The Book on Managing Rental Properties Brandon
Turner,Heather Turner,2015-10-28 No matter how great you
are at finding good rental property deals, you could lose
everything if you don't manage your properties correctly!
But being a landlord doesn't have to mean middle-of-the-
night phone calls, costly evictions, or daily frustrations with
ungrateful tenants. Being a landlord can actually be fun IF
you do it right. That's why Brandon and Heather Turner put
together this comprehensive book that will change the way
you think of being a landlord forever. Written with both new
and experienced landlords in mind, *The Book on Managing
Rental Properties* takes you on an insider tour of the
Turners' management business, so you can discover exactly
how they've been able to maximize their profit, minimize
their stress, and have a blast doing it! Inside, you'll
discover: - The subtle mindset shift that will increase your
chance at success 100x! - Low-cost strategies for attracting
the best tenants who won't rip you off. - 7 tenant types we'll
NEVER rent to--and that you shouldn't either! - 19
provisions that your rental lease should have to protect
YOU. - Practical tips on training your tenant to pay on time
and stay long term. - How to take the pain and stress out of
your bookkeeping and taxes. - And much more!

Property Management Basics for the Part-Time Landlord
G.E.S. Boley Jr.,2020-08-10 Learn All The Secrets Of
Landlording And Manage Your Property Without Hassle! I

know how most people have heard about the numerous benefits of investing in real estate but are still reluctant to give it a try. This is generally because most people think of it as a craft that requires some complex knowledge. But that is not necessarily the case, and I will prove it to you. In this book, *Property Management Basics for the Part-Time Landlord*, I have explained all the vital aspects of real estate. Think of it as the A-to-Z of Landlording. I started by discussing the opportunities that you can look to harness in this business. Then I delved into every aspect of owning a rental property such as repairing your credit score so that you can access more funds, choosing the right property to buy, deciding whether to run your business as a corporation or as a private individual, finding the best tenants, managing your business by managing your property, finances, and tenants accordingly, knowing how to handle a troublesome tenant to get them to fall in line, knowing how to chase eviction if the tenant refuses to cooperate. I closed by discussing the several collection methods that you can use to recover your money if your tenant leaves without paying what they owe. I have included the lessons I've learned in my 15 plus years of being a landlord, with some useful tips that have been working for me and made me the successful landlord that I am today. Are you ready to discover how you can build a passive income for you and your family and discover how you can change your finances forever and become financially stable even without the usual 9-to-5? The Landlord's Guide to Minnesota Law HOME

Line,Michael Vraa, Esq.,Samuel Spaid, Esq.,2015-10-05 The Landlord's Guide to Minnesota Law addresses every landlord-tenant legal issue that is likely to arise over the course of a lease. From how to find a tenant to what to do

once they leave, it is a practical and thorough legal analysis of what Minnesota landlords need to know about complying with the relevant federal, state and local laws. At the end of each chapter you'll find "Tips from a Tenant Attorney." These tips offer more creative advice on how landlords can solve difficult legal situations or prevent them from ever occurring. Also included is our exclusive line-by-line analysis of the Minnesota State Bar Association's Model Residential Lease. Instead of guessing what your lease terms mean, this guide tells you why each term exists and how it applies to your situation. This book was written by practicing attorneys in Minnesota who work exclusively in landlord-tenant law. There are dozens of legal guides available online for landlords, but none of them focus on Minnesota statutes and regulations, and when it comes to landlord-tenant legal issues, state law is key. Both authors are currently practicing attorneys with over 25 years of experience in tenant landlord law, advising over 39,000 renters on HOME Line's tenant hotline. They also train a wide variety of audiences in tenant landlord law, including over 100 trainings to landlord groups throughout Minnesota.
