## **Saints: The Story of the Church of Jesus Christ in the Latter Days**

The Church of Jesus Christ of Latter-day Saints, 2018-09-04 In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

**You Are Special** Max Lucado, 2007-08-17 Teaches children that God loves them just the way they are. A classic story in a unique limited edition.

*Faith Crisis, Volume 1: We Were NOT Betrayed!* L. Hannah Stoddard, James F. Stoddard III, 2020-04-06 After working with thousands of struggling members of The Church of Jesus Christ of Latter-day Saints over many years, the authors decided to write a book offering hope and answers for those struggling with faith crisis. Unbeknownst to the general Church membership, the 20th century would witness an organized effort to rewrite Latter-day Saint history from within its own ranks. In a head-to-head, behind-the-scenes-battle, traditional leaders resisted intellectual progressives working in the Church History Department and at BYU, who claimed some forty years ago that it would take a generation to re-educate the Church membership. Where are we in this attempted re-education? What is the New Mormon History, and how does it personally affect you and your family? Join us as we explore newly-available diaries, review old books, and bring untold history into the light! Progressives claim the Church covered up its history for nearly 200 years. Is the current faith crisis stemming from

unmasked history . . . or new interpretations? Why did New Mormon Historians insist Hofmann's forgeries were legitimate, even when investigators provided convincing evidence to them of the hoax? How did Bruce R. McConkie know Hofmann's Joseph Smith III blessing was a fake, despite authentication by document experts and pressure by historians calling him "incompetent" for questioning? Who were the "Swearing Elders"? How did this group of progressive Latter-day Saints reshape the identity of Mormonism? Why did Carol Lynn Pearson and Leonard Arrington share cards that read, "History is on our side—as long as we can control the historians?" Leonard Arrington shared that an "invisible higher power" commissioned him to rewrite or reconstruct our dominant narrative of the Restoration. Did God want our history changed? Why did Leonard Arrington say the First Vision, Nephites and gold plates were part of the Mormon "myth"? Why did Leonard Arrington note that if he were honest about his beliefs, "not many" Latter-day Saints would "want [him] to teach their children"? How did this affect his career as Church Historian and later at BYU? Progressives, working in the Church History Department and at BYU, claimed 40 years ago it would take a generation to re-

educate the Church. Where are we in this re-education? “The research and findings in this volume are truly history altering. Using newly released documents, combined with deep knowledge of Church History, the Stoddards are bringing to light what could be termed a “soft coup d’état” of the Church’s scriptures and prophets by progressive historians, bent on altering its history. Hold tight to your faith in the history held by the church for over 150 years and the teachings of our prophets as you discover how deep this attempted takeover has infiltrated, and altered, our sacred history.” (Rod Meldrum, researcher, best-selling Latter-day Saint author, & international lecturer) “Years ago, we stopped going to church. Suddenly, God awakened me and brought me back into the fold. As I hungered and learned more about the restoration, it was upsetting to hear things being said about Joseph that I KNEW were not true. I hit a major faith crisis. Right as I was about to leave the church and follow another sect that follows the teachings of the Book of Mormon, I read the Stoddard’s Faith Crisis book. This book, along with promptings and teachings from the spirit helped me navigate through many questions. This book only helped grow my testimony of the truthfulness of the restoration of the gospel and of the church of

Jesus Christ of Latter-Day Saints. I now stand strong in the Faith and know that I am in the only true church. I'm so thankful for the Joseph Smith Foundation and the many hours put in toward helping others stay strong in the Church of Jesus Christ of Latter-Day Saints!" (Latter-day Saint mother of six)

**Phantoms** Jack Cady,2015-02-09 Over the course of his career, Jack Cady won the Bram Stoker Award, the Nebula Award, the World Fantasy Award, a special award from the International Horror Guild, the Atlantic Monthly First Award, the Iowa Prize for Short Fiction, the National Library Anthology Award, and the Washington State Governor's Award. Cady's keen and profound insight into the collective psyche of the modern world – both from a narrative standpoint and from a critical cultural analysis – are captured in this collection. **Phantoms** includes his scathing critique of wartime politics and how these national policies are indelibly tied to the simple act of paying taxes (“Dear Friends”), to

an anguished reaction to a world caught on the cusp of change during the 1970s (“Birds”), to a modern parable of the frustrating nature of Satan's job (“The Parable of Satan's Adversary”), to a romp through science experiments gone awry (“The Twenty-Pound Canary”). The world is filled with ghosts, but to Jack Cady, these phantoms are vital aspects of who we are. His stories never lose sight of the marvelous mystery of the fantastic.

**Seer Stone v. Urim & Thummim** L. Hannah Stoddard, James F. Stoddard III, 2019-04-06 Seer Stone

v. Urim and Thummim places the Book of Mormon translation on trial, presenting the latest research in one of the most comprehensive treatments of the translation process to date providing encouragement for Latter-day Saints who fear they have been “betrayed” by the translation history taught by the Church for over 190 years. Did Joseph Smith study and master the Nephite language? Did the Prophet tutor some of the early Brethren in ancient Nephite characters? Did Joseph Smith translate the Book of Mormon using a dark seer stone in a hat? Why are progressive historians creating a new history using sources from a man who vowed to wash his hands in the blood of Joseph Smith, while boasting that he had deceived the Prophet and his God? Has The Church of Jesus Christ of Latter-day Saints covered up its history for nearly 200 years? Was Joseph Smith a treasure digger? During his life, did the Prophet artfully suppress his alleged treasure digging past? Did Joseph Smith cover up his use of a seer stone during the translation, feigning use of the Urim and Thummim? What new information has The Joseph Smith Papers Project uncovered that challenges our understanding of the translation process? Is David Whitmer a credible witness of the Book of Mormon translation? Did you

know that David Whitmer consulted a witch and occultic seer stones, denounced Joseph Smith as a false prophet and aided the mob in the persecution of the Missouri Saints? Was Joseph Smith involved in sorcery, astrology and ritual magic? “Seer Stone v. Urim and Thummim makes a great case for simply going ‘back to the basics’! That is, accepting the translation of the Book of Mormon as Joseph said it was done, as opposed to how others claim it was done. It is well researched and very enlightening and a must read for those who are willing to accept the words of Joseph and other prophets at face value.” —Kay M Godfrey, Author, Joseph Smith Epoch Historian “As you read this book, it will validate your knowledge that the Book of Mormon is a real history of a real people. The Stoddards have once again born witness that Joseph Smith was and is truly our Prophet, Seer, and Revelator. You will love this book.” —Rian Nelson, Author and speaker, FIRM Foundation “The Stoddards present a thorough and careful analysis of the numerous errors and sometimes outright falsehoods that have crept into many of the translation narratives, even some by respected scholars, who relied on changing accounts from both fallible acquaintances and also outright enemies.” —Leslie

Pearson Rees, Author, “Ye Have Been Hid: Finding the Lost Tribes of Israel”

**Differential Forms in Algebraic Topology** Raoul Bott, Loring W. Tu, 2013-04-17 Developed from a first-year graduate course in algebraic topology, this text is an informal introduction to some of the main ideas of contemporary homotopy and cohomology theory. The materials are structured around four core areas: de Rham theory, the Čech-de Rham complex, spectral sequences, and characteristic classes. By using the de Rham theory of differential forms as a prototype of cohomology, the machineries of algebraic topology are made easier to assimilate. With its stress on concreteness, motivation, and readability, this book is equally suitable for self-study and as a one-semester course in topology.
