Summary of Patric Richardson's Laundry Love Milkyway Media,2022-12-07 Buy now to get the main key ideas from Patric Richardson's Laundry Love Patric Richardson loves laundry, and he wants you to love yours too. As a child, he was fascinated by his mother's washing machine, and for his third birthday, his parents gave him a toy one. He could wash and dry his own clothes before he was ten and taught himself to iron as a teenager. His initial curiosity led him to research, explore, and experiment with different methods of clothing care. Now, as the Laundry Evangelist, he offers Laundry Camp, owns a laundry product store, and shares his advice in Laundry Love (2021). His goal is to make laundry faster, cheaper, greener, and more enjoyable. He also shares stories about his loved ones, particularly the women who raised him and sparked his interest in textiles, taught him how to care for clothes, and always showered him with love.
