The New Encyclopedia of Southern Culture Harvey H. Jackson III,2014-02-01 What southerners do, where they go, and what they expect to accomplish in their spare time, their leisure, reveals much about their cultural values, class and racial similarities and differences, and historical perspectives. This volume of *The New Encyclopedia of Southern Culture* offers an authoritative and readable reference to the culture of sports and recreation in the American South, surveying the various activities in which southerners engage in their nonwork hours, as well as attitudes surrounding those activities. Seventy-four thematic essays explore activities from the familiar (porch sitting and fairs) to the essential (football and stock car racing) to the unusual (pool checkers and a sport called fireballing). In seventy-seven topical entries, contributors profile major sites associated with recreational activities (such as Dollywood, drive-ins, and the Appalachian Trail) and prominent sports figures (including Althea Gibson, Michael Jordan, Mia Hamm, and Hank Aaron). Taken together, the entries provide an engaging look at the ways southerners relax, pass time, celebrate, let loose, and have fun.

But when outlaws make an attempt to kidnap a local girl, Sally is forced to use the gun skills she had learned from Smoke to save both of their lives, learning the hard way what it means to be married to a Jensen . . .
