Learn Pro Blackjack Captivate Labs, Inc,2013-09-20 Learn Pro Blackjack is the best blackjack book for beginners and intermediate players who want to quickly and comprehensively learn blackjack rules, master blackjack basic strategy and maximize their odds playing 21. Unlike other blackjack books, Learn Pro Blackjack focuses holistically on the entire playing experience to make sure players have the tools they need to have fun and be confident playing blackjack. The book includes detailed games rules, helps players master blackjack basic strategy, provides useful training techniques for practicing, and outlines the critical tips necessary for maximizing a player's odds. The book also comes equipped with four bonus chapters that cover the history of blackjack, how to play Spanish 21 (a variation on traditional blackjack), a review of the MIT blackjack team story, and a discussion about advanced strategies. Detailed graphics are also included to display examples where necessary throughout the book. Although it's commonly cited that blackjack has the lowest house edge of any casino game, that's only true when using basic strategy and is dependent on being able to identify good playing conditions. Don't wait until you are at the casino to find out you haven't done your homework. Get the book today!

How to Play Blackjack: Best Beginner's Guide to Learning the Basics of the Blackjack Game! Rules, Odds, Winner Strategies and a Whole Lot More Kevin Gerard, 2018-02 2018 Edition (New, Updated and Better than Ever!) Who Else Wants to Play Blackjack Like the Pros at a Vegas Casino? * * * LIMITED TIME OFFER! 50% OFF! (Regular Price \$5.99) * * * Blackjack is one of the most popular card games in the world. It's also one of the most competitive and complicated casino games of them all, and without proper guidance you run the risk of walking away with your wallet emptied and your heart half broken. I'm here to make sure that doesn't happen. Ready to win more games than you lose and play with the confidence of a pro? Then you've come to the right place. Hi, I'm Kevin, an expert casino player with years of experience and hundreds of thousands in blackjack earnings to back that up. But that wasn't always me. I started out exactly where you are right now... I was curious about how the game works and willing to stump up the cash to give it a go. Sadly for me, I had no idea how to win a hand, and it wasn't long before my bank account was groaning. I couldn't find a good resource that was actually able to help me and I couldn't work out what it was that I was missing - so I had no choice but to learn through experience. I built my own strategies through countless hours of play and more lost dollar bills than I care to mention.

That's why I've written this book - because I understand this game better than anyone else I know, and I want to share that knowledge with you, so that you can play this casino favorite with confidence, and make a little profit in the process. Give me ONE DAY of your time and I'll help you win TEN times more Blackjack hands And I'll do it for the cost of a decent deck of cards. Even if you've never played a single hand of Blackjack, I can show you how to start strong and keep right on winning. I can help you win more hands and bigger pots and walk out of the casino with a smile on your face, every single time. Winning at Blackjack is possible, even if you're a complete beginner I'll show you how the game works, what you need to do to get ahead and how you can win big every single hand. Within this guide, you'll find: Simple strategies to get you started and help you win more games The mental attitude that will turn you from a loser into a winner How to judge the dealer's hand - and how to play the odds The hands that are most commonly misplayed - and how to avoid misplaying them. If you play Blackjack without buying this book, you stand to lose THOUSANDS of \$\$\$ Blackjack is a high stakes game. If you don't understand the intricacies of the game or know how to play your hand properly, you could lose hundreds or even thousands of dollars every time you play. There's no need for that kind of pain. I want to help you keep your wallet bulging - and I can. Don't just take my word for it... I've been helping beginners beat the house for years. Here's what just some of them had to say about this guide: This ebook is on my top 10 list of

ebook purchases. What I love about this ebook is that it is as detailed as it can get. Downloaded to my kindle and used it at the cruise ship casino. EASY to understand. Great tips/cheatsheet. 100% Ironclad Money-Back Guarantee If you finish this guide and you don't win a single extra hand of Blackjack at your next session, simply click one button within 7 days of the purchase and Amazon will return 100% of your money back. That's how confident I am that this guide really can help you beat the odds and win the game. No risk, nothing to lose! Just scroll up and click the BUY NOW button to get started!

Playing Blackjack as a Business Lawrence Revere, 2000-09 This is the most talked-about book on the Blackjack scene. This book has sold more copies since it's initial release than any other gaming book. Prior to this new edition there was no foolproof way to learn how to play Blackjack accurately. This is the only Blackjack book that is easy to understand and completely accurate, written for the beginner or for the expert player. Playing Blackjack as a Business was written by a successful professional Blackjack player. The author has probably spent more time playing Blackjack, more time in the casinos, and more time in research, than have all of the others combined who have written Blackjack books or devised Blackjack systems. The book features a new Basic Strategy for one deck, the first accurate Strategy to be published for four decks, and four easy-to-learn Count Strategies including the Reverse Point Count Strategy, which is the most accurate and most powerful strategy that has ever been published. The strategies were devised from computer runs by Julian H. Braun of IBM Corporation, long recognized as the world's most capable man in this field.

How To Blackjack Simplified For Beginners Reggie Corson, 2021-01-23 HOW TO PLAY BLACKJACK LIKE A PRO Learn how to play blackjack, as well as the rules and strategies for winning at the card game. Blackjack is by far the most popular casino table game in the United States, with more players than craps, roulette, and baccarat combined. Blackjack is played with one or more standard 52-card decks, with each denomination assigned a point value. The cards 2 through 10 are worth their face value. Kings, queens, and jacks are each worth 10, and aces may be used as either 1 or 11. The object for the player is to draw cards totaling closer to 21, without going over, than the

dealer's cards. The game is usually played at an arc-shaped table with places for up to seven players on the outside and for the dealer on the inside. In this guide, you'll learn The origins and history of blackjack. The rules and strategies of blackjack When to hit, stay, split and double down in blackjack Fun can be had, and money can be made playing Blackjack if you know what you are doing. Here is how money can be made. If you learn the simple playing strategy presented here you will be playing pretty close to even money or sometimes better than even with the casino. These techniques also apply to online internet based casinos. Blackjack or twenty-one as it is sometimes called is played in casinos all over the world including online casinos. For the most part the rules for playing are pretty much the same all over. GET YOUR COPY NOW..BY CLICKING BUY NOW ...

ABC's of 21 Mike Exinger, 2012-04-23 Blackjack, or Twenty-One if you prefer, is one of the most popular table games in any casino. And it has the lowest "casino edge" of any game, too. So why aren't more people playing? They don't know how to play. They feel intimidated. They think slots give them a better deal. They don't want to lose all their money. They think Paula Deen will eat them with a pound of butter. I can deal with all of these issues except the last one. Blackjack can be easy to learn, and with my systems it's easy to learn how to win, too. You're on your own with Paula...
