

Laurie Johnson

Johnson Laurie

I Am Laurie Laurie Johnson, 2011-10-10 I realized after my diagnosis four years ago that having bipolar disorder does not define who I am as a person. For close to three decades, I battled an unknown adversary, believing I was just sinning because I wasn't choosing happiness. The story is composed of trials from my life, including a turbulent relationship; hopelessness and thoughts of suicide; the abandonment of my Olympic dream; the death of a son in my arms from a genetic disorder; the early end to my teaching career; and the suicide of my nephew. I can now see how my undiagnosed bipolar disorder affected my decision-making ability, my relationships, my joy, and the goals I once had for my life. It is a story of triumph in the face of adversity, one that tells how God has given me a meaningful life even though things haven't turned out how I originally envisioned.

Locke and Rousseau Laurie M. Johnson, 2012 Laurie Johnson investigates two Enlightenment-era reactions to honor in Locke and Rousseau. She provides an in-depth analysis of how political philosophers John Locke and Jean-Jacques Rousseau react differently to the place and importance of honor in society. Locke continues the trend of rejecting honor as a means of achieving order and justice in society, preferring instead the modern motivation of rational self-interest. Johnson explores the possibility of an honor code that is compatible with Lockean liberalism, but also points out the problems inherent in such a project. She then turns to Rousseau, whose reaction to Enlightenment ideas reveals our own divided mood. Rousseau's worries and ambivalence about honor are our worries and ambivalence, and his failed attempt to revise honor in a way that works within the modern system highlights how difficult any project to resurrect the value of honor will be. This book will interest anyone who wonders what happened to honor in our world today, including students of communitarianism. Johnson warns us that we cannot simply look to the past, to the ideals of Locke or other Enlightenment thinkers such as the American founders, for answers to our current family, social, and economic problems, because our problems at least partly stem from Enlightenment liberal thought. Instead we must fully recognize this connection before we can start to formulate a definition of honor that can work for us today.

Reflections Laurie Johnson, 2022-09-27 Grab a cup of coffee or a glass of iced tea and take a walk with me through this book of reflections in which you will find the beauty of love, life, and yes, some heartbreak and tears. Share the dreams and memories with me from day to day. Some memories and thoughts or just fantasy feel the sweetness and promise of a new day dawning. Life is so full of diversity and change, some good days and some bad, and most of which we have no control of. As you read some pages, you can almost hear the laughter and joy; others you may feel the heartbreak and tears. As in our life, we must search and find those precious moments or look back to those memories. Sometimes we find the joy in the searching rather than in the finding. There will be pages you connect with, and others will make you wonder. We all have that need to reach out and just know that we have been there. There is a healing in the written words to those whose hearts they speak to. So, as you thumb through these reflections of my life and thoughts, I hope that you feel the strength and courage that it takes to just live life. Sit back and feel the warmth of the sun or the freshness of the morning dew. Life is so worth living to the fullest of our ability. I hope this brings to mind all the memories and treasures hidden away and forgotten.

Drawn from Life Laurie Johnson, 2008-07 That so many characters in literature were drawn from real life has long intrigued me. What was the inspiration that enabled so many writers to breathe such intense reality into imagined characters, and provided the power to propel them through entire novels? The models in this book were already well known to the writers, hence - Drawn From Life. LAURIE JOHNSON

The Tain of Hamlet Laurie Johnson, 2014-10-17 Shakespeare's Hamlet is considered by many to be the cornerstone of

the English literary canon, a play that remains universally relevant. Yet it seems likely that we have spent so long reading the play for its capacity to reflect ourselves that we have lost sight of the thing itself. The goal of this book is to look beyond the Hamlet that has bedazzled critics for centuries, to seek to apprehend the play in all of its historical distinctness. This is not simply the search for what the play means...

The Sunflower's Story Dr Laurie D Johnson Lpc, Laurie Johnson, 2018-02-16 Loneliness is a challenge for Children, Adults and Seniors. The Sunflower's Story helps encourage readers to open their heart to love, even when it means taking risks, being bold and possibly saying Good-bye one day. This story will comfort the lonely, those who dare to love, and those who wrestle with loss of friends, family, pets or health.

Dr. J's Field Guide - Marriage & Life 101 Laurie D. Johnson, 2015-05-08 You fell in love. Now, love is falling apart. Sexual frustrations and conflicts over money, in-laws, parenting, work and social media are creating a chill where once there was passion and affection. Developmental Psychologist, Dr. Laurie Johnson guides the reader through self-examination in order to discover where love got off track. Volume One in Dr. J's Field Guide Series: Marriage & Life distills 30 years of private practice wisdom and public marriage mileage into practical advice and humorous illustrations.

