Richard L. Kaye

**The Lemon Car Consumer Handbook** Rob Benson,2011-07-31 Many people purchase a vehicle and then drive away to find out that it actually doesn't drive well. Did they buy a lemon or not? A lemon car is a defective car which you buy at extremely bargain price without being aware of all its mechanical flaws. There are many factors to consider before you can claim if you positively have a lemon. What makes a car a lemon? You might think you have a lemon but you actually don't. Your car might have enough defects that it really qualifies as being a lemon. Did you know that even though the car drives okay that it may still be a lemon? Consumers don't realize that they have rights when they buy new or used cars that turn out to be lemons. If you sign the papers on a new or used car in a dealership and then drive away to find the car doesn't work you can do something about it. There are laws for lemon cars. All states comply with the Uniform Commercial Code. This book will provide all the information to help you with: 1) How to check if your car is a lemon or not 2) Find out if your car qualifies as a lemon even after many repair attempts 3) What you can do if your car is a lemon If you have a lemon car, use the lemon laws so you don't have to be stuck with a lemon any longer!
