**Return Flight** Jennifer Huang, 2022-01-18 Selected by Jos Charles as the winner of the 2021 Ballard Spahr Prize for Poetry, *Return Flight* is a lush reckoning: with inheritance, with body, with trauma, with desire—and with the many tendons in between. When *Return Flight* asks “what name / do you crown yourself,” Huang answers with many. Textured with mountains—a folkloric goddess-prison, Yushan, mother, men, self—and peppered with shapeshifting creatures, spirits, and gods, the landscape of Jennifer Huang’s poems is at once mystical and fleshy, a “myth a mess of myself.” Sensuously, Huang depicts each of these not as things to claim but as topographies to behold and hold. Here, too, is another kind of mythology. Set to the music of “beating hearts / through objects passed down,” the poems travel through generations—among Taiwan, China, and America—cataloging familial wounds and beloved stories. A grandfather’s smile shining through rain, baby bok choy in a child’s bowl, a slap felt decades later—the result is a map of a present-day life, reflected through the past. *Return Flight* is a thrumming debut that teaches us how history harrows and heals, often with the same hand; how touch can mean “purple” and “blue” as much as it means intimacy; and how one might find a path toward joy not by leaving the past in the past, but by “[keeping a] hand on these memories, / to feel them to their ends.”

**Lavender Review** Mary Meriam, 2015-02-14 Any art from a marginalized group is first dismissed as necessarily trivial or lesser because it doesn't value the

same ideals as the mainstream. It is only through iteration and resilience that the markers used to keep us out become the elements for which we are prized. That's why a journal devoted to lesbian poetry and art is vital: it rejects tokenism; it makes visible the common themes between otherwise dissimilar writers and artists; and, most importantly, it shows the range and prowess of those who would otherwise be limited to one feature of their work.

-Eloise Stonborough, on Lavender Review at Ms. Lavender Review, born on Gay Pride Day, 2010, is an international, biannual e-zine dedicated to poetry and art by, about, and for lesbians, including whatever might appeal to a lesbian readership. This is Lavender Review's first foray into print, and represents a selection of poems from the first five years. The 48 contributors to this anthology include renowned and new lesbian poets; translations of Marina Tsvetaeva, Renee Vivien, and Sappho; some poems from the past by Amy Lowell, Charlotte Mew, Sara Teasdale, and others; and a few lesbian-friendly poems by straight and gay poets.

ABOUT THE EDITOR Poet Mary Meriam is the founder of Lavender Review, co-founder of Headmistress Press, editor of Irresistible Sonnets, and author of The Countess of Flatbroke, The Poet's Zodiac, and The Lillian Trilogy (Word Hot, Conjuring My Leafy Muse, and Girlie Calendar). She contributes essays, reviews, and interviews to Ms. Magazine Blog and The Gay & Lesbian Review.

ABOUT THE PUBLISHER Headmistress Press is an independent publisher of books of poetry by lesbians. As a small press, Headmistress is dedicated to honoring lesbian existence, discovering a range of lesbian

voices, and promoting lesbian representation in the arts.

**Lavender Culture** Karla Jay, Allen Young, 1994-11 The influence of gays and lesbians on language, literature, theater, poetry, dance, music, and the arts is unmeasurable. In the era before AIDS, gay and lesbian culture had a defining, if unrecognized, influence on American life, an influence that is only now being acknowledged. This reissue of the classic anthology, *Lavender Culture*, serves as a provocative, dynamic, and wide-ranging reminder of American gay and lesbian culture in the days before the status of gay people received widespread attention in the media, religion, and politics, before *Newsweek* saw it fit to feature a cover story on LESBIANS, and before gays and lesbians took center stage in America's cultural landscape. Here we find the young, assertive voices of such activists, authors, and artists as Rita Mae Brown, Barbara Grier, John Stoltenberg, Julia Penelope, Andrea Dworkin, Andrew Kopkind, Jane Rule, Arthur Bell, Charlotte Bunche, and dozens more. Including essays on such diverse subjects as gay bath houses, the gay male image in classical ballet, images of gays in rock music, Judy Garland, lesbian humor, sports and machismo, the growing business of women's music, and the Cleveland bar scene in the 1940s, *Lavender Culture*, with new introductory essays by the editors and Cindy Patton, offers a panoply of gay and lesbian life, tracing the current influence and visibility of gay and lesbian culture back to its origins.

