

Learn Chinese Easily

Michael L. Kluemper, Kit-Yee Nam Nadeau

Easy Way to Learn Chinese Through English in 30 days Shelly Verma, SHELLY VERMA is a Guest-Lecturer at University of Delhi and also a Chinese language faculty at Bhartiya Vidya Bhawan. She did Post Graduation in Management (Marketing & HR) from All India Management Association. Simultaneously she did Advanced Diploma in Chinese language from Department of East Asian Studies, University of Delhi. She has also completed an Advanced Diploma in Chinese language from Bhartiya Vidya Bhawan. She also did B.Ed. from MDU, Rohtak. Her keen interest in Chinese language made her qualify HSK Level 5. After completing her studies in Chinese language, she was selected by CBSE as a Master trainer of Chinese language. Later, she taught Mandarin in various institutes and international schools. With an experience of almost 8 years, she went to Taiwan for an Advanced Teacher Training programme. Her purpose of writing this book is to meet the needs of a layman interested in learning Chinese language with basic grammar and sentence constructions in the shortest possible time. This book covers basic to intermediate Chinese grammar for sentence formation, greeting people, time, family, business communication, commonly used vocabulary, conversations- in hotel, at the airport, at the railway station, in the market, during telephone calls, etc. Chinese characters, Romanization and English sentences are given in each lesson to make it easier for the students to communicate with confidence.

Hacking Chinese Olle Linge, 2016-03-26 Learning

Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions and many others form the core of this book. It took eight years of learning, researching, teaching and writing to figure these things out. Not everybody has the time to do that! I can't go back in time and help myself learn in a better way, but I can help you! This book is meant for normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to cook: you

won't get to eat the delicious dish just by watching the program; you have to do the cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning, making every hour you spend count for more, but you still have to do the learning yourself. This is what a few readers have said about the book: The book had me nodding at a heap of things I'd learnt the hard way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study. - Geoff van der Meer, VP engineering This publication is like a bible for anyone serious about Chinese proficiency. It's easy for anyone to read and written with scientific precision. - Zachary Danz, foreign teacher, children's theatre artist About me I started learning Chinese when I was 23 (that's more than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate Institute for Teaching Chinese as a Second Language at National Taiwan Normal University). All these parts have contributed to my website, Hacking Chinese, where I write regularly about how to learn Mandarin.

Fluent in 3 Months Benny Lewis, 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in

the world, *Fluent In 3 Months*. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Easy Mandarin Chinese Haohsiang Liao, Ph.D., 2016-10-25 Concise and user-friendly, Easy Mandarin Chinese is designed for anyone who wants to learn Mandarin Chinese—whether on their own or with a teacher. This language learning book introduces the learner to all the basics of the Chinese language and teaches practical daily conversations and vocabulary. It enables users to begin communicating effectively from the very first day and it's compact size makes it a great tool for travelers or business people looking to learn Chinese on the road without giving up on any content. This Mandarin language learning book includes: Useful notes on the Chinese script, pronunciation, sentence structure, vocabulary, and grammar Sections covering greetings, requests, idiomatic expressions and common situations Cultural information about Chinese etiquette as well as do's and don'ts A glossary of the most commonly-used Mandarin Chinese words and phrases An enclosed CD-ROM with many hours of native-speaker recordings of the dialogues, vocabulary and exercises.

Easy Peasy Chinese DK, 2021-11-11 Do you want to learn the world's most spoken language? This easy-to-use beginner's e-guide and audio app will get

you speaking basic Mandarin in no time. With useful tips, practice exercises, and fascinating insights into Chinese culture, Easy Peasy Chinese teaches you how to read, write, and speak Mandarin Chinese step by step. The accompanying audio app covers all the vocabulary in the book, helping you perfect your pronunciation and quickly get to grips with the Mandarin tones. Aimed at children aged 8+, but of appeal to beginners of all ages, it will teach you all the words and phrases you'll need to get by in China, so you can introduce yourself, read and write numbers, and chat about the weather, food, and interests. What's more, you can give yourself a Chinese name, haggle over shop prices, and learn all about the national culture. The ebook covers Pinyin, the system used to spell out Chinese characters using Roman letters, and introduces the Chinese writing system, identifying more than 200 of the most frequently used Chinese characters. Bold illustrations and photographs, and a compact, super-stylish design help make the process of learning fun and accessible. There is no Great Wall stopping you from learning now.

