Through the Artist's Eyes Scott J. Einig,2018-10-22 "For too long we have only thought about and acted on what a woman's body gives us rather than what it can cause us to do. And what it should cause us to do is to worship the God of the universe." For many men, the struggle with lust is not a struggle. It is a war. It is a war we seem to be losing. Many men give up the fight altogether. In Through the Artist's Eyes, author Scott J. Einig shares the trials of his own years-long war with lust, and how, when all seemed lost, God set him free. Einig goes on to share all the things God taught him about what it truly means to be pure in this world, what changes we need to make – and that lasting victory over lust is possible. This book is a message of hope for the hopeless. We can be free. We can have victory. We can be men. "It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery" (Galatians 5:1).

Sex Is Not the Problem (Lust Is) Joshua Harris, 2009-01-21 *Lust* isn't just a guy problem - it's a human problem. And unless we honestly confront it, lust will destroy our relationships and our lives. Joshua Harris, author of the runaway bestseller *I Kissed Dating Goodbye*, calls a generation bombarded with images of sexual sin back to the freedom and joy of holiness. This PG-rated book - straightforward without being graphic - speaks to those entrenched in lust or just flirting with temptation. Honestly sharing his own struggles, Harris exposes lust's tactics and helps readers

create a personal plan for fighting back. Men and women will find hope in God's grace and learn the secrets to lasting change. Neither sex nor sexuality is our enemy. We need to rescue our sexuality from lust so we can experience it as God intended. Bestselling author Joshua Harris shows you how lust deceives you. Specific and honest without being graphic, this book—for both men and women—will guide you in creating a custom plan for fighting lust and celebrating purity. Praise for *Sex Is Not the Problem* (Lust Is) “For your joy and Christ’s honor, I commend this book to you. It is realistic, practical, and hope-giving.” -John Piper, pastor of Bethlehem Baptist Church, Minneapolis “A beautiful blend of grace and truth. Joshua Harris raises high standards of holiness while carefully avoiding legalism. I highly recommend it.” -Randy Alcorn, bestselling author of *The Treasure Principle* and *The Purity Principle* “I am very encouraged that my longtime friend Josh Harris has written a book about lust. May God use this book to keep many from allowing their minds to become ‘the devil’s playground.’” -Rebecca St. James, singer/songwriter *Story Behind the Book* “I was preparing a message on lust when I realized that the book I wanted to consult hadn’t been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader’s imagination through the gutter. And it would be for both men and women, because I’ve learned that lust isn’t just a guy problem—it’s a human problem.” -Joshua Harris

End the Reign of Pain Rickardo Bodden, 2023-11-01 *End the Reign of Pain: Identifying and Treating Toxic Leadership* is one of the most important leadership books you will ever read! Many people, especially leaders, are toxic and don’t even know it. Others cannot recognize what a toxic leader is—or whether they are following one. The end result of all this toxicity is pain in life and relationships. This book is about toxic people, toxic behaviors,

and ultimately toxic leadership. It is an intense transformational trip into you. It will help you deal with the “whys” behind the ways you think and act. You’ll gain a deeper understanding of human behavior and what drives people. What’s presented is provocative, challenging, revelatory, mind-altering, and downright life-changing. To know the effective side of leadership, you must understand the toxic side as well, including: - Sources of toxicity - Destructive leaders - Bullies - Poisonous parenting - Toxic Masculinity & Toxic Femininity - Leader lusts - Poor followership and much more Why do so many people live in unhealthy ways in their thinking and relationships, lack boundaries, and exude arrogance? Why isn’t anyone holding these people accountable and showing them a better way to lead? Exhaustively researched and displaying penetrating leadership insights, Dr. Rickardo Bodden lays out a training manual that answers these questions and gives vital instruction on building healthy leaders, organizations, employees, parents, and families.

Lust and Love Gabriele Froböse, Rolf Froböse, 2015-11-09
Philosophers have mused over them, poets have written about them and musicians have sung about them. Love, desire and passion will at some point touch everyone's life - yet they are little understood and some of the oldest mysteries of mankind. Why do people fall in love and what is love anyway? What makes people attractive? How do these emotions tie in with our physiology and how we have evolved? Lust and Love: Is it more than Chemistry? provides answers to some of these questions through the eyes of science. It takes a light hearted and entertaining approach in explaining the current scientific knowledge of why people are attracted to each other, from the first moments of meeting to how emotions change in a long lasting partnership. The book covers research from the fields of chemistry, biochemistry, neurology, psychiatry, psychology, physics and medicine while using the love story of a fictional couple to take the reader on a journey explaining the science. Additional topics on the 'tools of

attraction', including the history of the lipstick, and the development of perfumes and aphrodisiacs, provide an absorbing insight into the subject. Medical treatments and conditions including contraception, erectile dysfunction and the climacteric phenomenon are also discussed. This engaging and unusual book is ideal for anyone interested in the science behind love, desire and passion.

Billy Graham and the Beloved Community NA

NA,2016-04-30 This study is the first detailed analysis of Billy Graham's social thought during one of the most volatile periods of American history, the Martin Luther King, Jr. years (1955-1968). Using previously unpublished documents, this book argues that although the popular evangelist occasionally supported King's mission to save America, he largely opposed King's vision of the beloved community and his tactics of civil disobedience. The book also offers the controversial claim that because Graham allowed his political allegiances to trump his biblical Christianity, he never dreamed of nor worked for a world marked by lasting racial reconciliation, economic justice, and peace.
