*Dinner With The Mafia* Armando Lazzari, 2020-10-08 A comedy about a thirty year-old New Yorker who is in the dark about his family's mafiosa activities and finds himself involved in a vendetta between families and on the hunt for an elusive treasure. “Brilliant and dynamic, you will be thrown into an exhilarating adventure for the hunt of a hidden treasure in a captivating New York; in a world where the word 'Mafia' will make you smile. Riddles, pursuits and a comedy of errors surround the characters in a vortex of gags, unaware that they are the center of attention of the 'Family' that wants to protect them; of the ruthless rival mob that threatens them for the loot; and the interest of two confused cops who stalk them in an attempt to figure out what's going on.” “Take a slice of 'The Big Apple' and add two good kids: Ben and Susan. Now blend that with a strong and determined mafia 'Family' that blackmails them, and mix in the frenetic pursuit of a hidden treasure. Spice it up with fervent cops hot on their heels and above all, don't forget to garnish everything with yet another New York rival 'Family', whose Boss is the uncle of the young Ben, that has always protected him. The secret ingredient: Ben must never know about his uncles' true 'business' and must continue to believe that they are honest workers, due to a promise made at the time of his father's death. Serve this in a brilliant and dynamic setting, accompanied with a fresh liveliness...of puzzling riddles, misunderstandings and never-ending pursuits.”

*Where Tigers are at Home* Jean-Marie Blas de Robles, 2014-02-18 Winner of the Prix Médicis, this multifaceted literary novel follows the Jesuit scholar Athanasius Kircher across 17th century Europe and Eleazard von Wogau, a retired French correspondent, through modern Brazil. When Eleazard begins editing a strange, unpublished biography of Kircher, the rest of his life seems to begin unraveling—his ex-wife goes on a dangerous geological expedition to Mato Grosso; his daughter abandons school to travel with her young professor and her lesbian lover to an indigenous beach town, where the trio use drugs and form interdependent sexual relationships; and Eleazard himself starts losing his sanity, escalated by loneliness, and his work on the biography. Patterns begin to emerge from these interwoven narratives, which develop toward a mesmerizing climax. Shortlisted for the

Goncourt Prize and the European Book Award, and already translated into 14 languages, *Where Tigers Are At Home* is large-scale epic, at once literary and entertaining, that belongs in the company of Umberto Eco and Haruki Murakami.

**Five Minds** Guy Morpuss, 2021-09-02 'Addictive' - THE TIMES 'Marvellously twisty, with the clockwork ingenuity of Agatha Christie' - FINANCIAL TIMES SHARING A BODY CAN BE MURDER Alex, Kate, Mike, Sierra and Ben have spent twenty-five years trapped together. And there's no escape. They share one body, part of humanity's answer to its dangerously spiralling population. After more than two decades of bickering and petty vendettas, the one thing they can agree on is that they need a better host, and so they travel to a Death Park where they can win enough to get them the upgrades that will make the next twenty-five years bearable. But things go very wrong when Kate accepts a dangerous offer, and one of them disappears. Someone is trying to kill off members of the commune. But why? Is one of them responsible? Or is an outsider playing a deadly game? It's hard enough to catch a murderer. It's almost impossible when you might be sharing a body with them... 'Gripping and intriguing on every level' - SARAH PEARSE, author of THE SANATORIUM 'A dazzling, thrilling rollercoaster ride' - ALEX PAVESI, author of EIGHT DETECTIVES
