Defining Noah Webster K. Alan Snyder,2002

Dilworth's Spelling-Book, Improved Thomas Dilworth,2017-08-24 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Common Heritage E. Jennifer Monaghan,1983 From the Introduction: This sets Webster's spelling book in an altogether different light. It was just a book that taught children how to spell (although of course it did that as well); it was the book that taught them to read. Although they may well have seen a primer at home, the speller was the first school text to instruct them in the art of reading. So the Webster spelling book, in its various forms, is of more importance to the history of American education than has formerly been appreciated. It deserves to be examined as the most popular reading instructional text of its day. A second purpose of this book, then, is to examine the spelling book on its own terms and in its own context. For Webster, of course, did not write his textbook in a vacuum. He had, it turns out, a useful model: a spelling book written by an Englishman, Thomas Dilworth, who titled his work A New Guide to the English Tongue. (Benjamin Franklin had been the first to produce an American edition, publishing it in 1747.) Webster himself learned to read from Dilworth, as the work was affectionately known, and he would appropriate Dilworth's book for his own work.--page 14.

5,000 Miles to Freedom Dennis Brindell Fradin,Judith Bloom Fradin,2013-06 What would it take for slaves to escape from slavery in the Deep South, 1,000 miles from freedom and then on to England during the period of the Fugitive Slave Act? For most slaves the thought of escape was unimaginable. But fear did not stop Ellen and William Craft from chasing freedom. An inspiring and riveting story of two amazing people stopping at nothing to fight for freedom and racial equality, this thrilling true tale chronicles Ellen and William Craft's lives from their flight from slavery in Georgia to their rise to world - wide fame as heroes of the Abolitionist movement.

A New Guide to the English Tongue Thomas DILWORTH,1751

An Oration Pronounced Before the Citizens of New-Haven on the Anniversary of the Independence of the United States, July 4th 1798; and Published at Their Request Noah Webster,1798

Washington Dennis B. Fradin,1997-03 Introduces the geography, history, industries, notable sights, and famous people of Washington state.

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable.
