Like You* *Keeping the Moon* *Dreamland* *This Lullaby* *The Truth About Forever* *Just Listen* *Lock and Key* *Along for the Ride* *What Happened to Goodbye* *The Moon and More* *Saint Anything* *Once and for All*