Shakespeare's Lost Playhouse Laurie Johnson, 2017-09-14 The playhouse at Newington Butts has long remained on the fringes of histories of Shakespeare's career and of the golden age of the theatre with which his name is associated. A mile outside London, and relatively disused by the time Shakespeare began his career in the theatre, this playhouse has been easy to forget. Yet for eleven days in June, 1594, it was home to the two companies that would come to dominate the London theatres. Thanks to the ledgers of theatre entrepreneur, Philip Henslowe, we have a record of this short venture. Shakespeare's Lost Playhouse is an exploration of a brief moment in time when the focus of the theatrical world in England was on this small playhouse. To write this history, Laurie Johnson draws on archival studies, archaeology, environmental studies, geography, social, political, and cultural studies as well as methods developed within literary and theatre history to expand the scope of our understanding of the theatres, the rise of the playing business, and the formations of the playing companies.

Thucydides, Hobbes, and the Interpretation of Realism Laurie M. Johnson, 2020-01-15 This original book has been consistently cited by scholars of international relations who explore the roots of realism in Thucydides's history and the political philosophy of Thomas Hobbes. While acknowledging that neither thinker fits perfectly within the confines of international relations realism, Laurie M. Johnson proposes Hobbes's philosophy is more closely aligned with it than Thucydides's.

Honor in America? Laurie M. Johnson, 2016-12-21 This book analyzes Tocqueville's views on religion, family and gender roles, politics, relations with Native Americans, white southerners and slavery, and the military. It explores how these views can help form a uniquely American honor code, one that re-envisioned aristocratic elements of honor within a modern democratic and capitalist society.

Just Enough Light to Follow Laurie Johnson-Krueger, 2017-07-26 God wants us to hold His hand and stay on His path; the path that leads us to our destiny. God will reveal Himself and His directions to His children, but we must quiet our minds. He may use scriptures, books, things of nature, insight from friends, etc. He will reveal Himself in a very personal way with each of us. We need to pay attention and trust in Him above all things. He truly loves each one of us and wants us to live a blessed life. He wants us also to bless others with our lives. That is why I am sharing these poems and messages with you. I am an ordinary person with faults and challenges in my life. However, I have always desired to feel God's presence and live my life according to His will. He reveals

Himself to me often, not because I'm special, but because I value the relationship with Him more than anything or anyone. Please open your heart to God also, live your life to its fullest with Him as your Father and guide. He will provide, Just Enough Light to Follow.

Ripples in Time Laurie Johnson, 2023-07-24 Come and take a real time walk with me, thru life as you journey thru the pages of this book. Laughter, tears and joys, all the emotions with memories and thoughts combined. You might feel the heartache and tears, with the triumph of growth. But thru it all, moving forward, I hope you find some similar to your own inner most thoughts at times. Take time to read and reread if you want too, the many mood and emotions I have felt, as the shadows of my mind unfolded, onto these pages. But there is always a ray of sunshine, with a hope for tomorrow.

Dr. J's Field Guide: Marriage and Life 101 Volume 2 Spades Laurie D. Johnson, Dr Laurie D Johnson Lpc, 2017-01-11 The most challenging thing about marriage is that it is made up of humans. Learn how to be a healthier human for a happier marriage in Dr. J's Field Guide: Marriage & Life 101, Vol. 2 Spades. Issues related to abuse, PTSD, and Narcissism included.

Filled with concepts, activities, quizzes, work sheets, illustrations, quotes and practical tips, Rich by Choice, Poor by Habit inspires readers to think the unthinkable and to make the impossible possible. Each chapter contains a Laurie Story, an honest and candid personal account that vividly illustrates when Laurie's Rich Choices paid off or when her Poor Habits blocked her success. If you're ready to TAP IN To Your Full Potential, then Rich by Choice, Poor by Habit is for YOU!

