Joseph Smith's New Translation of the Bible Kent P. Jackson, Scott H. Faulring, Robert J. Matthews, 2004 This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

Digital Scripture Study for the Busy Latter-Day Saint: 7 Minutes a Day Richard Bernard, 2023-02-02 Scripture study is one of the keys to receiving revelation, but in today's busy world, it's never been more difficult—or more essential—to study the scriptures and be guided by the Spirit. Plus, in a 15-day guide, he shows you how to take advantage of and organize your Gospel Library in those same 7 minutes. Bring meaning and purpose back into your scripture study while creating an easy-access, life-long personal library of your spiritual journey.

The Stick of Joseph in the Hand of Ephraim ,2020-06-16

The ancient House of Israel consisted of 12 families, or tribes, named for the 12 sons of Jacob (Israel). Ten of those tribes were conquered, driven from their homelands, and scattered throughout the world. Although their bloodlines continue, they have lost their identity with the House of Israel. The remaining two tribes have retained their identity, and are now known as the Jewish people, named for the tribe of Judah. Over 2500 years ago, the prophet Ezekiel foretold a day when the spirit of YHWH would stir the scattered remnants of Israel and restore them to life (Ezekiel 37:11-14). He also prophesied of a second scriptural record to come forth from the tribe of Joseph to Judah, in the hand of Joseph's son, Ephraim. This is that prophesied record. The Stick of Joseph in the Hand of Ephraim is a sacred, first-temple-period, Israelite text, written by a prophetic family from the tribe of Joseph, who fled Jerusalem in 601 BCE. YHWH led them for years in the wilderness and finally brought them "over the wall" to ancient America, in fulfillment of Jacob's final blessing to Joseph. (Genesis 49:22) For 1,000 years, these ancient Israelites kept sacred records. When their civilization ended in destruction (420 CE), their final prophet, M'roni, hid this record in the ground, to come forth in the future for the prophesied restoration of scattered Israel to its former glory. This record is all of the following unique and extraordinary things: • The shofar sounding to scattered Israel as YHWH's final attempt to gather His people; • A dire warning to the USA and a cry of repentance to the state of Israel. Any nation that does not honor the God of Israel will not survive; • An independent witness of the prophets, Mashiach, and the covenants given by YHWH to Israel; • A record of the means whereby all mankind can, as Moses, ascend to stand in the presence of YHWH; • An invitation to believe and receive the promises YHWH extends to those who will be His people. This is the only Hebrew

Messianic/ascension document in existence that has not been influenced by entanglements with Babylon, Greece, or Rome, because those who kept the record left Jerusalem and the Eastern Hemisphere prior to the Babylonian captivity. It is the most sublime and direct Jewish ascension text available. This annotated Hebrew-roots English edition restores the ancient Hebraic nature of the record, to provide a clear understanding of Israel's God, His work now underway, and the coming age of Mashiach. Whether you study religion in the Torah, Tanakh, Talmud, NIV Bible, Zohar, New Testament, Book of Mormon, Catholic writings, LDS scriptures, biblical commentary, or other holy books, this volume will inspire you to greater prophetic literacy, gifts in spirituality, understanding of history and theology, and most importantly, immerse your soul in a conversation and relationship with that God who loves, forgives, guides, and reconnects honest searchers with the tree of life. The Stick of Joseph is a greater discovery than the Dead Sea Scrolls or the Nag Hammadi library, though it has received far less attention. It is the preeminent Messianic document in the world, untwisting the false Greek caricature known as Jesus Christ of Nazareth. It restores the basics of the complete ancient Israelite faith and culture largely absent from modern, rabbinic Judaism. The ten commandments, temples, altars, Passover, the law of Moses, patterns, evidence, and much lost understanding all come together in this invaluable journal-record of wandering Israeli Hebrews who founded a great civilization.

Better Than Happy Jody Moore,2021-09-15 Our unconscious thought patterns determine our relationships, our spiritual life and our connection to God to a much greater extent than we know. That's an alarming thought, because the subconscious mind is a mysterious realm that is really difficult to access and influence...right? No. It's really not! And it's the most urgent and impactful thing we can do. This book will show you how. How do I choose faith over fear when my loved ones are making poor choices? Why don't I feel happier if I'm reading and praying like I've been taught? How can I stop feeling like I'm just not good enough? What am I to do when my spouse is judgmental of me? How do I trust in Christ when everything seems to be falling apart? Get answers to these and other tough questions in the context of Christ-centered principles throughout this book. Jody Moore is a Master Certified Life Coach who has taught and coached tens of thousands of women through her in-person and online workshops and podcast. She brings her characteristic clarity, wisdom, humor and disarming honesty to this groundbreaking book. In Better Than Happy, Jody shows how a simple 5-step model she uses in every session with her clients can reveal the unconscious patterns of thoughts that keep us from deeper and healthier connection with ourselves, with our loved ones and with God. Jody then shows how, once we clear the debris of our unconscious patterns of thought, new streams of understanding of Christ's teachings begin to flow. I am a mother of 4, a member of The Church of Jesus Christ of Latter-Day Saints, and a woman trying to figure out how to

minimize resentment, overwhelm and guilt, and replace them with happiness, gratitude and joy. Three years after getting married I found myself with two kids under age 2, a loving husband, and a lot of self-loathing. I struggled with the duties associated with being a mom and wife and then I felt guilty for feeling that way. After all, this was the life I thought I'd always wanted. I have a BA in Communications and an MA in Adult Education along with 15 years of experience as a Corporate Trainer and Leadership Coach, but what has helped me the most to overcome my struggles and to conquer all of my goals, are the tools I use now to coach my clients. Thanks to my extensive training with Brooke Castillo of The Life Coach School, I am now a Certified Life Coach, and I couldn't be more proud of the work I get to do in the world.

The Book of Mormon Grant Hardy, 2019 This exquisitely produced volume presents the official LDS edition of the Book of Mormon in an attractive, accessible, readable version that brings to Latter-day Saints the helpful features that have been part of standard Bible publishing for decades: paragraphs, quotation marks, poetic stanzas, section headings, and superscripted verse numbers. The latest LDS scholarship is reflected in its brief, thoughtfully considered footnotes, although the focus is always on the text itself; its wording, structure, and interconnections; allowing the book's sacred message to be heard anew. The Maxwell Institute Study Edition, produced by believing scholars, is ideally suited to both new readers of the Book of Mormon and also those who know the book well and have loved its teachings and testimony of Christ for many years.