**Queer Twin Cities** Twin Cities GLBT Oral History Project (Minn.), 2010 The

Twin Cities is home to one of the largest and most vital GLBT populations in the nation--and one of the highest percentages of gay residents in the country. Drawn from the pioneering work of the Twin Cities GLBT Oral History Project--a collective organization of students, scholars, and activists devoted to documenting and interpreting the lives of GLBT people in Minneapolis and St. Paul--Queer Twin Cities is a uniquely critical collection of essays on Minnesota's vibrant queer communities, past and present. A rich blend of oral history, archival research, and ethnography, Queer Twin Cities uses sexuality to chart connections between people's lives in Minnesota. Topics range from turn-of-the-century Minneapolis amid moral reform--including the highly publicized William Williams murder trial and efforts to police Bridge Square, aka 'skid row'--to northern Minnesota and the importance of male companionship among lumber workers, and to postwar life, when the increased visibility of queer life went hand in hand with increased regulation, repression, and violence. Other essays present a portrait of early queer spaces in the Twin Cities, such as Kirmser's Bar, the Viking Room, and the Persian Palms, and the proliferation of establishments like the Dugout and the 19 Bar. Exploring the activism of GLBT Two-Spirit indigenous people, the antipornography movements of the 1980s, and the role of gay men in the gentrification of Minneapolis neighborhoods, this volume brings the history of queer life and politics in the Twin Cities into fascinating focus. Engaging and revelatory, Queer Twin Cities offers a critical analysis of

local history and community and fills a glaring omission in the culture and history of Minnesota, looking not only to a remarkable past but to our collective future.

The Unlikely Lavender Queen Jeannie Ralston, 2008-05-27 From one of the founders of Hill Country Lavender comes this honest, funny, and poignant memoir of a woman who gives up a lot for the man she loves—her beloved blue state, bagels and all-night bodegas—only to wonder: Was it too much? In 1990, Jeannie Ralston was a successful magazine writer and bona fide city girl—the type of woman who couldn't imagine living on soil not shaded by skyscrapers. By 1994, she had called off an engagement, married Robb, a National Geographic photographer, and was living in Blanco Texas, population 1600. In The Unlikely Lavender Queen, Ralston offers a lively chronicle of her life as a wife, new mother and an urban settler in rural Texas. As she labors to convert a dilapidated barn into a livable home, deal with scorpions and unbearably hot summers, and raise two young children while Robb is frequently away on assignment, she realizes her ultimate struggle is to reconcile her life plans and goals with her husband's without coming out the proverbial loser. And just when it seems like she might be losing that fight—and herself—a little purple bloom changes her life. For centuries lavender has been a mystical herb, so valuable to ancient Romans that a bushel would cost nearly a month's wages. But when Robb returns from a trip to Provence with a plan for growing lavender on their land, Ralston is not convinced—in fact the

last thing she needed or wanted was to take up farming on top of everything else. Then, much to her surprise, she slowly but surely falls in love with lavender, and in the course of growing and selling blooms, hosting the public at the farm, and creating lavender products, she discovers a new side of herself. A few short years later, Ralston had built Hill Country Lavender, a thriving commercial enterprise that transforms both her little corner of Texas and her life. The Unlikely Lavender Queen will resonate with all women who have faced the tough choices that come with “having it all” and secretly (or not so secretly) hoped for great adventure to come along and surprise them. Ralston’s memoir is a testament to the fact that such adventures await us around every bend in life.

