Three Mormon Missions (Sisters) Terry Cook, 2016-05-27 Three Mormon Missions (Sisters) is the second in a series of heartwarming stories that explores the lives of Mormon missionaries. While Terry Cook's first novel, Three Mormon Missions, followed the lives of three young men, Three Mormon Missions (Sisters) explores the lives of three Mormon sister missionaries. Just like his first book, you'll be able to feel their personal challenges as each of these beautiful sisters strives to serve the Lord by serving a Mormon mission. Perhaps after reading this poignant tale you will know that beneath the surface of every beautiful Mormon sister missionary, there is a unique and beautiful story.

As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Tiki and Temple Marjorie Newton, 2012-04-01 2013 Best International Book Award, Mormon History Association From the arrival of the first Mormon missionaries in New Zealand in 1854 until stakehood and the dedication of the Hamilton New Zealand Temple in 1958, Tiki and Temple tells the enthralling story of Mormonism's encounter with the genuinely different but surprisingly harmonious Maori culture. Mormon interest in the Maori can be documented to 1832, soon after Joseph Smith organized the Church of Jesus Christ of Latter-day Saints in America. Under his successor Brigham Young, Mormon missionaries arrived in New Zealand in 1854, but another three decades passed before they began sustained proselytising among the Maori people—living in Maori pa, eating eels and potatoes with their fingers from communal dishes, learning to speak the language, and establishing schools. They grew to love—and were loved by—their Maori converts, whose numbers mushroomed until by 1898, when the Australasian Mission was divided, the New Zealand Mission was ten times larger than the parent Australian Mission. The New Zealand Mission of the Mormon Church was virtually two missions—one to the English-speaking immigrants and their descendants, and one to the tangata whenu—"people of the land." The difficulties this dichotomy caused, as both leaders and converts struggled with cultural differences and their isolation from Church headquarters, make a fascinating story. Drawing on hitherto untapped sources, including missionary journals and letters and government documents, this absorbing book is the fullest narrative available of Mormonism's flourishing in New Zealand. Although written primarily for a Latter-day Saint audience, this book fills a gap for anyone interested in an accurate and coherent account of the growth of Mormonism in New Zealand.

"This Is My Doctrine": The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions.

The Mormon Missionary Robert L. Lively, Jr., 2015-12-23 Many have answered a knock at the door to find two young men standing there. Polite, well-dressed, and wearing black nametags, they introduce themselves as Elder Smith and Elder Jones of The Church of Jesus Christ of Latter-day Saints. They are Mormon missionaries, and they want to share their faith with you. It is an awkward moment. American culture does not welcome strangers at the door, and the appearance of Mormon missionaries raises a fundamental question: should they be so aggressive in trying to convert us to their faith? Don't they understand that if we want to know about their church, we will ask them? As a result, most missionaries are turned away--and not always in a friendly manner. But while they may decline the offer of a visit, an increasing number of non-Mormons are asking questions such as: Who are these people? Why are they doing what they are doing? Who pays for it? and, What do they and the Latter-day Saint Church gain from it? Rob Lively attempts to answer these questions. While not a member of the LDS Church, he has interviewed over 275 past, present, and future missionaries. He shares their missionary stories and their highs and lows, and he discusses the importance of the missionary experience for the individual and for the Church. No other book exists that gives such a comprehensive overview of the Mormon missionary program.

What they Don't Teach you at the MTC Norman C. Hill, 2023-04-17 When author Norman Hill asked hundreds of Church members what they needed to do to prepare for a mission, he was given several answers and suggestions--so many that he realized how easy it was to overlook the most important strengths The Church of Jesus Christ of Latter-day Saints prescribes for its gospel messengers. Some of the abilities we sometimes fail to consider are • Understanding priesthood leaders' perspectives • Obeying mission rules with exactness • Focusing on commitments

and the baptismal interview questions when teaching investigators • Being aware of one's own personal progress and not that of others • Visualizing investigators as our Father in Heaven visualizes them In order for missionaries of The Church of Jesus Christ of Latter-day Saints to succeed in their sacred calling, they must first be prepared, and in order for them to be prepared, they must first know how. What They Don't Teach at the MTC provides the fundamental foundation needed in order to gain the necessary skills and abilities to serve a successful mission. It is for all those who desire to bring souls unto Christ and reap the blessings thereof. Benjamin Franklin once said, Without continual growth and progress, such words as improvement, success, and achievement have no meaning.

Mormon Passage Gary Shepherd,Gordon Shepherd,1998 This work is the first to present detailed, first-person

accounts of the Mormon missionary experience. Armed with little more than youthful vigor and firmly held religious convictions, twins Gary and Gordon Shepherd left their home in Salt Lake City in 1964 for two years as missionaries in Mexico. Mormon Passage is one result of that experience, a combination of diaries and field notes kept by the two during their mission and sociological analyses of their experiences. The brothers' goal is to help readers understand the consequences of the missionary experience for the vitality of Mormon religious life. Seldom has excellent research been woven so tightly with personal experience. . . . Very well written, a compelling narrative and an absorbing analysis. -- Lavina Fielding Anderson, coeditor of Sisters in Spirit: Mormon Women in Historical and Cultural Perspective

Missionary Interests David Golding,Christopher Cannon Jones,2024-04-15 In Missionary Interests, David Golding and Christopher Cannon Jones bring together works about Protestant and Mormon missionaries in the nineteenth and twentieth centuries, charting new directions for the historical study of these zealous evangelists for their faith. Despite their sectarian differences, both groups of missionaries shared notions of dividing the world categorically along the lines of race, status, and relative exoticism, and both employed humanitarian outreach with designs to proselytize. American missionaries occupied liminal spaces: between proselytizer and proselytized, feminine and masculine, colonizer and colonized. Taken together, the chapters in Missionary Interests dismantle easy characterizations of missions and conversion and offer an overlooked juxtaposition between Mormon and Protestant missionary efforts in the nineteenth and twentieth centuries.

Mormon Missionaries Enter Eastern Europe Kahlile B. Mehr,2002 Survey history of the beginnings of LDS Missionary

work in Central and Eastern Europe during the 20th Century. Matthew K. Heiss edited and annotated the Mischa Markow journal in the appendix.

Mission Accomplished Robert Uda, 2004-02 Most returned missionaries say that their missions have been the most rewarding experience of their lifetime. It is no wonder: their maturity, testimony, and knowledge grow phenomenally. There is no greater feeling than to teach, convert, and baptize a new family into the Church. The miraculous changes that occur in people as they accept, live, and progress in the Gospel are worth all of the missionaries' personal sacrifices. If we lovingly encourage and prepare our sons to serve full-time missions, they will accept the challenge. They will happily prepare themselves and look forward with great anticipation to serve the Lord anywhere in the world for two years. If you do the things suggested in Mission Accomplished, you will have successful missionaries who serve honorable missions. You will be showered with never-expected blessings. Indeed, the windows of heaven will open wide to pour out innumerable blessings from on high. I recommend the following to parents of all currently serving missionaries: Pray for them daily Write to them weekly; keep letters positive and encouraging Send them periodic care packages Do not call them unless permitted by the mission president Help them complete an honorable mission If you do these things, you will reap blessings galore. Your missionaries rely on the support they receive from home. They need your support. They look forward to your support. Don't let them down.