Thomas Hobbes Laurie M. Johnson Bagby, 2009-03-16 Has modern Western society lost its sense of honor? If so, can we find the reason for this loss? Laurie Johnson Bagby turns to the political philosophy of Thomas Hobbes for answers to these questions, finding in him the early modern 'turning point for honor.' She examines Hobbes's use of the word honor throughout his career and reveals in Hobbes's thought an evolving understanding of honor, at least in his analysis of politics and society. She also looks at Hobbes's life and times, especially the English Civil War, a cataclysmic event that solidified his rejection of honor as a socially and politically useful concept. Bagby analyzes key ideas in Hobbes's philosophy which shed further light on his conclusion that the desire for honor is dangerous and needs to be eliminated in favor of fear and self-interest. In the end, she questions whether the equality of fear in the state of nature is actually a better source of social and political obligation than honor. In rejecting any sense of obligation based upon earlier notions of natural superiors and inferiors, does Hobbesian and future liberal thought unnecessarily reject honor as a source of restraint in society that previously promoted protection of the weaker against the stronger?

Here's Richness Laurie Johnson, 2008-10 I fell under the spell of the great man's 'funny side' at around the age of ten, and I have been a Dickens junkie ever since. His humour seemed, and seems, so real to me and true for all times. There are, of course, certain Victorian references which are no longer relevant today, but the characters he drew and the foibles and eccentricities they embody remain all too fresh and real, easily recognisable. Readers who might be deterred by the prospect of trawling through the lengthy twists and turns of the convoluted storylines required and expected in the Victorian novel might never get as far as the oases of wit and humour that abound along the way. Perhaps this little selection might encourage them to explore further. It is a rewarding journey. LAURIE JOHNSON

Dr. J's Field Guide: TEENS 101 Vol. II Companion NoteBook Laurie Johnson, 2013-10 Parent--are YOU threatening to run away from home? Life with a 12-22 yr old is filled with drama, joy, panic, and pride! Dr. Laurie Johnson, LPC writes from the vantage point of raising four teens and serving as a adolescent and adult counselor for 25 years. Vol. II of Dr. J's Field Guide: TEENS 101 offers tips and Questions to Ponder related to: teen sexuality, bullying, media use, suicide, bullycides, special needs, self-harm, addiction, money management, abusive relationships, dating violence, assertiveness, conflict resolution, relationship repair, and family enrichment. Vol. II expands the opportunity for parents, teachers, and young adults to recover from adversity, release baggage, and write their own rules for living an authentic, passionate life. Includes Dr. J's Top Twenty Books, Movies, and Videos, the Human Permit, and guidelines for Group use.

Leicester's Men and their Plays Laurie Johnson, 2023-09-30 In this first full history of the first great Elizabethan play company, Laurie Johnson shows the vital role of Leicester's Men in developing the main features of Shakespearean theatre. Unearthing new discoveries from wide-ranging primary material, he tells the fascinating stories of the lives of the earliest Elizabethan players.

Ideological Possession and the Rise of the New Right Laurie M. Johnson, 2019-05-16 Political theorist Laurie M. Johnson deals with Jung's analysis of the effects of modern scientific rationalism on the development of communism, fascism and Nazism in the 20th century and applies this analysis to the rise of the New Right in the 21st century. Jung's thought provides much needed insight into contemporary ideologies such as neoliberalism, Identitarianism and the Alt-Right. Johnson explains Jungian analytical psychology as it relates to these topics, with a chapter devoted to Jung's views of Friedrich Nietzsche, who exemplifies the modern problem with his proclamation that God is dead, and an in-depth discussion of Jung's views on truth and the psychological function of religion as a safeguard against deadly mass movements. She then turns to Jung's treatment of anti-Semitism and the Nazi movement, and his views on race and racism. Johnson applies these historical insights to the current manifestations of mass psychological disruption in the clash between neoliberals and the right-wing populist and Identitarian movements on the rise in North America and Europe. She concludes by discussing the search for an authentic and meaningful life in a West that rejects extremism and is open to authentic spiritual experiences as a counterbalance to mass mindedness. *Ideological Possession and the Rise of the New Right* will appeal to both undergraduate and graduate students of psychology and intellectual history. The book will also be of interest to those wishing to understand the new nationalist, nativist and Identitarian movements.

Noises in the Head -the Photobiography Laurie Johnson, 2010-06 Among the most successful and prolific of composers, Laurie Johnson is a man of many facets -- author, film and television producer, arranger, conductor and the man behind the world's favourite TV themes. But even this does not begin to do justice to his talents as a prime mover, script editor, ideas man and craftsman whose presence shapes and enhances everything he touches. This unashamed wallow in nostalgia for the golden years of music, film, theatre and television sets out to convey something of Laurie's various worlds, and to celebrate sixty years of unique contribution to the entertainment industry. To echo the words of friend and admirer Joanna Lumley, 'Maestro, we salute you.'