Mandarin Chinese for Beginners Yi Ren, Xiayuan Liang, 2014-06-01 This user-friendly guide to the basics helps you learn how to speak Chinese quickly and easily by drawing parallels with something you already know--English. Chinese is a fascinating language that can seem impossibly difficult to learn at first, but is relatively easy if you focus on the spoken aspect. This revised edition contains new dialogues, cultural notes, IT and social media vocabulary, and new manga illustrations. This book is designed for

everyone who wants to learn to speak and understand colloquial Chinese--whether it is for business, pleasure, or travel to China. A lighthearted guide that brings Chinese to life in a down-to-earth fashion, Mandarin Chinese for Beginners makes language learning fun. Real-life dialogues and situations help you to converse with confidence Sentence pattern exercises and drills help to reinforce what you are learning Native-speaker audio recordings enable you to pronounce Chinese vocabulary accurately Interesting notes, idioms, sayings and poems introduce you to Chinese culture Mandarin Chinese for Beginners contains lots of extra hints and tips drawn from the authors' many years of experience in teaching the language to foreigners. Answer keys for the exercises are provided, and an Extend Your Vocabulary section in each chapter helps you to remember and understand more words that you'd think possible.

Tuttle Learning Chinese Characters Alison Matthews, Laurence Matthews, 2011-12-20 This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last--there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short stories, and the systematic building up of more complicated characters from

basic building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

The Way of the Linguist Steve Kaufmann, 2005-11
The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a

plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the

challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Basic Spoken Chinese Cornelius C.

Kubler, 2014-08-12 This is a beginning-level course in spoken Chinese that employs a revolutionary new method designed to have you quickly speaking and comprehending Mandarin Chinese. Along with its sister book Basic Written Chinese and their accompanying workbooks, Basic Spoken Chinese offers a complete introductory course to the Chinese language. As a native English speaker, working hard to learn Chinese is not enough; you have to work smart in order to learn this very different language efficiently. Downloadable audio and video reinforce the material introduced in the book. No matter why you've chosen to learn Chinese—for business, travel, cultural studies or another goal—the Basic Chinese approach of two separate but integrated tracks in spoken and written Chinese will help you learn this language most efficiently and successfully. Detailed explanations in English of Chinese pronunciation, grammar, usage, culture, society, and recommended learning approaches. A digital Instructor's Guide is available electronically. A written Character Transcript (Simplified and Traditional) is available electronically. The downloadable materials feature: 40 videos with dozens of native speakers filmed on location in mainland China,

Hong Kong, Macao, Taiwan, Singapore, and Malaysia. 6 hours of native-speaker audio, including all of the book's conversations. Build up sections, new words, and pronunciation exercises. Available separately, Basic Spoken Chinese Practice Essentials is the companion workbook for Basic Spoken Chinese. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in speaking and comprehending. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese language skills.

Remembering Simplified Hanzi 1 James W.

Heisig, Timothy W. Richardson, 2008-10-31 The approach that has helped thousands of learners memorize Japanese kanji has been adapted to help students with Chinese characters. Remembering Simplified Hanzi covers the writing and meaning of the 1,000 most commonly used characters in the traditional Chinese writing system, plus another 500 that are best learned at an early stage. Of critical importance to the approach found in these pages is the systematic arranging of characters in an order best suited to memory. In the Chinese writing system, strokes and simple components are nested within relatively simple characters, which can, in turn, serve as parts of more complicated characters and so on. Taking advantage of this allows a logical ordering, making it possible for students to approach most new characters with prior knowledge that can greatly facilitate the learning process.--BOOK JACKET.

Learn Mandarin Chinese for Beginners Leo W

Chang, 2021-01-23 ✓ Have you ever had an urge to learn Mandarin but have been put off by other people saying it looks too difficult? Trust me, it is not as difficult as other people say it is. We agree that learning Mandarin can be seen as quite a daunting experience, but that is why books like this one exist. As soon as you know what to expect, as well as some rules regarding how to read and write Mandarin as a beginner, you will be well on your way to mastering the language. What's great about Learn Mandarin Chinese for Beginners is that it comes with a composite workbook that you can use to really hone your Mandarin skills. With this book, we will be explaining everything about Mandarin to you. This will include some history and help you understand your personal learning style. This will ensure that you will perfect Mandarin in the quickest amount of time possible! You will find yourself understanding the four different Mandarin tones, the different ways to master pinyin, as well as even learning some personal life lessons along the way. We have tailored this book to be unique for each student and not by using a one-size-fits-all approach. It does not matter why you are learning Mandarin. As long as you have the passion and dedication to put time aside every single day and commit to learning the language, we will have you conversing with native Mandarin speakers in no time at all. This book is your best guide! By picking it up, you have taken the very first step in learning Mandarin, and we are so excited to be on this unique, fun, and exciting journey with you. ★★★

