ABC Sight Words Gordon Prince, 2022-08-21 ABC SIGHT WORDS Looking for a fun way to get your kids to learn to read and write? If yes, then I got you covered. ABC sight words is a book that teaches kids how to read and write by tracing and coloring some selected essential sight words. The book is divided into three parts; The first part focus solely on the A-Z alphabets. The alphabets both in uppercase and lowercase are to be traced and rewritten. Each page is dedicated to a single letter to ensure enough practice. The second part is where the fun begins. Some few essential sight words are to be traced, colored and rewritten. Each page in this section is also dedicated to a single sight word. Some few pictures to be colored were also added to each page so as to keep the process fun. The last part involves using the sight words in sentences. Several sentences that use some of the essential sight words are to be traced and rewritten. Pictures that relate to the sentences were also added so as to help your kids visualize the process and therefore makes the learning process easier.

Secret Stories Katherine Garner, 2016-07-01 An educational toolkit for teaching phonics, consisting of a book, posters and musical CD, all of which provides for multiple options and inputs for learning, including: visual- icons, auditory and kinesthetic motor skill manipulations, as well as a variety of dramatic and emotive cuing-systems designed to target the affective learning domain. This backdoor-approach to phonemic skill acquisition is based on current neural research on Learning & the Brain-- specifically how our brains actually learn best! The Secret Stories® primary purpose is to equip beginning (or struggling, upper grade) readers and writers, as well as their instructors, with the tools necessary to easily and effectively crack the secret reading and writing codes that lie beyond the alphabet, and effectively out of reach for so many learners! It is not a phonics program! Rather, it simply provides the missing pieces learners need

to solve the complex reading puzzle--one that some might never solve otherwise! The Secrets(tm) are sure to become one of the most valuable, well-used, and constantly relied-upon teaching tools in your instructional repertoire!
