Census of population and housing (2000): California Summary Social, Economic, and Housing Characteristics ,  
Camping Northern California Linda Hamilton,2016-07-01 With its diverse landscape, mild climate, and magnificent scenery, California is truly the Golden State for outdoor enthusiasts. Camping Northern California will guide you to the ideal spot to pitch your tent or park your RV while enjoying the myriad recreational opportunities the northern half of the state has to offer. Featured here are hundreds of campgrounds accessible by car and managed by public agencies--everything from primitive sites for tents and self-contained RV's to plush resorts with spas, pools tennis courts, and even golf courses. Whether you're headed for the redwood forests, the High Sierra, or the San Francisco Bay area, let this book guide you to the perfect homes away from home.

Big Meadows and Lake Almanor Marilyn Morris Quadrio,2014-09-22 Few among the thousands of vacationers who recreate on and around Lake Almanor each summer realize that beneath its waters lie the remains of a vanished way of life. This tiny Atlantis, Big Meadows, was a microcosm of the cultural forces and conflicts that racked the West in the 19th and early 20th centuries. Rich in natural resources, the Meadows sustained the lives of the native Maidu and the hundreds of encroaching whites who followed on the heels of the Lassen Trail immigrant parties. White men came seeking to exploit those precious resources for gold mining, stock raising, dairying, tourism, timber, and later, hydroelectric power. In the tumult of cultural and industrial change, a pastoral way of life was lost and a native culture vanquished.
