Phantasy - Land of the Beyond Just Dave, 2014-07-31 A modern-day-fairy-tale fantasy novel partially based on facts set in the Singapore of the '80s with a sci-fi prologue and a fairy-tale opening. Self-explanatory, really (read it to find out). Written mainly in American English with a dash of Singlish, and sometimes, broken English (on purpose, of course!). Main character is Dave, a prince from the fantasy kingdom of Phantasy, who was left in the care of a childless couple, the Teos from Singapore, as a baby by his father, King Devonus, in order to save him from the evil clutches of a nefarious warlock called Secondras. Supporting characters include a royal palace guard dog-man called Musscus, the royal head steward Hootus, and of course, the main character's love interest who only appeared near the end of the story for a brief period only. There are a lot of made-up interesting names in this fantasy novel. It is a work of fiction after all. The readers will be able to identify with the characters as the story unfolds with plenty of interesting and unexpected moments. Started out as a lone fantasy book, but became apparent that it was part of a trilogy as I continued working on it. Guaranteed to make the reader laugh, hate, love, and weep as he or she follows and grows with the book to the end. Many ideas in this book are not found in most other books of the same genre. Unique and one-of-a-kind, really. Go on, read it, and find out more. I dare you to!

Parents are more overwhelmed than ever before -- juggling demands on their time as well as conflicting advice from family, friends, frenemies and experts on how to achieve parental perfection. Pediatrician Jane Scott has seen this parental anxiety up close, and in The Confident Parent she shares advice on how to cut through the confusion, dial down the insecurities and unhelpful advice, and simply do what countless parents around the world have done throughout history: respond to their little one's needs without overthinking, overstimulating, and overparenting. Informed by a unique global perspective, The Confident Parent shows readers how to be not just better caregivers but happier and more balanced human beings. The book covers the basics of baby and child-care from breastfeeding and sleep training to managing temper tantrums, offering a fresh perspective that's both commonsense and liberating. The Checker Board: Book Three: Satan's Havoc Nedler Palaz,2015-11-17 By 1883, Dave Smith and Sam Eagle Feather Larson leave West Texas when bounty hunters pursue them. Finding a way to survive by chasing wild horses, the two settle into a horse camp where they round up likely horses for re-sale in El Paso. One magnificent herd leader has a reward on its return to the owner, Stan Piper. Dave agrees to break the wild stallion and sets about the dangerous task with help of a large Percheron horse that is three times the size of the herd stallion. Complications begin when Dave locates his missing girl-friend, Dolores Alconda and attempts to rekindle their loving relationship, only to learn that Dolores is to marry someone else, and he is devastated. Young fifteen year old tom-boy Andee Piper has designs on Dave Smith, and becomes his one true friend; though artless and clumsy, Andee attempts to snag Dave's affections. Dolores further confounds matters,

believing her fiancé dead, decides to marry Don Ruis Matoes, wealthy local ranch owner over the protests of her relatives and of Dave, who feels that Matoes has an underlying forbidding agenda. Having no other alternative, Dave stages a raid in which he abducts Dolores, steals Ruis' racehorse, and a priest which turns into a deadly encounter with Ruis Matoes and his henchman, Ramon Garcia. Dave is seriously injured by the overzealous attempts of the Don and Garcia to learn where Dave has hidden the girl and the horse. Seeking help from the Piper's, Dave becomes the object of a murderous attempt by Ruis to get what he wants through maneuvering and outright arson. The Piper's become entangled in the two-way tug of war between Dave and Ruis after they learn that Wes Piper may have legitimate claims on the Matoes rancho. Only through perseverance and the assistance of a federal circuit judge does the show-down come about. Ruis, in his maddened lunacy, snatches Andee and her mother in the hope of outdistancing the law by using the two women as hostages. Saving Andee and her mother from being savagely murdered by the deranged Don falls to the capable hands of Dave, Sam, the Piper's and the men from the village of San Miguel.