Dancing to the Lyrics Dwayne A. Ratleff, 2020-10-13 Dancing to the Lyrics is a timeless and timely coming-of-age tale. Through the eyes of the young protagonist, Grant Cole, we are offered a first-hand account of an African American gay youth who perseveres in spite of personal and family obstacles as well as the larger challenges of his era. As Grant struggles to comprehend his own nature, his world, and the adults who populate it, he observes and emotionally reacts to the assassinations of MLK and RFK, the Baltimore riots, the Vietnam War and more. Poverty, accompanied by crime, violence and fear, is his frequent companion, but his own vivid imagination and close relationships with his younger sisters, various family members and friends bring hope and humor into his life. While Grant witnesses the abuse of his

mother at the hands of a cruel stepfather, and discovers the man he doesn't want to be, he strives continually toward understanding the person he was born to be. He learns crucial lessons from his life teachers: faith and pragmatism from his grandparents, and open-mindedness and self-acceptance from a diverse cast of unconventional but kindly characters woven throughout his story. While very much an individual's story of overcoming adversity during a specific point in time and place - 1960's America - *Dancing to the Lyrics* also provides a lens through which we can view events in our current time. The lessons that young Grant learns are as relevant today as ever and discerning them through the eyes of such an insightful youngster is a revelation.

**Our Gay History in Fifty States** Zaylore Stout, 2019-07-06 LGBTQ+ History Is American History In 2014, Zaylore Stout took a drive across the country. State line after state line, he found himself detouring to landmarks of the LGBTQ+ heroes and history in each new place. And so, like a travel guide through the LGBTQ+ past and present, *Our Gay History in Fifty States* was born. Encompassing all fifty states as well as Washington, DC, and island territories, *Our Gay History in Fifty States* documents the highs and lows of American LGBTQ+ history. In its pages, you'll learn about LGBTQ+ presidents and Two-Spirit warriors, the inclusive progression of the gay rights movement, iconic orange juice boycotts, and the true origin of voguing dancing. From the childhood homes of historical figures to the safe spaces of grassroots

organizations, this book is filled with destinations for those on their own local or cross-country tours of the past. Sometimes, seeing yourself in history is all you need to validate your battle for the future. While we continue pushing toward a more inclusive country, the stories of Our Gay History in Fifty States remind us that LGBT+ history is-and will always be-American history. AUTHOR BIOGRAPHY Zaylore Stout is an attorney, community organizer, and an internationally published author. Originally from Southern California, he received his BA in International Business Management from California State University-Fullerton. He's a graduate of the University of St. Thomas School of Law, where he was elected student government president. This made St. Louis Park the only suburb in Minnesota to pass these initiatives. AUTHOR HOME: St. Louis Park, MN

The Verifiers Jane Pek, 2022-02-22 Introducing Claudia Lin: a sharp-witted

amateur sleuth for the 21st century. This debut novel follows Claudia as she verifies people's online lives, and lies, for a dating detective agency in New York City. Until a client with an unusual request goes missing. . . . "The world of social media, big tech and internet connectivity provides fertile new ground for humans to deceive, defraud and possibly murder one another. . . . Well rendered and charming. . . . Original and intriguing." –The New York Times Book Review Claudia is used to disregarding her fractious family's model-minority expectations: she has no interest in finding either a conventional career or a nice Chinese boy. She's also used to keeping secrets from them, such as that she prefers girls—and that she's just been stealth-recruited by Veracity, a referrals-only online-dating detective agency. A lifelong mystery reader who wrote her senior thesis on Jane Austen, Claudia believes she's landed her ideal job. But when a client vanishes, Claudia breaks protocol to investigate—and uncovers a maelstrom of personal and corporate deceit. Part literary mystery, part family story, *The Verifiers* is a clever and incisive examination of how technology shapes our choices, and the nature of romantic love in the digital age. A VINTAGE ORIGINAL.

Getting to Ellen Ellen Krug, 2013 A compelling memoir about Ed Krug, who as a man, had everything that anyone could want: a soul mate's love, the adoration of two beautiful daughters, a house in the best neighborhood, and a successful trial lawyer's career. After years of self-denial, Ed began a gender journey of self-discovery. In the end, that journey meant accepting Ellen, even though doing so meant giving up much of what Ed had valued as a man. This is a truly compelling story that goes beyond some things lost and others gained. It has universal meaning for everyone--whether they are transgender or not.

The Strange and Beautiful Sorrows of Ava Lavender Leslye Walton, 2014-03-25 A 2015 William C. Morris YA Debut Award Finalist Magical realism, lyrical prose, and the pain and passion of human love haunt this hypnotic generational saga. Foolish love appears to be the Roux family birthright, an ominous forecast for its most recent progeny, Ava Lavender. Ava – in all other ways a normal girl – is born with the wings of a bird. In a quest to understand her peculiar disposition and a growing desire to fit in with her peers, sixteen-year old Ava ventures into the wider world, ill-prepared for what she might discover and naive to the twisted motives of others. Others like the pious Nathaniel Sorrows, who mistakes Ava for an angel and whose obsession with her grows until the night of the summer solstice celebration.

