Lantern is the second action-packed, steampunk adventure in the League of Seven series by the acclaimed author of Samurai Shortstop, Alan Gratz. Archie Dent is convinced that he and his friends Hachi and Fergus are the first three members of a new League of Seven: a group of heroes who come together to fight the Mangleborn whenever the monsters arise to destroy humanity. His belief is put to the test when they are forced to undertake separate missions. Archie and his faithful Tik-Tok servant Mr. Rivets pursue a shapeshifting girl who has stolen the Dragon Lantern, an ancient artifact with mysterious powers. And Hachi and Fergus travel to New Orleans to find Madame Blavatsky, the only person who knows the circumstances surrounding the death of Hachi's father. In the course of their adventures the three heroes meet potential candidates to join their League. At the same time, they learn deep-rooted secrets that could destroy the League forever.... Battle of the Blue Lanterns Michael Acampora, 2012 Kid's

favourite super hero comics turned into easy-to-read chapter books. New stories with original art by DC illustrators, these books

are colourful, attractive and accessible. Green Lantern : A green ring from another world offers test pilot Hal Jordan incredible powers to fight crime. The excitement and adventure in these never-before-told stories is out-of-this world.

The Feast of Lanterns Louise Jordan Miln,2011-09-01 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Red Lanterns (2011-)** #12 Peter Milligan,2012-08-01 The Red Lantern Bleez is held captive—by the Star Sapphires! Rankorr is poisoned, dying, and lost in space, and Atrocitus has his final, blood-spattered battle with Abysmus!

**Willow Creek Showdown** Will Price,2002-04-10 Hawk knew all about death and trouble, and thats why he was a loner. He had a quick smile, a fast gun and a horse that had sense enough to turn its rear to the wind in a storm. He was a smart horse and that was more that he could say for some humans he had met lately. They all seemed to have one thought on their minds and that was attending his funeral and if a popularity poll was taken, it looks like he would have to hire pallbearers. In 1863, Bloody Bill Anderson

and his outlaws stopped a westbound train just outside Centralia, Missouri. They stole the strongbox, which contained three thousand dollars, and executed twenty-five Union Soldiers. Hawk remembered his two brothers who were killed that day. As a small boy he tried in vain to comfort his mother who died a few months later of a broken heart. It was that day in the churchyard that he swore on his mothers grave that he would get revenge. Now his time had come and the trail of these killers had lead him to Frank James and Bob Ford and a question he may not live long enough to answer. Why was it that everyone who knew about the agreement between the Ford Brothers and the James Brothers, committed suicide, died mysteriously, or was murdered? Hawk knew he would have to find the answer to that question or die trying.
