Other Waters Mike Yurk,2022-04-05 The places we fish and people we are with takes us on new adventures in Mike Yurk's latest book, Other Waters. Follow Mike as he takes you from Costa Rico to catch marlin, to Mexico for sailfish and big bass to Canada's Northwest Territories fishing for giant lake trout. In between are other waters; streams, rivers, ponds and lakes both big and small forming memorable fishing with unforgettable companions. There are two trout streams in northern Wisconsin from Mike's youth to years later two other streams in North Carolina's Appalachian Mountains. Rivers such as Wisconsin's Wolf and Fox Rivers fishing in his early years with his father and grandfather brings us to the Mississippi River today fishing with buddies near his home in northwestern Wisconsin. Another river in Missouri takes us on legendary float fishing one of Ozarks premier waters. Go trout fishing in a military training area in Germany where the weather is always challenging. Two small ponds in Alabama as well as a large impoundment lake teaches Mike about bass fishing. Join Mike during the winter when he fishes through the ice on several Wisconsin lakes. Another Wisconsin lake never disappoints with both muskies and bass. There are other waters close to his home, fishing for smallmouth bass in Lake Superior, walleyes in northern Minnesota and largemouth bass and panfish at a lake known simply as Lake X to protect its identity. Exploring other waters bring both successes and disappointments along with new sights and sounds. As important as the waters Mike fishes are those who join him on these travels and ventures along with the people he meets while fishing other waters. Other Waters is book of people and places and adventures and fishing, making a lifetime of memories.
