That way you can memorize more than 1500 new Indonesian words. If you bought one of our e-books, and would like a version in pdf with different fonts, font sizes or font colors, just let us know and we'll provide you one! For example in case you need a bigger font and less words per page on your e-reader. Finally, we have a HyLern Reader App on Amazon that integrates reading with word practice, for more learning options.

Indonesian Vocabulary Book Pinhok Languages, 2022-05-01 Indonesian vocabulary book + Indonesian dictionary This Indonesian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Indonesian-English as well as English-Indonesian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Indonesian learning resource is a combination of Indonesian vocabulary book and a two-way basic Indonesian dictionary: Part 1 - Topic based Indonesian vocabulary

book: This is the main part of the book and represents a list of chapters each containing Indonesian vocabularies for a certain topic. The Indonesian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Indonesian dictionary: The index in the second half of the book can be used as a basic Indonesian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Indonesian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Indonesian words and directly find the English translation. How to use this Indonesian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Indonesian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Indonesian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Indonesian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Indonesian and comes in particularly handy at times when there is no internet to look up words and phrases.

Learn Indonesian - Quick / Easy / Efficient Pinhok Languages, 2019-05-14 A curated Indonesian word frequency list Are you looking for unconventional ways to speed up the process of learning Indonesian? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Indonesian words and phrases ordered by their frequency of use. Who this Indonesian learning book is for: This book is for beginners and intermediate learners of Indonesian who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Indonesian frequency list is not for:

This book is not for you if you are an advanced learner of Indonesian. In this case, please go to our website or search for our Indonesian vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Indonesian learning book that guides you through the various steps of learning Indonesian, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Indonesian workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.

Indonesian Flash Cards Zane Goebel, Junaeni Goebel, Soe Tjen Marching, 2014-11-11 Indonesian Flash Cards is an excellent new Indonesian language learning resource for beginning students of Indonesian. Before heading out to Bali, the best way to learn Indonesian is to start practicing with these flashcards and give a boost to your Indonesian language skills. Since Indonesian uses a romanized alphabet, you can read Indonesian without learning a new alphabet or special characters. Each card features definitions, related words, sample sentences, and thematic grouping. This flash cards kit contains: 300 flash cards featuring the most commonly used words. Downloadable native speaker audio recordings of 1,200+ Indonesian words and phrases. A 32 page study booklet with sorting indexes and practice tips. Each card has one main vocabulary item and several derived words. Ideal for beginning students of Indonesian and anyone living in the country. These Indonesian flashcards are an excellent way of gradually increasing your Indonesian vocabulary. Their compact format makes them easy to carry around with you as you go about your regular routine, and you can make use of any spare minutes throughout the day to test yourself or take the next step in your Indonesian language learning. The key to building a working vocabulary is frequent exposure rather than prolonged study sessions, and with these flash cards it is easy to make good use of any odd minutes that would otherwise be wasted—on the bus, standing in line, or over a cup of coffee.
