Narcissa, or the Road to Rome; In Verona Laura Elizabeth Howe

Richards,2019-12-23 *Narcissa, or The Road to Rome; in Verona* by Laura Howe is about a young lady who guides a weary traveler down the road to Rome.

Excerpt: Narcissa was sitting in the doorway, feeding the young turkeys. It was the back door of the old gray house,—no one would have thought of sitting in the front doorway,—and there were crooked flagstones leading up to it, cracked and seamed, with grass growing in the cracks. Close by the door-post, against which the girl was leaning, stood a great bush of tansy...

Celestial Bodies Laura Apol, 2016 The thirteen full moons that make up a full calendar year each have various names assigned by native people, farmers, pagans and mystics. These names often reflect the seasonal schedule for hunting, planting and harvesting; they evoke and invoke plants, animals, weather, human activities, and gods. *Celestial Bodies* draws from these lunar labels. The cycle of poems begins and ends with July, and traces a year of full moons that parallel and illuminate a new and unfolding relationship.

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
