Sorry About the Mess Hellogreedo,2019-12-02 Hi! I'm HelloGreedo. I started a Star Wars YouTube channel in 2011, and now I wrote a book. Writing *Sorry About The Mess* was a happy accident. In 2016, I enrolled in two college classes that had a four hour break between them. My goal was to use those four hours to work on scripts and videos for my YouTube channel. While I did hash out a lot of videos during that break, I also began typing random thoughts, chronicling some life experiences, and cataloging opinions on various subjects. Over the past three years, whenever I felt like it, I would add to the book. Slowly but surely those random thoughts formed into (semi) cohesive chapters, and those chapters became this book. *Sorry About The Mess* is a lot like my live streams; random and all over the place. I have a habit of ping-ponging from topic to topic. This book ended up being more personal than I originally anticipated. If you're looking for 200 pages of nothing but a Star Wars discussion, you might want to look elsewhere! In *Sorry About The Mess*, you'll follow me on a journey through fandom, fatherhood, the United States Navy, clickbait, social media, and much more! I named it *Sorry About The Mess* for a reason. I should have hired an editor... Chapters: The Origin Story Why Star Wars? Clickbait & Social Media YouTube My Top Ten Movies The United States Navy Video Games Being a Dad Supporter Q&A In Closing
