Between Muntadas,2011 Antoni Muntadas (*Barcelona, 1942) is one of the most important contemporary Spanish artists. His work addresses social, political and communications issues, the relationship between public and private space within social framework, and investigates channels of information and the ways they are used to promulgate ideas and control and censor information. Working in different media, such as photography, video, publications, Internet and multi-media installations, Muntadas often speaks about the condition of being in between as a point of departure for his work.This between can be characterized as a place of ambiguity outside specific sites or destinations. This two-volume publication is the catalogue of the retrospective exhibition that will be held at the Museo Nacional de Arte Reina Sofi?a in Madrid in October 2011. The catalogue uses the same organizing principle as the Muntadas' exhibition that considers his oeuvre from the perspective of constellations of space, with titles such as Micro Spaces, Power Spheres, The Construction of Fear or Translation Spaces. Each constellation is a comprehensive thematic unit of images, artist's writings as well as new and old texts by notable contributors from the field of contemporary art and theory. The second volume will contain a conversation between the director of the Museo Nacional de Arte Reina Sofi?a, Manuel Borja-Villel, and Muntadas, plus documentary material from the installation at the Museum.

Seven Fires Francis Mallmann,2009-06-02 James Beard Award Winner A trailblazing chef reinvents the art of cooking over fire. Gloriously inspired recipes push the boundaries of live-fired cuisine in this primal yet sophisticated cookbook introducing the incendiary dishes of South America's biggest culinary star. Chef Francis Mallmann—born in Patagonia and trained in France's top restaurants—abandoned the fussy fine dining scene for the more elemental experience of cooking with fire. But his fans followed, including the world's top food journalists and celebrities, such as Francis Ford Coppola, Madonna, and Ralph Lauren, traveling to Argentina and Uruguay to experience the dashing chef's astonishing—and delicious—wood-fired feats. The seven fires of the title refer to a series of grilling techniques that have been singularly adapted for the home cook. So you can cook Signature Mallmann dishes—like Whole Boneless Ribeye with Chimichuri; Salt-Crusted Striped Bass; Whole Roasted Andean Pumpkin with Mint and Goat Cheese Salad; and desserts such as Dulce de Leche Pancakes—indoors or out in any season. Evocative photographs showcase both the recipes and the exquisite beauty of Mallmann's home turf in Patagonia, Buenos Aires, and rural Uruguay. Seven Fires is a must for any griller ready to explore food's next frontier.
