Activity+cookbook For Two's Tarla Dalal,2007 Be creative yourself- the most ordinary items can provide hours of creative play. Your blanket could be a curtain as you enact a bed time story to your two year old and allow him to do the same. All the pots and pans in the kitchen – your child's first mountain....start thinking?? There is no end to what you can do, but the one rule that you do need to follow is to let your child have as much freedom as possible in the area of creative play. Along with opportunities, make your home 'creative friendly' example, a two year old who has a low art drawer in the kitchen has a creative head start over the same-age child who has to wait until someone has time to get the crayons down from a high shelf! Provide positive reinforcement. Comments about creative work should be appropriate from the child's point of view and that relate to their own perception of the activity: Say "That looked like fun or You worked hard on this instead of That really looks like a dog, fantastic!. Try particularly hard not to interpret a child's work as a representation or evaluate your child's work. Remember the doing of an activity is always the important thing, than the finished product. AS A PARENT, you can have enormous influence on your children's creativity,. Give your child encouragement for good tries and interesting ideas, appreciate their unusual answers and unique ways of approaching problems, give them the feeling that to be wrong is just another way of learning, and you'll be helping them towards a life of creativity. Gods' Games We Play, Vol. 1 (light novel) Kei Sazane,2022-11-22 Let the games begin! In their (overabundance of) free time, the gods grew bored and decided to create challenging battles of wits to spice things up! Their opponent? Humanity! A select few players called "apostles" meet the gods on the spiritual realm's playing field to beat the deities at their own games. A former god named Leshea has woken after sleeping for thousands of years, and her first demand is to meet "this era's very best player!" She is introduced to Fay, an acclaimed rookie apostle. Together, they plan to challenge the gods and win the ultimate prize, but no one in human history has managed to clear ten games—because the gods can be capricious, outrageous, and sometimes downright incomprehensible! In the face of absurdity, what can the apostles do but enjoy the contest to its fullest?

Gender Games Alfonso C. Hernandez,2012-06 Gender Games is a novel written in an innovative, experimental form in short chapters related by a narrator who lives in a world where Gender definition is irrelevant since the characters he meets appear male and turn out to be female. And vice-versa. This world exists as a metaphor for the narrator who gives us solutions on how to change societal structures by using several techniques: transformations, ubiquity, metamorphosis, and even violence. Possibly, a life changing experience. The question of Gender is explored in a metaphorical way to clarify that all human beings are complex and cannot be defined as just male and female. Mr. Hernandez is the author of a book of poetry: Lullabies of Revelation, a collection of three plays: The False Advent of Mary's Child, and has other publications of plays, essays and poetry
