100 Fun & Easy Learning Games for Kids Amanda Boyarshinov, Kim Vij, 2016-05-24 Learn While You Play With These Fun, Creative Activities & Games From two experienced educators and moms, 100 Fun & Easy Learning Games for Kids prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In Zip-Line Letters, children learn letter sounds as the letters zoom across the room. In Parachute Subtraction, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. 100 Fun & Easy Learning Games for Kids is the solution for parents—as well as teachers, caregivers or relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.

*Find the Missing Things Kid's Memory Exercise Picture Game Book* Adam Santon, 2021-02-19 Find the Missing Things Kid's Memory Exercise Picture Game Book contains a very interesting way of developing your child's word learning and thinking ability through memory exercise games. There are pictures of 15 rooms. Every room contains various objects, starting from bedroom materials to toys and many others. From every room, there will be 1 to 3 things missings; For instance, in Room A, there are 3 scenarios: A1, A2, and A3. A1 means in room A, only 1 thing is missing; A2 means in room A, 2 things are missing and A3 means in room A, 3 things are missing. For detail, please refer to How to use this book. Your child will see the picture of a room with all the objects at first and then she has to find out the missing objects! For a little child, it is exciting and challenging. The pictures are very clear and most of the things are sight words, common objects - we see and use around us. Children have a list of words on every page! The words are from the pictures. Therefore, learning words and getting familiar with things are easy and interesting too. Finding the missing things give them a boost up of using the little brains and their memory. We strongly recommend that at first, read the How to Use This Book. You can find detailed clear instructions. Grown-ups can read and understand it by themselves. And yes, the answer key is provided!
