Korean Stories For Language Learners Julie Damron, EunSun You, 2018-09-11 The most enjoyable way to learn about an unfamiliar culture is through its stories--especially when they're told in two languages! Korean Stories for Language Learners introduces 42 traditional Korean folktales with bilingual Korean and English versions, presented on facing pages, together with detailed notes and exercises aimed at beginning learners of the language. The book can be used as a reader in first- and second-year Korean language courses or by anyone who wishes to learn about Korean folktales and traditional Korean culture.