That night, the skies open up, rain and feathers fill the air, and Ava's quest and her family's saga build to a devastating crescendo. First-time author Leslye Walton has constructed a layered and unforgettable mythology of what it means to be born with hearts that are tragically, exquisitely human.

Sensation: The Madonna, the Mayor, the Media, and the First Amendment

Arnold Lehman, 2021-09-07 Death and bomb threats over an art exhibition! A major battle with the mayor of New York City and the New York Times! Looking back, Arnold Lehman, director of the Brooklyn Museum, and his colleagues were not prepared for what was to happen. No one could have anticipated that SENSATION: Young British Artists from the Saatchi Collection would become the biggest art story in the history of art history. It has taken him two decades to fully absorb and clearly reflect on what happened at the Brooklyn Museum in 1999-2000. The intense controversy swept the exhibition, the museum, and Chris Ofili's The Holy Virgin Mary painting to international attention for six months. While 175,000 people saw the exhibition and millions read and heard about it daily, they never knew of the threats and challenges that kept the museum staff awake at night. Mayor Rudy Giuliani, who never saw the painting, focused his rage at The Holy Virgin Mary; rescinded the museum's municipal funding to force it to close the exhibition; and attempted to evict it from its hundred-year-old landmark. The city's most conservative media and ultra-religious groups inflamed the conflict. SENSATION, selected from controversial collector Charles Saatchi's contemporary British art

collection, was first shown at London's Royal Academy in 1997, to an outcry over the portrait of child murderer Myra Hindley. Its opening at the Brooklyn Museum in 1999 drew tabloid headlines such as B'klyn gallery of horror—Gruesome museum show, and Butchered animals, a dung-smeared Mary and giant genitalia. The New York Times accused the museum of wrongdoing in high-profile but often false and inaccurate investigative reports, most dismissed earlier by the court. In a story as gripping as a fictional thriller, the mayor and city eventually settled with the museum, awarding it a permanent injunction, the restoration of city money, and substantial funds for its new entrance.

Transforming Austen Hartke, 2018-04-07 In 2014, Time magazine announced that America had reached the transgender tipping point, suggesting that transgender issues would become the next civil rights frontier. Years later, many people—even many LGBTQ allies—still lack understanding of gender identity and the transgender experience. Into this void, Austen Hartke offers a biblically based, educational, and affirming resource to shed light and wisdom on this modern gender landscape. *Transforming: The Bible and the Lives of Transgender Christians* provides access into an underrepresented and misunderstood community and will change the way readers think about transgender people, faith, and the future of Christianity. By introducing transgender issues and language and providing stories of both biblical characters and real-life narratives from transgender Christians living today,

Hartke helps readers visualize a more inclusive Christianity, equipping them with the confidence and tools to change both the church and the world.

Lessons in Taxidermy Bee Lavender, 2005-04-01 "Bee Lavender is a fantastic writer. Her work is deep and personal, and I don't think there are any places she's scared to go." —Michelle Tea, author of The Chelsea Whistle "Bee's scrupulous, non-histrionic style is thrilling; it allows for some devastating emotional moments because the author comes by them honestly." —Ayun Halliday,

author of No Touch Monkey Diagnosed with cancer at age twelve and perilously pregnant at eighteen, surviving surgeries and violent accidents: sometimes you can't believe Bee Lavender is still alive; sometimes you think nothing could kill her. Lessons in Taxidermy is Lavender's fierce and expressive search for truth and an elusive sense of safety. This autobiographical tale is stark and resolved, but strangely euphoric, tying together moments and memories into a frantic, delicate, and often transcendently funny account of anguish and confusion, pain and poverty, isolation and illusion. While staying conscious of the particulars of her circumstances, Lavender frames her life in the context of history, traveling, landscape, and freak show culture. Lessons in Taxidermy is apocryphal, troubling, cathartic, and important.
