There were only some more days left until Easter Sunday and I couldn't feel a single egg swelling up my belly... Oh my bunny, it's still funny! Please join in to learn about when I was making a laughingstock of myself. In story 3 you'll find out about some secrets and what happened on his second Christmas: Bo has grown up to be a fine young rabbit, and loves his job as the Easter Bunny. He is so good at it that his Easter eggs are now very famous and he's well loved by all the children. On a sunny, warm day in spring he went strolling along the meadows still on his search for other bunnies; he was longing to get in touch with others like himself, to play with and grow up together, and as he went along he stopped ...
