**Crow Lake** Mary Lawson,2003-01-13 Crow Lake is that rare find, a first novel so quietly assured, so emotionally pitch perfect, you know from the opening page that this is the real thing—a literary experience in which to lose yourself, by an author of immense talent. Here is a gorgeous, slow-burning story set in the rural “badlands” of northern Ontario, where heartbreak and hardship are mirrored in the landscape. For the farming Pye family, life is a Greek tragedy where the sins of the fathers are visited on the sons, and terrible events occur—offstage. Centerstage are the Morrisons, whose tragedy looks more immediate if less brutal, but is, in reality, insidious and divisive. Orphaned young, Kate Morrison was her older brother Matt’s protegee, her fascination for pond life fed by his passionate interest in the natural world. Now a zoologist, she can identify organisms under a microscope but seems blind to the state of her own emotional life. And she thinks she’s outgrown her siblings—Luke, Matt, and Bo—who were once her entire world. In this universal drama of family love and misunderstandings, of resentments harbored and driven underground, Lawson ratchets up the tension with heartbreaking humor and consummate control, continually overturning one’s expectations right to the very end. Tragic, funny, unforgettable, Crow Lake is a quiet tour de force that will catapult Mary Lawson to the forefront of fiction writers today.

Troubled Waters AnnaLisa Grant,2013-04-13 College life for Layla Weston isn't starting the way she'd intended. She's revisiting the plans she once had to be the reclusive girl she wanted to be at Heyward Prep, and Layla is more than confident in her ability to succeed this time. After all, she's got a whole new bag of secrets to keep. Still reeling from Will's disappearance, Layla is doing her best to adjust to life back in Florida. She continues to hold out hope, confident she was meant to find Will's ring for a reason. Just as Layla starts to accept that she must keep moving forward, secrets from the past threaten Layla and her family. As Luke and Claire join with her to protect their family, Layla discovers that her uncle may not be the man she thought he was-- and that there's much more to Will's disappearance than she could ever have imagined.

*To The Lake* Yana Vagner,2023-07-18 Ousted from Moscow by a deadly epidemic, Anya and her husband must flee society, menaced by harsh Russian winter and desperate people. But as the wave of infection expands from the capital, they encounter obstacles, hazards, and aggression, just barely escaping from death as they try to navigate through a harsh Russian winter, with diminishing supplies of petrol and food. And their troubles multiply as Sergey agrees to takes on unwelcome guests and Anya struggles with feelings of hostility and jealousy. Inspired

*The Lake of Death* Jean Rabe,2004 Cursed to live as a shadow dragon, Dhamon Grimwulf risks everything in his quest to recover his humanity, following a trail that takes him from the perilous depths of the dragon overlord Sable's swamp to the shores of ruined Qualinost and reunites him with Feril, a Kagonesti druid he had once loved. Original.

*The Raid at Lake Minnewaska* J. L. Larson,2012-01-20 It was a warm June weekend in 1931 when five people met coincidentally at a lake town in Minnesota. Three of the five were outsiders. Two law school buddies, James Lawton and Charlie Davis were in town on a lark, but immediately began noticing some strange happenings at a nearby lake resort. The other, Lindy MacPherson, had more serious business. As an inexperienced investigator from the Minneapolis branch of the U.S. Attorney's office, her task was to explore a rumor about an alleged gambling operation in the vicinity of Lake Minnewaska. It was supposed to be a simple job neither lengthy nor precarious-more to give her investigative experience while under cover as a travel magazine writer. She'd been observing the same odd occurrences in the town. The other two, a local father and son, John and Adam Bailey, had been ignoring these unusual activities and antics of the peculiar assortment of guests at nearby Chippewa Lodge like everyone else in town. It had been best to do so for the good of the community. Glenwood was thriving during an otherwise very difficult economic time all around the country. MacPherson's orders had been strict. If she were to find any evidence relating to illegal gambling, she would leave Glenwood and promptly turn over her findings to the state patrol or the Bureau of Investigation and let them handle any potential arrests. MacPherson did not have an exemplary record of following 'strict orders' --especially when prompt action was needed. Normally, taking on the mob would not be considered by anyone in their right mind. That weekend these five people made a decision. Circumstances required their immediate attention.

**Never Say Never** Ricki Lake,2012-04-17 The world first met Ricki Lake in 1988 as Tracy Turnblad in the film *Hairspray*. Weighing in at just over 200 pounds, the 5'3 teenager challenged what it meant to be an overweight woman in America: this fat girl got the guy, was part of the in crowd, and could sing and dance like nobody was watching. When she got her own talk show at twenty-four, Ricki had been transformed. She was a slender, mature woman whose long-running show changed daytime television forever. And when Ricki left it all behind to follow her heart and produce *The Business of Being Born*, we once again saw her in a new light, as a passionate advocate who wasn't afraid to stand up for her beliefs and work for change. Ricki Lake's life has been a series of rebirths—from fat to skinny, married to divorced, rich to poor, and more. In her intimate, bold, and relatable book, Ricki shows us how her unique life in the spotlight offers wisdom to anyone who has ever struggled in her own skin. She takes us behind the scenes of her troubled childhood—filled with food issues, abuse, and an unabashed yearning for a better life outside of her suburban home. She pulls back the curtain on her talk show and her early days as a “fat actress,” and she shows how she reinvented herself as an author, filmmaker, and much beloved finalist on *Dancing with the Stars*. Ricki weathered near-bankruptcy and an extremely difficult divorce, but, as she writes, life always hands you the unexpected—so you should never say never. Much to her surprise, Ricki has dated some of Hollywood's most eligible bachelors, appeared on the cover of *Us Weekly* magazine in a swimsuit, and fell in love when she least

expected it. And now she's ready to talk about it all. *Never Say Never* is an inspiring, entertaining, and down-to-earth account of one woman who defied the odds and refused to give up. By trusting her gut and following her heart, Ricki Lake turned an unconventional life into an unparalleled triumph, and this memoir stands as a hopeful, hilarious, and honest exploration of how any woman can do the same.

The Lake Effect Les Roberts, 2005 When moisture gathers over a large lake, the snow seems to cover every sin and crime. Milan Jacovich knows better. He's off to the Cleveland suburb of Lake Erie Shores to guard mayoral candidate Barbara Corns. When her opponent's wife is killed, Jacovich is led into a stew of organized crime, a child porno ring, a vengeful cop, and a jealous lover. Martin's Press.

*Lake Silence* Anne Bishop, 2019-01-29 In this thrilling and suspenseful fantasy set in the world of the New York Times bestselling Others series, an inn owner and her shape-shifting lodger find themselves enmeshed in danger and dark secrets. Human laws do not apply in the territory controlled by the Others--vampires, shape-shifters, and even deadlier paranormal beings. And this is a fact that humans should never, ever forget.... After her divorce, Vicki DeVine took over a rustic resort near Lake Silence, in a human town that is not human controlled. Towns such as Vicki's don't have any distance from the Others, the dominant predators who rule most of the land and all of the water throughout the world. And when a place has no boundaries, you never really know what is out there watching you. Vicki was hoping to find a new career and a new life. But when her lodger, Aggie Crowe--one of the shape-shifting Others--discovers a murdered man, Vicki finds trouble instead. The detectives want to pin the death on her, despite the evidence that nothing human could have killed the victim. As Vicki and her friends search for answers, ancient forces are roused by the disturbance in their domain. They have rules that must not be broken--and all the destructive powers of nature at their command.
