

Lark Up

Charles C. Marble,William Kerr Higley

Up with the Larks Tessa Hainsworth,2009 Charts the author's turbulent first year with the Royal Mail, and her transformation from outsider to 'Posh Postie', adopted Cornishwoman and much-loved member of her new community.

Sprigs of Poetry Norris Clarion Sprigg,1907

LARK RISE;"TO MAKE UP IN AN HOUR FOR ALL THEIR WASTED YESTERDAYS." FLORA THOMPSON.,

The Song of the Lark Willa Cather,2021-09-28 The Song of the Lark Willa Cather - The Song of the Lark is a 1915 novel by Willa Cather. It is the second part of a thematic trilogy by Cather which tells stories of women in the emerging prairies of the American West. The trilogy is considered to be some of Cathers finest work, celebrated for bringing to life the rural West and its people in a way that had never been done before.The book follows the life of Thea Kronborg as she grows up in a small American prairie town and follows her ambition to be an internationally renowned singer. Theas story is a combination of Cathers own autobiographical experiences growing up in Nebraska and the life of a famous Scandinavian-American opera singer named Olive Fremstad.The novel is divided into six parts. The first one recounts Theas childhood in the fictional town of Moonstone, Colorado. When the book starts, she is eleven years old. She is the daughter of the local minister and has a reputation for being different and aloof. Though the adults in her family, particularly her mother and eccentric Aunt Tillie, are supportive of her, she has trouble getting along with her siblings and other children. She takes daily piano lessons for two to four hours a day.Her friends are all older men in the town: her piano teacher Herr Wunsch, a drunk out-of-towner who stays with the local tailor Mr. Kohler and his wife; the local physician Dr. Archie, who once saved her life when she had pneumonia as a child; Spanish Johnny, a Mexican wandering musician who lives in the Mexican Town outside of Moonstone; and Ray Kennedy, a train conductor who dotes on Thea and is waiting for her to grow older so he can marry her.One day, Thea plays piano at a concert in her local church and gets upset when her rival is praised above her. She continues to train with Wunsch, who first introduces her to opera. When Wunsch causes a scandal by getting drunk and wrecking Kohlers home, his students no longer want to be associated with him and he leaves town. At the young age of fifteen, Thea takes on Wunschs piano students as a full-time teacher, dropping out of school.

Lark Tracey Porter,2011-05-24 When sixteen-year-old Lark Austin is kidnapped from her Virginia hometown and left to die in a snowy forest, she leaves behind two friends who are stunned by the loss. As Lark's former best friend, Eve can't shake the guilt that this tragedy was somehow her fault. Meanwhile, Nyetta is haunted each night by Lark's ghost, who comes through the bedroom window and begs Nyetta to set her soul free. Eve and Nyetta realize that Lark is trapped in limbo, and only by coming together to heal themselves will they discover why. Tracey Porter's stunning narrative about love and loss demonstrates that forgiveness can never come too late.

Lark and Termite Jayne Anne Phillips,2009-01-06 NATIONAL BESTSELLER • From the award-winning author a powerful and emotionally piercing novel (The New York Times) set during the 1950 in West Virginia and Korea, that intertwines family secrets, war, dreams, and ghosts in a story about the love that unites us all. Lark and Termite is a rich, wonderfully alive novel about seventeen year old Lark and her brother, Termite, living in

West Virginia in the 1950s. Their mother, Lola, is absent, while their aunt, Nonie, raises them as her own, and Termite’s father, Corporal Robert Leavitt, is caught up in the early days of the Korean War. Told with deep feeling, the novel invites us deep into the hearts and thoughts of Lark, on the verge of adulthood, and her brother, Termite, a child unable to walk and talk, who is filled with radiance. We are also with Corporal Leavitt, trapped by friendly fire alongside the Korean children he tries to rescue. We see Lark’s dreams for Termite and her own future, and how, with the aid of a childhood love and a spectral social worker, she makes them happen. We learn of Lola’s love for her soldier husband and her children, and unravel the mystery of her relationship with Nonie. We discover the lasting connections between past and future on the night the town experiences an overwhelming flood, and we follow Lark and Termite as their lives are changed forever.

Up With The Lark Joan Bomford,2016-05-03 'An evocative portrait of a forgotten period of Britain's farming history... is an ode both to the soil, and those who have worked it alongside her' Daily Telegraph Joan Bomford wanted to be a farmer so much she always wore a tie like her dad. She ran away from school whenever she could to help him. As an 8 year-old she was the first person in the family to drive a tractor. No job was ever too tough for her. Now aged 83, she's still as active, still driving tractors, still feeding the farm's beef cattle and horses, and still giving riding lessons. This is her account of a lifelong love-affair with the land and the people who work on it. With the warmth and wit of a born story teller, she tells us what it's been like to live through an era of enormous change, her love of animals kindled by her father's shire horses who did all the heavy work until machinery took over. Up With The Lark is not only the portrait of a forgotten era, but also the story of one woman's overwhelming desire to do the thing she cared about more than anything else - being Farmer Joan.
