The Telecaster Guitar Book Tony Bacon,2012-07-01 This new version of Tony Bacon's Six Decades of the Fender Telecaster shows how the world's first commercially successful solidbody electric guitar still attracts musicians more than 60 years since its birth in California. Today, it is more popular than ever and for many guitarists has overtaken the Stratocaster as the Fender to own and play. The Tele is the longest-lived solidbody electric, played by everyone from Muddy Waters to Keith Richards, from Radiohead to Snow Patrol. Its sheer simplicity and versatility are vividly illustrated here through interviews with Jeff Beck, James Burton, Bill Kirchen, John 5, and more. The book is three great volumes in one: a compendium of luscious pictures of the most desirable Teles, a gripping story from the earliest days to the latest exploits, and a detailed collector's guide to every Tele ever made. Packed with pictures of great players, collectable catalogs, period press ads, and cool memorabilia, The Telecaster Guitar Book is the one Tele book that all guitar fans will want to add to their collection.

The Ambassador's Wife Jennifer Steil,2016-06-14 From a real-life ambassador's wife and the acclaimed author of *Exile Music* comes a harrowing novel about the kidnapping of an American woman in the Middle East and the heartbreaking choices she and her husband each must make in the hope of being reunited. When bohemian artist Miranda meets British ambassador Finn in the ancient stone streets of an Islamic city, the course of her life alters in extraordinary ways. Their marriage gives her the luxury to paint whenever she wants, a staff to wait on her, and a young daughter she adores, but she loses the freedom to wander where she likes and to meet the Muslim women she is secretly teaching to paint. Her husband also makes Miranda a target: One sunny afternoon while hiking in the mountains, she is brutally kidnapped. As Finn struggles to save his family and his career, and Miranda grows close to a stranger's child in captivity, the secrets he and Miranda have each sought to hide place them and those who trust them in peril. Not even freedom could restore the happiness that once was theirs.
