Spoken Vietnamese for Beginners Nguyen Long, Marybeth Clark, Nguyen Thuan, 2011-11 This textbook is designed for English-speaking students wishing to acquire a basic working ability in conversational Vietnamese. The twenty lessons in this volume are centered around short conversations based on common topics--introductions, friends and family members, work--as well as other everyday situations. Each set of conversations builds on previously studied material and introduces new sentence structures. Spoken Vietnamese for Beginners also contains exercise sections that allow

students to practice new and old vocabulary. Every fifth lesson in the book reviews previously covered material with written exercises, narrative readings, and suggested conversations so students can practice the Vietnamese they have learned. Self-tests are also included so students can individually review their understanding of the language. The conversations and exercises in this textbook will be made available online as audio files. The book and accompanying audio-- an integral component to Spoken Vietnamese for Beginners--can be used either with a teacher or for self-study. Language professors and their students--or those learning Vietnamese on their own--will appreciate the accessible approach and manageable size of this very practical textbook.

Learn Vietnamese - Quick / Easy / Efficient Pinhok Languages,2022-05-01 A curated Vietnamese word frequency list Are you looking for unconventional ways to speed up the process of learning Vietnamese? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Vietnamese words and phrases ordered by their frequency of use. Who this Vietnamese learning book is for: This book is for beginners and intermediate learners of Vietnamese who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Vietnamese frequency list is not for: This book is not for you if you are an advanced learner of Vietnamese. In this case, please go to our website or search for our Vietnamese vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Vietnamese learning book that guides you through the various steps of learning Vietnamese, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Vietnamese workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.

Fluent in 3 Months Benny Lewis, 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new

blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Let's Learn Vietnamese Ebook Linh Doan, 2017-07-25 Welcome to a Vietnamese language learning adventure--designed to make learning fun! The Let's Learn Vietnamese kit is an introductory language learning tool specially designed to help children from preschool through early elementary level acquire necessary words, phrases, and sentences in Korean in a fun and easy way. This ebook is perfect for use in a classroom setting, for home schooling, on vacation, or anywhere else that learning takes place. It is intended for learners who have little or no background in the Vietnamese language. The 64 words are organized into thematic categories, including: My Family Colors Numbers Animals Food My Body Clothes My Day Each word is illustrated with a picture that serves as an effective visual aid to learning and remembering the word. The words often reflect cultural objects and can be studied in any order. Korean language learners may focus on one theme at a time or mix them up for greater variety. Simple example sentences are given for each word to show how they are used. This Vietnamese flashcards-for-kids kit contains: 64 flash cards Downloadable recordings of words, sentences and songs A wall chart showing the main words and phrases at a glance A 32-page Learning Guide for parents and teachers All audio content is alternatively accessible on the Tuttle Publishing website

Continuing Vietnamese Binh Nhu Ngo, 2021-02-16 Quite simply the most serious early intermediate textbook currently available for thoughtful American students at the university level.--Professor Stephen O'Harrow, Director, Center for Southeast Asian Studies, University of Hawai'i at Manoa This is a second-year, intermediate Vietnamese language course designed for high school, college or self-study. Continuing Vietnamese is your next step toward master; it follows the best-selling, linguistically-based Elementary Vietnamese, and helps you progress to an intermediate level of communicating in Vietnamese. Invaluable for anyone planning to travel, study or work in Vietnam, this complete language course has been extensively tested at Harvard University. The accompanying native-speaker audio helps to develop listening comprehension and ensure correct pronunciation. The book contains ten lessons, each composed of two parts. Part 1, the dialogue part, introduces the learner to conversational Vietnamese as it's currently spoken in Hanoi so that the learner will be able to participate in engaging conversation on a variety of topics. Part 2, the narrative part, includes written materials that are characteristic of formal Vietnamese. It aims to develop the learner's reading and writing skills as well as speaking skills. The lessons focus on various aspects of life in present-day Vietnam, including topics such as culture, history, geography, economy, theater, music, tourism, literature, poetry, cinema and sports. Each lesson helps you to learn Vietnamese by building your Vietnamese proficiency using several complementary elements to thoroughly develop your skills in reading, writing, listening and speaking. Key features of Continuing Vietnamese include: Online audio recordings offering native speakers' renditions of all the dialogues and narratives, vocabulary, grammar and usage explanations, everyday Vietnamese expressions, pronunciation drills and exercises, and even some popular Vietnamese proverbs. Exercises and practice activities which hone your skills throughout the learning process. Cultural notes that help bring Vietnam to life. A contemporary focus on today's Vietnamese speech patterns. A format that sharpens all four language skills: listening, speaking, writing and reading. All media content is alternatively accessible on the Tuttle Publishing website.