Learn Mandarin Chinese Workbook for Beginners: 2

Books In 1 Leo Chang, 2021-01-31 □ Learn Mandarin Chinese Workbook for Beginners: ✓ When you are learning Mandarin, you can learn all the rules, but you need to practice. But where do you go to find the best resources? You do not need to look any further because we are here to help! With this workbook, you can expect to make great strides in your journey toward becoming proficient in Mandarin. You will be learning how to read and write basic Mandarin words and phrases. Upon completing this workbook, you will be able to converse with a native Mandarin-speaking individual. You will learn about the weather, how to tell time, how to count, how to order a meal, and even how to ask about another person's occupation. You cannot learn Mandarin without ensuring there is a degree of culture embedded into your work. This is why we have included some Chinese idioms for you to practice reading. According to history, the use of these specific idioms is to inspire you to continue on your journey to becoming fluent in Mandarin. As you start to immerse yourself in this book's content, you will begin to feel the joy of correctly translating your first pinyin word into Chinese characters. It is when you can shuffle your knowledge between English, pinyin, and Chinese characters that you will be ready to tackle the next hurdle of Mandarin. For now, remember how you felt when you started learning Mandarin. Keep that passion burning, as it is going to make the process of learning Mandarin that much easier! ★★★ □ Learn Mandarin Chinese for Beginners: ✓ Have you ever had an urge to learn Mandarin but have been

Mandarin Chinese Characters Made Easy Michael L. Kluemper, Kit-Yee Nam Nadeau, 2016-10-18 This

highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. Chinese Characters Made Easy makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue--making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing a person standing on two legs--drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of Chinese Characters Made Easy include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.

Reading and Writing Chinese William

McNaughton, 2013-07-23 This is a complete and easy-to-use guide for reading and writing Chinese characters. Learning written Chinese is an essential part of mastering the Chinese language. Used as a standard by students and teachers learning to read Chinese and write Chinese for more than three decades, the bestselling Reading & Writing Chinese has been thoroughly revised and updated. Reading & Writing Chinese places at your fingertips the essential 1,725 Chinese characters' current definitions, derivations, pronunciations, and examples of correct usage by utilizing cleverly condensed grids. This guide also focuses on Pinyin, which is the official system to transcribe Hanzi, Chinese characters, into Latin script, now universally used in mainland China and Singapore. Traditional characters (still used in Taiwan and Hong Kong) are also included, making this a complete reference. Newly updated and revised, these characters are the ones officially prescribed by the Chinese government for the internationally recognized test of proficiency in Chinese, the Hanyu Shuiping Kaoshi (HSK). The student's ability to read and write Chinese are reinforced throughout the text. Key features of this newly-expanded edition include: The 1,725 most frequently used characters in both Simplified and Traditional forms. All 2,633 characters and 5,000+ compounds required for the HSK Exam. Standard Hanyu Pinyin romanizations. More mnemonic phrases and etymologies to help you remember the characters. An extensive introduction, alphabetical index, and index according to stroke count and stroke order. Completely

updated/expanded English definitions. Convenient quick-reference tables of radicals. Updated and revised compounds, plus 25% more vocabulary now offered. Codes to assist those who are preparing for the AP exam or the HSK exam.

Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of

your day.

Hsk Standard Course 1 Workbook (English and Chinese Edition) Jiang Li Ping, 2020-10-27 In order to familiarize learners with the question types of HSK, the workbooks at all levels provide the exact same types of exercises, arranged in the same order and structure also, with the content focused on the specific lesson. In this way, learners will get familiar with HSK by using the course books alone rather than spending extra time in trying to get used to the form of the test.

Learn Chinese Easily Introduction

In the digital age, access to information has become easier than ever before. The ability to download Learn Chinese Easily has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Learn Chinese Easily has opened up a world of possibilities. Downloading Learn Chinese Easily provides numerous advantages over physical copies of books

and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Learn Chinese Easily has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for

learning and personal growth. There are numerous websites and platforms where individuals can download Learn Chinese Easily. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Learn Chinese Easily. Some websites may offer pirated or illegally obtained copies of

copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Learn Chinese Easily, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Learn Chinese Easily has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Learn Chinese Easily Books

How do I know which eBook platform is the best for me? Finding the best eBook platform

depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Learn Chinese Easily is one of the best book in our library for free trial. We provide copy of Learn Chinese Easily in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Learn Chinese Easily. Where to download Learn Chinese Easily online for free? Are you looking for Learn Chinese Easily PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of

them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Learn Chinese Easily. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Learn Chinese Easily are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get

free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Learn Chinese Easily. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Learn Chinese Easily To get started finding Learn Chinese Easily, you are right to find

our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Learn Chinese Easily So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Learn Chinese Easily. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Learn Chinese Easily, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
