HUSSIN A.ROTHANA

📖 [New York and the International Sound of Latin Music, 1940-1990](#) Benjamin Lapidus,2020-12-28 New York City has long been a generative nexus for the transnational Latin music scene. Currently, there is no other place in the Americas where such large numbers of people from throughout the Caribbean come together to make music. In this book, Benjamin Lapidus seeks to recognize all of those musicians under one mighty musical sound, especially those who have historically gone unnoticed. Based on archival research, oral histories, interviews, and musicological analysis, Lapidus examines how interethnic collaboration among musicians, composers, dancers, instrument builders, and music teachers in New York City set a standard for the study, creation, performance, and innovation of Latin music. Musicians specializing in Spanish Caribbean music in New York cultivated a sound that was grounded in tradition, including classical, jazz, and Spanish Caribbean folkloric music. For the first time, Lapidus studies this sound in detail and in its context. He offers a fresh understanding of how musicians made and formally transmitted Spanish Caribbean popular music in New York City from 1940 to 1990. Without diminishing the historical facts of segregation and racism the musicians experienced, Lapidus treats music as a unifying force. By giving recognition to those musicians who helped bridge the gap between cultural and musical backgrounds, he recognizes the impact of entire ethnic groups who helped change music in New York. The study of these individual musicians through interviews and musical transcriptions helps to characterize the specific and identifiable New York City Latin music aesthetic that has come to be emulated internationally.

📖 [Mambo Kingdom: Latin Music in New York](#) Max Salazar,2010-10-07 Shortly after Puerto Ricans were granted U.S. citizenship in 1917, they began moving into an uptown Manhattan neighborhood that would become known as Spanish Harlem. By 1930, Afro-Cuban music had gained a firm foothold in the city, setting the stage for the mambo, boogaloo, salsa and Latin-jazz scenes that followed. In this collection of profiles and essays, Max Salazar, perhaps the most eminent Latin-music historian in the United States, tells the story of the music and the musicians who made it happen, including Tito Puente, Machito, Tito Rodriguez, Charlie and Eddie Palmieri, Hector Lavoe and many others.

📖 [Billboard](#) ,1994-11-26 In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

📖 [Billboard](#) ,1999-10-16 In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

📖 [Carlos Santana](#) Norman Weinstein,2009-09-03 As eclectic and paradoxical as its subject, this is the first and only book about Carlos Santana that reveals the full sweep of his musical odyssey. Carlos Santana: A Biography explores the life and music of this extraordinary guitarist, ranging from his professional beginnings—his first regular gig was at a Tijuana strip club—and early success in San Francisco to the definitive songs and albums of the 1970s, the commercial resurgence with 1999’s Supernatural, his induction into the Rock and Roll Hall of Fame, and his current work with producer Bill Laswell. Unlike other biographies, this book offers a comprehensive look at Santana’s transitions through a variety of musical styles beyond rock, including blues, salsa, jazz, and world music. It also portrays Santana as very much a child of the eclectic musical culture of the 1960s, as well as showing the profound influence of the New Age movement on Santana’s life and music.

📖 [New York Magazine](#) ,1983-08-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine’s consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

📖 [Latin Music \[2 Volumes\]](#) Ilan Stavans,2014-07-29 This definitive two-volume encyclopedia of Latin music spans 5 centuries and 25 countries, showcasing musicians from Celia Cruz to Plácido Domingo and describing dozens of rhythms and essential themes. Eight years in the making, Latin Music: Musicians, Genres, and Themes is the definitive work on the topic, providing an unparalleled resource for students and scholars of music, Latino culture, Hispanic civilization, popular culture, and Latin American countries. Comprising work from nearly 50 contributors from Spain, Latin America, the Caribbean, and the United States, this two-volume work showcases how Latin music—regardless of its specific form or cultural origins—is the passionate expression of a people in constant dialogue with the world. The entries in this expansive encyclopedia range over topics as diverse as musical instruments, record cover art, festivals and celebrations, the institution of slavery, feminism, and patriotism. The music, traditions, and history of more than two dozen countries—such as Argentina, Brazil, Costa Rica, Cuba, El Salvador, Guatemala, Honduras, Mexico, Panama, Spain, and Venezuela—are detailed, allowing readers to see past common stereotypes and appreciate the many different forms of this broadly defined art form.

📖 [Sounding Latin Music, Hearing the Americas](#) Jairo Moreno,2023-05-16 Sounding Latin America studies popular music making by immigrants from Latin America and the Spanish-speaking Caribbean in the United States. It focuses on the points of contact and divergence in music making that result from competing values informed by how modernity is experienced across the Americas: the relation of language to letters; cosmopolitanism; racial categories and adjacent traditions and notions of the past; citizenship and migrancy; globalization and belonging. First study of the intra-hemispheric, linked but divergent relations of Latin music to the US and Latin America proposes a comparative method for understanding the relations of immigrants to minority groups in the US with music making as the center Book places aurality (intersensory, affective, cognitive, discursive, material, perceptual, and rhetorical network) as central operation in the constitution of music.--

📖 [Latin Music](#) Caroline Kennon,2018-12-15 Just as people are shaped by the time and place they come from, so is music. Readers are invited to explore music that was born from Latin America and to trace its rise to a position of global popularity. They learn about the different instruments used in music styles such as Cuban and Caribbean and how this music influences the music of other cultures. Also featured is an extensive list of recommended Latin music albums, vibrant photographs of Latin music stars such as Gloria Estefan and Daddy Yankee, and annotated quotes from writers and musicians.

📖 [Tito Puente and the Making of Latin Music](#) Steven Joseph Loza,1999 A multifaceted portrait of El Rey, the king of Latin music, this is the first in-depth historical, musical, and cultural study to trace the career and influence of Tito Puente. 57 photos.

📖 [Cultural Nationalism and Ethnic Music in Latin America](#) William H. Beezley,2018 Music has been critical to national identity in Latin America, especially since the worldwide emphasis on nations and cultural identity that followed World War I. Unlike European countries with unified ethnic populations, Latin American nations claimed blended ethnicities--indigenous, Caucasian, African, and Asian--and the process of national stereotyping that began in the 1920s drew on themes of indigenous and African cultures. Composers and performers drew on the folklore and heritage of ethnic and immigrant groups in different nations to produce what became the music representative of different countries. Mexico became the nation of mariachi bands, Argentina the land of the tango, Brazil the country of samba, and Cuba the island of Afro-Cuban rhythms, including the rumba. The essays collected here offer a useful introduction to the twin themes of music and national identity and melodies and ethnic identification. The contributors examine a variety of countries where powerful historical movements were shaped intentionally by music.

📖 [Billboard](#) ,2002-12-14 In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
