The Landlord's Complete Guide from A to Z Bob Monahan, Linda Monahan, 2016-04-07 The Landlord's Complete Guide from A to Z by Bob & Linda Monahan After being successful landlords for over 30 years, the authors have put together a collection of some of their most valuable advice to assist other landlords and those aspiring to be landlords. When researching the industry for a guidebook for owners of long term apartments, none could be found except those written by lawyers from a legal perspective. Bob and Linda decided to write their book when a fellow landlord called them regarding a non-paying tenant issue. Bob and Linda skillfully navigated him through the eviction process, but their friend witnessed someone else's failure on the court docket due to a technicality that Bob and Linda had wisely warned him about. The authors hope that readers will use this book as a guide and learn from it while enjoying the experiences discussed in each chapter. There are great advantages to holding onto apartment buildings for the long run, perhaps the greatest being the extra revenue. This extra income can change your life and allow you to live your dreams and adventures.

Landlords Are People Too Carl Rosenberg,2012-02-02 This insiders view of how the landlord-tenant relationship really works reexamines the commonly held notion that landlords are greedy, money grubbing, and heartless slumlords preying on their tenants. Author Carl Rosenberg, a long time landlord, details why landlords can seemingly turn nasty without anyone knowing the reasons; why city agencies fall short in helping to resolve disputes; how judges and administrative judges often render unfair decisions, and why, on occasion, tenants deserve a slap on the wrist- and sometimes more. Join a fair but hardened landlord as he concentrates on a small minority of troublemakers who have made his life interesting and occasionally downright miserable. He also explains how he navigated the complex world of buying and managing real estate in New York and, though she is not mentioned too often, how his wife played a major role. Its time to re-analyze the many assumptions made about landlords. Youll see that many negative opinions about landlords are wrong. There are some bad ones out there, but when you get right down to it, Landlords Are People Too .

It also offers advice on: agreeing inventories, schedules of condition, and property profiles; assured shorthold leases - what they are, the exceptions, and where to buy them for a song; ending tenancies - the easy, and the hard way; the legal responsibilities that no landlord can ignore; particular aspects about houses in multiple occupation; property maintenance - realistic costs and useful advice; and, dealing with the tax man. Each section has tips, skills, time management ideas, and problem solving advice, plus supportive guidance and helpful websites and phone numbers.
