Roman Imperial Coinage II.3 Richard Abdy, Peter Mittag, 1-01-01 The standard reference work for Roman Imperial coinage of Hadrian now occupies a fully revised and greatly expanded standalone volume to cover the last epoch of what many consider the apogee of Roman coinage - begun with Nero's reform of AD 64 when great effort was taken over their iconographic designs. It is also

a long overdue attempt to reconcile our increased 21st century understanding of this otherwise lightly documented reign of one of the key figures in Roman history. The rich symbolism of the reign is also expressed in prodigious issues of Hadrian's medallic pieces, many covered in RIC for the first time.

Greek Imperial Coins and Their Values David Sear, 1982-12-31 This catalogue is unique in providing the collector with the only comprehensive and authoritative guide devoted specifically to the local coinages of the Roman Empire, undoubtedly the most neglected series in the whole of ancient classical numismatics. Greek Imperial coins span more than three centuries from Augustus to Diocletian, and were issued at over six hundred mints from Spain to Mesopotamia.

The Last Temple Hank Hanegraaff,Sigmund Brouwer,2012 Set in the turbulent years just before one of the most horrendous events in Jewish history, The Last Temple concludes the trilogy of The Last Disciple and The Last Sacrifice. Vitas is reunited with his wife and retires to Alexandria, determined to live a quiet, domestic life. But he can't avoid the debts that he owes to the men who saved him, and he becomes a key figure in the plot to rid the empire of Nero. It sweeps him into the "year of four emperors," when

the Roman Empire is nearly destroyed, and takes him back to Jerusalem as Titus lays siege to the great city. Only then, as the prophecy of Jesus begins to unfold, does Vitas discover the true mission set before him and the astounding conspiracy behind it.

Herbert Allen Seaby, 1952

The Temples of God Toni C. Clark, 2022-05-19 The temples of God are of profound historical and future significance to Jews, Christians, and all of humanity. The original temple was in the Garden of Eden, created not by man's hands, but by God. After sin came to the Garden, Adam and Eve began the lineage of mankind and from their roots came Jacob's twelve sons and the Hebrew tribes. King David was a descendant of the tribe of Judah, and his son, Solomon, built an amazing temple in Jerusalem. It was where God's presence and glory would reside. God told Solomon he would reject the temple if he or his descendants did not live with righteousness. Solomon's temple was ultimately destroyed. Following a tumultuous period of wars, the second temple was built in Jerusalem by the Jewish exiles returning from Babylon. It was not as ornate as the first, but its magnificence was prophesied—and then came the temple rebuild by Herod the Great. His role in mankind's history, including his violent kingship and the Massacre of the Innocents, fulfilled prophecy. The birth of Jesus Christ and his death and resurrection also fulfilled prophecy. His activities in the second temple were profound—including his prediction of the destruction of Herod's temple and all of Jerusalem. The obliteration occurred in AD 70. Mankind's history then passes through eras of wars and conquest, leading to the hope for a third temple. It will be built in Jerusalem just prior to the Tribulation. Like all

the temples of the past, it is prophesied to be defiled and destroyed. At the end of mankind's earthly history, the final temple will be built by God, after Jesus Christ's second coming—it will be glorious beyond imagination. Jesus will reside there, with his chosen people. Who is among the chosen? 2
