Jolie Gentil Cozy Mysteries Box Set Books 8 - 10 Elaine L Orr,2021-04-11 Jolie Gentil Cozy Mysteries Box Set Books 8 - 10 Jolie Gentil continues to solve mysteries and become more involved in the Ocean Alley community. And she's starting to realize her feelings for an old friend are growing beyond friendship. Ground to a Halt. When Jolie Gentil goes to buy a cup of coffee the morning after a storm knocks out power at her house in Ocean Alley, she finds Java Jolt unlocked and minus its owner. A bigger surprise is seeing proprietor Joe Regan a few minutes later, badly injured. It seems a potential killer thinks Jolie has something Joe was hiding. The normal routine of appraising houses and volunteering at the Harvest for All food pantry is interrupted by an SUV that nearly smashes Jolie, a break-in at the home Jolie and Scoobie share, and a terrifying kidnapping. Jolie needs to figure out who's telling the truth and how far the thugs will go to find what they want. Only solving the puzzle will keep Jolie safe, protect a vulnerable Iraqi vet, and make sure everyone stays alive. But if Jolie keeps searching, her budding romance with Scoobie may grind to a halt. Holidays in Ocean Alley. Aunt Madge is spending a few weeks in the Silver Times Senior Living after standing on a stool to hang garland. Her niece Jolie's good friend Scoobie teams up with her to figure out whose body fell into Madge's apartment in the wee hours one morning. Does the killer think Aunt Madge knows something she shouldn't? Can Madge find a way to solve the crime and provide some cheer to injured children? She's determined to do just that. But she needs to be really careful. The Unexpected Resolution. Wedding days are special, but they don't usually pack as big a surprise as Jolie and Scoobie's New Year's Eve nuptials. Scoobie never knew much about his family -- and after the way he grew up, who could blame him for liking it that way? A 9-1-1 call during the wedding changes everything. Suddenly Jolie has to help Scoobie figure out what he wants to know, and determine who may want someone in his family dead. Publisher's Weekly called The Unexpected Resolution, A...story about unexpected life events and the honest love that binds no matter what.

Law of Estate Agency John Murdoch,2014-02-25 Since its first publication in 1975, John Murdoch's Law of Estate Agency has been the leading work on this important subject. This new fifth edition offers authoritative guidance on all recent legal developments, both legislative and in the courts, of concern to practising estate agents. Judicial decisions on such matters as commission claims and liability for misdescription are of great concern to practitioners, as is the increasing tendency of clients to defend an action for fees by claiming that the agent's terms of business contravene consumer protection rules inspired by the EU. These developments, and many more, are given expert coverage.

From Holmes to Sherlock Mattias Boström,2017-08-01 "If you love Sherlock Holmes, you'll love this book...the best account of Baker Street mania ever written."—Michael Dirda, The Washington Post Winner of the

Agatha Award for best nonfiction work Edgar Award finalist for best critical/biographical work Anthony Award finalist for best critical/nonfiction work Everyone knows Sherlock Holmes. But what made this fictional character, dreamed up by a small-town English doctor in the 1880s, into such a lasting success, despite the author’s own attempt to escape his invention? In *From Holmes to Sherlock*, Swedish author and Baker Street Irregular Mattias Boström recreates the full story behind the legend for the first time. From a young Arthur Conan Doyle sitting in a Scottish lecture hall taking notes on his medical professor’s powers of observation to the pair of modern-day fans who brainstormed the idea behind the TV sensation *Sherlock*, from the publishing world’s first literary agent to the Georgian princess who showed up at the Conan Doyle estate and altered a legacy, the narrative follows the men and women who have created and perpetuated the myth. It includes tales of unexpected fortune, accidental romance, and inheritances gone awry, and tells of the actors, writers, readers, and other players who have transformed Sherlock Holmes from the gentleman amateur of the Victorian era to the odd genius of today. *From Holmes to Sherlock* is a singular celebration of the most famous detective in the world—a must for newcomers and experts alike. “Riveting...[A] wonderfully entertaining history.”?TheWall Street Journal “Celebrates the versatility of one of fiction’s most beloved characters...terrific.”?TheChristian Science Monitor
